Item 1.01. Entry into a Material Definitive Agreement.
Agreement with Privet Group

On December 27, 2016, Great Lakes Dredge & Dock Corporation (the “Company” or the “Registrant”), entered into an agreement (the “Agreement”) with Privet Fund LP and Privet Fund Management LLC (collectively, the “Privet Group”). The Privet Group is the beneficial owner of approximately 5.2% of the Company’s outstanding shares of common stock.

Pursuant to the Agreement, the Company agreed to increase the size of its Board of Directors (the “Board”) from seven to eight members and to appoint Ryan J. Levenson to fill the resulting vacancy, with his term expiring at the Company’s 2017 Annual Meeting of Shareholders. Mr. Levenson has also been appointed to the Nominating and Corporate Governance Committee. Concurrent with the 2017 Annual Meeting of Shareholders, the size of the class of directors of the Board with a term expiring at such meeting will automatically decrease from three to two members. In addition, subject to certain exceptions, the Company agreed to include Mr. Levenson on the Company’s slate of nominees for the election of directors at the 2017 Annual Meeting of Shareholders. The Company has also agreed to use its reasonable best efforts to appoint a new independent director within the next six months.

Pursuant to the Agreement, the Privet Group has agreed to a customary standstill that, among other things, prohibits the Privet Group from acquiring more than 14.99% of the Company’s outstanding common stock. The standstill restrictions last until the earliest of (1) (x) if Mr. Levenson is not elected as a director at the 2017 Annual Meeting of Shareholders of the Company, six months following the date of the 2017 Annual Meeting of Shareholders and (y) if Mr. Levenson is elected to the Board at the 2017 Annual Meeting of Shareholders of the Company, three months following the date on which Mr. Levenson is no longer a member of the Board; or (2) so long as the Privet Group is not then in material breach of the Agreement, if the Company has materially breached the Agreement, the date that the Privet Group delivers to the Company written notice, provided that, if such material breach can be cured, such notice will be effective only if (A) such notice of termination is delivered to the Company on or after the 10th calendar day following the receipt by the Company of written notice from the Privet Group describing the Company’s breach of the Agreement in reasonable detail and (B) the Company, at the time of delivery of such notice of termination, has failed to cure such breach (the “Standstill Period”).

During the Standstill Period, each member of the Privet Group will cause, and will cause its respective affiliates to cause, all shares of common stock of the Company or any rights, warrants, options or other securities convertible into or exchangeable for shares of common stock of the Company or any other securities of the Company for which they have the right to vote, to be present for quorum purposes and to be voted at any meeting of shareholders or at any adjournments or postponements thereof, and to consent in connection with any action by consent in lieu of a meeting, (i) in favor of each director nominated and recommended by the Board of Directors of the Company (the “Board”) for election at any such meeting, (ii) against any shareholder nominations for director which are not approved and recommended by the Board for election at any such meeting and against any proposals or resolutions to remove any member of the Board and (iii) subject to certain exceptions, in accordance with the recommendations of the Board on all other proposals of the Board set forth in the Company’s proxy statements.

The foregoing description of the terms of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of such document. A copy of the Agreement is attached to this Form 8-K as Exhibit 10.1.

Amendment of Agreement with Eastern Shipbuilding Group, Inc.

On December 23, 2016, Great Lakes Dredge & Dock Company, LLC, a Delaware limited liability company and a wholly-owned subsidiary of the Registrant (“GLDD LLC”) executed an amendment to its contract for the construction of a dual mode articulated tug/barge trailing suction hopper dredge (the “Vessel”) with Eastern Shipbuilding Group, Inc., a Florida corporation. The amendment increases the purchase price of the Vessel to an aggregate amount of approximately \$159 million, which is inclusive of the costs of owner furnished equipment and information in connection with the construction of the Vessel, adjustment based on the actual neat steel weight of the Vessel, and agreed change orders. The amendment also extends the delivery date for the Vessel; the Vessel is expected to be delivered to GLDD LLC during the second quarter of 2017.

The foregoing description of the contract does not purport to be complete and is qualified in its entirety by reference to the text thereof, which will be filed as an exhibit to the Registrant’s annual report on Form 10-K for the year ended December 31, 2016.
