Item 1.01. Entry into a Material Definitive Agreement

On April 29, 2016, Grubhub Inc., a Delaware corporation (the “Company”), as guarantor, and Grubhub Holdings Inc., a Delaware corporation and a wholly-owned subsidiary of the Company (“Grubhub Holdings”), as borrower, entered into a Credit Agreement (the “Credit Agreement”), with Citibank, N.A., as administrative agent, and Citibank, N.A. and BMO Capital Markets Corp., as co-lead arrangers and joint bookrunners, and the other lenders party thereto.

The Credit Agreement provides, among other things, for (a) revolving loans in an aggregate principal amount at any one time outstanding not to exceed \$185,000,000, subject to an increase of up to an additional \$30,000,000 pursuant to the terms and conditions of the Credit Agreement (the “Commitment Amount”), (b) issuances of letters of credit in a maximum aggregate principal amount at any one time outstanding not to exceed \$10,000,000 (as a sublimit of the Commitment Amount), and (c) swing line loans in an aggregate principal amount at any one time outstanding not to exceed \$10,000,000 (as a sublimit of the Commitment Amount). The credit facility will be available to the Company until April 28, 2021. Grubhub Holdings intends to use amounts available under the Credit Agreement for general corporate purposes, including funding working capital and acquisitions.

Under the Credit Agreement, loans bear interest, at Grubhub Holdings’ option, based on LIBOR or an alternate base rate, plus a margin, in the case of LIBOR loans, of between 1.25% and 2.00% and, in the case of alternate base rate loans, of between 0.25% and 1.00%, in each case, based upon the Company’s consolidated leverage ratio (as defined in the Credit Agreement). The Company is required to pay a commitment fee on the undrawn portion available under the revolving loan facility of between 0.20% and 0.30% per annum, based upon the Company’s consolidated leverage ratio.

Grubhub Holdings’ obligations under the Credit Agreement are guaranteed by the Company and its domestic subsidiaries. The obligations under the Credit Agreement and the guarantees are secured by a lien on substantially all of the tangible and intangible property of the Company and the domestic subsidiaries that are guarantors, and by a pledge of all of the equity interests of the Company’s domestic subsidiaries.

The Credit Agreement contains customary covenants that, among other things, require the Company to satisfy certain financial covenants and restrict the Company’s and its subsidiaries’ ability to incur additional debt, pay dividends and make distributions, make certain investments and acquisitions, create liens, transfer and sell material assets and merge or consolidate. Non-compliance with one or more of the covenants and restrictions could result in any amounts outstanding under the Credit Agreement becoming immediately due and payable and termination of the commitments.

The banks party to the Credit Agreement and/or their affiliates have from time to time provided, and/or may in the future provide, various financial advisory, commercial banking, investment banking and other services to the Company and its affiliates, for which they receive or may receive customary compensation and expense reimbursement.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by the Credit Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
