Item 8.01.

Other Events.

On May 2, 2019, Misonix issued a press release announcing that it was acquiring Solsys Medical, LLC, a Delaware limited liability company (“Solsys”) and that Misonix had entered into an Agreement and Plan of Merger with Solsys, New Misonix, Inc., a New York corporation and a direct, wholly owned subsidiary of Misonix (“ParentCo”), Motor Reincorp. Sub One, Inc., a New York corporation and a direct, wholly owned subsidiary of ParentCo (“Merger Sub One”), Surge Sub Two, LLC, a Delaware limited liability company and a direct, wholly owned subsidiary of ParentCo (“Merger Sub Two”) and Greg Madden, an individual resident of the State of Massachusetts (the “Merger Agreement”).

At the closing of the transactions contemplated by the Merger Agreement, Merger Sub One will, upon the terms and subject to the conditions thereof, merge with and into Misonix (the “Misonix Merger”), with Misonix surviving the Misonix Merger as a wholly owned subsidiary of ParentCo and shareholders of Misonix receiving one share of ParentCo common stock for each share of Misonix common stock then held by them. Immediately following the consummation of the Misonix Merger, Merger Sub Two will merge with and into Solsys (the “Solsys Merger”), with Solsys surviving the Solsys Merger as a wholly owned subsidiary of ParentCo and unitholders of Solsys receiving shares of common stock of ParentCo in exchange for their units. Under the terms of the Merger Agreement, Misonix will issue approximately 5.7 million new shares to Solsys unitholders. Upon completion of the transaction, it is expected that Misonix shareholders immediately prior to the closing will own 64% of ParentCo, and former Solsys unitholders will own approximately 36% of ParentCo. Following the completion of the Misonix Merger and the Solsys Merger, it is contemplated that ParentCo will change its name to Misonix, Inc. and the current Misonix, Inc. will change its name to Old Misonix, Inc.

The press release of Misonix announcing the Merger Agreement is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
