#### GOLD MINING COMPANIES SETTLE SILICOSIS LITIGATION

Johannesburg, Thursday, 3 May 2018. It has been announced today that the Occupational Lung Disease Working Group - representing ourselves and African Rainbow Minerals, Anglo American SA, AngloGold Ashanti, Gold Fields and Sibanye-Stillwater have reached agreement with lawyers representing claimants in the silicosis class action litigation.

The full statement with detail of the settlement can be found at [www.oldcollab.co.za](http://www.oldcollab.co.za).

The companies last year announced amounts that each has provided for as the estimated cost to them of the settlement based on actuarial assessments. These amounts total approximately R5 billion.

Harmony is pleased at the conclusion of these highly complex negotiations. As the Working Group statement indicates, the agreement is still subject to ratification by the High Court. Harmony looks forward to the successful conclusion of that process. Once that and certain other conditions precedent are concluded, it will be possible fully to withdraw the appeal in the Supreme Court of Appeal of the Johannesburg High Court's class certification judgment delivered in May 2016.

Harmony welcomes the settlement which represents a fair outcome for claimants and a sustainable outcome for the companies.

Ends.
