Item 1. Security and Issuer

Common stock of Industrial Services of America, Inc. (IDSA)  
7100 Grade Lane, Louisville, KY, 40213.

Item 2. Identity and Background

David T. Russell is an individual investor residing in Los Angeles, California, and is a citizen of the United States and the State of California.

No convictions or administrative proceedings.

Item 3. Source and Amount of Funds or Other Consideration

Source of funds is personal investment capital.

Item 4. Purpose of Transaction

The purpose of the share purchases is for investment in a leading scrap recycler. The filer believes that IDSA management is doing an excellent job navigating through a difficult stainless steel demand environment. IDSA's valuation has been depressed by temporary earnings pressure, an uncertain macro picture, equity market volatility and a lack of sponsorship.

Future purchases and sales of IDSA common stock are possible. The filer hopes to work with IDSA's management and Board of Directors to increase shareholder value and raise the company's visibility with prospective investors. Also, the filer will encourage certain members of the Company's Board to make a more significant investment in the Company's shares with personal funds in order to align their interests more directly with the interests of shareholders. If these purchases do not take place relatively soon, filer intends to introduce a measure for shareholder vote that would require minimum levels of stock ownership for Board members.

Item 5. Interest in Securities of the Issuer

(a,b) Filer owns and has sole voting and dispositive power over  
464,639 shares of IDSA common stock.

\*Filer disclaims interest in 3,279 shares held by wife as custodian.

(c) Filer's transactions in the last sixty days include
