Item 8.01 Other Events.

On August 28, 2017, Marin Software Incorporated (the “Company”) issued a press release announcing that its Board of Directors has approved proposals to effect a reverse stock split and reduce the number of authorized shares of the Company’s common stock. The proposals are subject to stockholder approval to adopt an amendment to the Company’s Restated Certificate of Incorporation. A copy of the Company’s press release is attached hereto as Exhibit 99.1.

The Company expects to hold a special meeting of stockholders on October 5, 2017 to obtain stockholder approval of the reverse split, proposed at a ratio of not less than 6-to-1 and not greater than 10-to-1, and to reduce the total authorized shares of the Company’s common stock from 500,000,000 to a number equal to 500,000,000 multiplied by two times (2x) the reverse stock split ratio.. The Company’s Board of Directors will determine the exact ratio of the stock split before October 6, 2017 without any further approval or authorization of its stockholders. The Company believes these proposals will increase the per share trading price of the Company’s common stock.

On August 28, 2017, the Company filed a preliminary proxy statement on Schedule 14A regarding the special meeting with the U.S. Securities and Exchange Commission (the “SEC”).

The Company’s Board of Directors is soliciting proxies in connection with this special meeting. The Company does not believe that its officers or directors have interests in these proposals that are different from or greater than those of any other of the Company’s stockholders. While the Company intends to effect the reverse stock split and authorized share reduction, subject to market and other customary conditions, including stockholder approval, there can be no assurance that the reverse stock split and authorized share reduction will be consummated or that either will achieve its intended effects. The Company reserves the right, in its discretion, to abandon the reverse stock split and authorized share reduction at any time prior to filing the applicable Certificate of Amendment to the Company’s Restated Certificate of Incorporation with the Secretary of State of the State of Delaware.
