**RYANAIR LAUNCHES IRISH S17 SCHEDULE  
WILL CARRY OVER 14M C'MERS TO/FROM IRELAND AT LOWER FARES AS BREXIT WEAKENS UK  
VISITOR NUMBERS**

Ryanair, Ireland's favourite airline, today (1 Sept) launched its Irish S17 schedule, which will deliver over 14m customers to/from Ireland at lower fares in 2017. There will be increased flights and frequencies at Shannon and Cork but a small reduction in seats at Dublin as the DAA withdraws growth incentives.

## Edgar Filing: RYANAIR HOLDINGS PLC - Form 6-K

Ryanair, which has delivered over 70% of the traffic growth at Dublin in 2014, 2015 and 2016, will now switch 3% of seats away from Dublin to lower cost airports elsewhere in Europe.

Ryanair's Irish S17 schedule will see more frequencies to sun destinations for summer family holidays, lower fares as Ryanair passes on lower fuel costs, and an even better customer experience, as it rolls out year 3 of its "Always Getting Better" customer experience programme.

Dublin

Additional sun frequencies - Palma (2 daily), Reus (2 daily) & Tenerife (daily)

85 routes in total

12m customers p.a. (down 3%)

9,000\* on-site jobs

Shannon

More flights to Lanzarote (2 weekly)

14 routes in total

Over 700,000 customers p.a.

540\* on-site jobs

Cork

More flights to Lanzarote (5 weekly) and Malaga (5 weekly)

17 routes in total

860,000 customers p.a.

650\* on-site jobs

Knock

12 routes in total

570,000 customers p.a.

Up to 400\* on-site jobs

Kerry

5 routes in total

270,000 customers p.a.

Up to 200\* on-site jobs

Ryanair will continue to be Ireland's number one airline, connecting Dublin with major leisure and business centres on high frequency, low fare services including Amsterdam (4 daily), Berlin (2 daily), Brussels (3 daily), London (17 daily) and Madrid (3 daily), with better timings and lower fares, making Ryanair the ideal choice for Irish business and leisure customers.

In Dublin, Ryanair's Kenny Jacobs said:

"We are pleased with this early launch date of our Irish summer 2017 schedule with more frequency to sun destinations at lower fares, making family holidays even more affordable. It's a pity the DAA chose to discontinue its growth incentive into 2017, which means that Dublin Airport is becoming uncompetitive, and which incentivizes Ryanair to switch growth to other lower cost airports in Europe.

In the meantime, customers can look forward to even lower fares when they make advance bookings for summer 2017. As our recent results confirmed, Ryanair expects average fares in 2016 to fall by between 8% to 10%, and early indications are that these price reductions will continue into the first quarter of 2017 as well. We urge all customers who wish to book their summer 2017 holidays to do so now on the Ryanair.com website, where they can avail of the lowest fare air travel to and from Ireland."

ENDS

\*ACI research confirms up to 750 'on-site' jobs are sustained at international airports for every 1m passengers
