Optex Systems Holdings Inc  
Form FWP  
August 02, 2016

Free Writing Prospectus dated August 2, 2016

Filed pursuant to Rule 433 under the Securities Act of 1933

Registration Statement No. 333-212654

CORPORATE OVERVIEW

**FORWARD LOOKING STATEMENT** This presentation includes forward - looking statements that are subject to many risks and uncertainties . These forward - looking statements, such as statements about Optex’s short - term and long - term growth strategies, can sometimes be identified by use of terms such as “intend,” “expect,” “plan,” “estimate,” “future,” “strive,” and similar words . These statements involve many risks and uncertainties that may cause actual results to differ from what may be expressed or implied in these statements . These risks are discussed in Optex’s Securities and Exchange Commission filings and reports, including the risks identified under the section captioned “Risk Factors” in its Form 10 - K for the year ended September 27 , 2015 , filed with the Securities and Exchange Commission on December 15 , 2015 . Optex disclaims any obligation to update information contained in these forward - looking statements whether as a result of new information, future events, or otherwise . **THIS PRESENTATION DOES NOT CONSTITUTE AN OFFER TO SELL SECURITIES OF OPTEX OR A SOLICITATION OF AN OFFER TO BUY SECURITIES OF OPTEX .** Symbol: OPXS 2

Symbol: OPXS 3 FREE WRITING PROSPECTUS STATEMENT This presentation highlights basic information about us and the offering. Because it is a summary, it does not contain all of the information that you should consider before investing in our company. This free writing prospectus relates only to, and should be read together with, the preliminary prospectus dated August 2, 2016. (the "Preliminary Prospectus") included in Amendment No. 1 to the Registration statement on Form S - 1 (File No. 333 - 212654) relating to the public offering of common stock and warrants of Optex Systems Holdings, Inc. The information in this free writing prospectus is preliminary and is subject to completion or change. This free writing prospectus updates and supplements the Preliminary Prospectus and should be read together with the Preliminary Prospectus, including the section entitled "Risk Factors" beginning on page 9 of the Preliminary Prospectus. We have filed a registration statement (including a prospectus) with the United States Securities and Exchange Commission (SEC) for the offering to which this presentation relates. The registration statement has not yet become effective. Before you invest, you should read the prospectus in the registration statement (including the risk factors described therein) and other documents we have filed with the SEC for more complete information about us and the offering. You may get these documents, including the preliminary prospectus, which is part of the Amendment No. 1 to Registration Statement of Form S - 1, dated August 2, 2016, for free by visiting EDGAR on the SEC website at <http://sec.gov>. Alternatively, we or any underwriter participating in the offering will arrange to send you the prospectus if you contact Joseph Gunnar & Co., LLC, Prospectus Department, 30 Broad Street, 11th Fl , New York, NY 10004, telephone 212 - 440 - 9600, email: [prospectus@jgunnar.com](mailto:prospectus@jgunnar.com)

Recent Developments    Optex Systems Wins Award for 5 - Year Contract with DLA for \$5.99 Million  
RICHARDSON, Texas, July 22, 2016 Optex Systems, Inc.....announced it has won a 5 - year Indefinite Delivery,  
Indefinite Quantity (IDIQ) contract worth \$5.99 Million to supply its laser protected periscopes to the Defense  
Logistics Agency.    Optex Systems Locks in \$518,000 Shipment to Brazil RICHARDSON, Texas, June 2, 2016 Optex  
Systems, Inc..... announced that it has completed its first shipments of its patented M17 Day / Thermal Periscope (NSN  
665 0 - 01 - 619 - 6545) to Brazil.    Optex Systems Announces \$1.12 Million Purchase Order from Domestic Customer  
RICHARDSON, Texas, May 24, 2016 Optex Systems, Inc.....announced it has received a \$1.1 million purchase order to  
supply critical optical assemblies from Optex 's Applied Optics Center (AOC) Division.    Optex Systems Receives  
\$841,000 in Initial Orders for its Advanced Laser Protected Periscopes RICHARDSON, Texas, April 21, 2016 Optex  
Systems, Inc.,.....announced that it has received \$841,000 in orders for its laser protected periscopes with an option fo r a  
n additional \$841,000 from the U.S. Army Contracting Command. Symbol: OPXS 5

**MARKET OPPORTUNITY** Periscopes & Vision Block and Sighting Systems combine for an estimated \$1 billion worldwide • Optex has a great foothold in the Periscopes & Vision Block market with an estimated 75% market share in the U.S. (\$8 - \$10M) and 20 - 30% worldwide (\$40 - \$50M) • The Company has a 5% market share in the U.S. (\$100M) for Sighting Systems but only about 1% in the worldwide market (\$500M - \$1B) • Historically, the Company's growth and financial performance have been affected by the Department of Defense budget (DOD) which is expected to increase for the first time since 2010 • Foreign military sales for U.S. built products has remained strong due to escalating geopolitical threats. As of April 16' Optex has a backlog of over \$15.6 million The Company has a strong IP portfolio, excellent proven military products with a pipeline of new commercial products and established sales channels throughout the world Optex is a sole supplier of naval binoculars to the U.S. Navy and is getting its commercial products into Cabela's, a major outdoor retailer with a \$3 billion market cap and other retailers Symbol: OPXS 6

**HIGHLIGHTS** Symbol: OPXS 7 High asset utilization New capacity creation Operating Performance Potential  
Create internal linkages through vertical integration and technology advancement Capitalize on overseas market  
expansion Market Share Expansion Identify targets' critical capabilities Seek vertical integration Bargain purchase  
price Attractive Acquisition Outlook Increase in US DoD Spending Participation in Foreign Spending Launch of  
New Commercial Products Attractive Timing Highly experienced Industry veterans Stellar reputation Proven  
Management

**OPTEX OVERVIEW** A 28 - year old, Texas - based company provides the most reliable optical sighting systems to the US Department of Defense, foreign governments, and commercial consumers of optical products 89 employees; 93,000 square foot facility Patents – Three Issued by USPTO, One in process Defense supplier with product expansion into consumer and commercial sectors Technology patented products in new military programs in Chile, Brazil, Israel, Belgium, and Canada \$841,000 initial orders for advanced laser protected periscopes from U.S. Army Contracting Command, April 2016 \$1.2 million award for periscopes from General Dynamics Land Systems, February 2016 Symbol: OPXS 8 Milestones underpinned by successful historical acquisitions • Successfully acquired Miller - Holzwarth's assets in 2013 • Successfully acquired Applied Optics Center in 2014 • Signed \$4.3 MM supply agreement with L3 communications in 2014 • Signed \$6 MM supply agreement with Nightforce Optics Inc. in 2015

2% 24% 74% Commercial Foreign Other 14% 20% 66% Commercial Foreign Other 17% 18% 66% Commercial Foreign Other SALES MIX SHIFTS – GROWING COMMERCIAL & FOREIGN MILITARY SALES Symbol: OPXS 17 Company has been able to diversify its sales channels over the past few years. Commercial and foreign military sales have been quickly catching up 2014 Revenue = \$10M 2015 Revenue = \$13M 2016 Revenue = \$17M\* \* Extrapolated from Q3 YTD which will be published at \$11.8M. Net income for the quarter ended June 28, 2016 is estimated to be positive \$200,000. The increase is driven by higher revenues combined with improvements in labor efficiencies and improved pricing on new orders.

ACQUISITION STRATEGY – APPLIED OPTICS CENTER (AOC) CASE STUDY AOC was Optex’s preferred supplier of laser coatings and laser coated filters in support of Optex’s periscope shipments Previously Optex has ordered \$500K - \$1.5 MM per year of products from AOC. AOC will continue to support L3/Insight production Symbol: OPXS 18 Past Relationship Optex was able to fully utilize its network enabling it to identify and make acquisitions at a bargain price during the ongoing consolidation trend in the defense sector Time: 11/3/2014 Consideration: \$1.01 MM Offer: 100% cash Valuation: • 0.19x LTM Revenue • 0.36x Net Assets Transaction Optex is a market leader in the military - grade optical products industry that directly utilizes the manufactured components specific to the AOC product line The AOC business of L - 3 had a recent history of losses also due to sequestration As a result, L - 3 intended to exit the optical coating manufacturing business completely in that it no longer fit its business strategy Bargain Price Rationale Business Lines : precision optical assemblies; military thin film coating 27 full time employees \$2.78 MM worth of net assets and \$2.0 MM backlog at the time acquisition Target: AOC

US GOVERNMENT MARKETS & M&A OUTLOOK Symbol: OPXS 19 The industry’s M&A activity is poised for a steady growth since DoD’s budget sequestration Analysis revealed a significant improvement in transaction activity in 2014 with a notable pickup in defense related transactions planned for 2015 Domestic Aerospace & Defense (A&D) M&A Activities Growing U.S. Department of Defense budget is expected to grow in FY2016 - first increase since 2010 Procurement Drivers: • Geopolitics • Better buying power initiatives • Afghanistan drawdown • Sequestration constraints • Vehicle platform upgrades (AMPV) U.S. Government Markets Improving 0 10 20 30 40 50 60 Q1 Q2 Q3 Q4 Q1 Q2 Q3 Q4 Q1 Q2 Q3 Q4 Q1 Q2 Q3 Q4 Q1 Q2 Q3 Q4 Q1 2009 2010 2011 2012 2013 2014 2015 U.S. A&D Historical M&A Activities 0 100 200 300 400 500 600 700 800 0 20 40 60 80 100 120 140 160 2009 2011 2013 2015Est. 2017Est. 2019Est.
