Pre-Paid Legal Announces First Quarter 2004 Results

ADA, OK, April 26, 2004 - Pre-Paid Legal Services, Inc. (NYSE:PPD), today announced results for the first quarter ended March 31, 2004. Net income for the first quarter of 2004 decreased 12 percent to \$10.6 million from \$12.0 million for the prior year's first quarter primarily due to after-tax losses of \$3.2 million related to the sale of more than 91,000 Identity Theft Shield memberships in the 2004 first quarter period compared to none in the 2003 comparable period. These after-tax losses are created since the Company advances significant commissions at the time a membership is sold and are expensed during the first month of the membership. Since approximately 95% of membership fees are collected on a monthly basis, a significant cash flow deficit and after-tax loss is created at the time a membership is sold. This deficit and loss are reduced as monthly membership fees are remitted and no additional commissions are paid on the membership until all previous unearned advance commission balances have been fully recovered. Diluted earnings per share decreased 6

percent to 63 cents per share from 67 cents per share for the prior year's comparable quarter due to decreased net income of 12 percent partially offset by an approximate 7 percent decrease in the weighted average number of outstanding shares. Membership revenues increased 6 percent to a record \$86.8 million from \$81.5 million for the same period last year.

Net cash provided from operating activities for the 2004 quarter decreased 16 percent to \$17.0 million from \$20.3 million for the 2003 quarter due to the approximate \$5.6 million negative cash flow resulting from sales of Identity Theft Shield memberships during the 2004 first quarter. At March 31, 2004, the Company had cash and investment balances exceeding \$47 million after spending \$9.2 million during the first quarter of 2004 to repurchase 375,500 shares of its stock at an average share price of \$24.49. At March 31, 2004, the Company had \$19.4 million outstanding of the \$25 million previously announced stock purchase line of credit and \$19.2 million of its \$20 million line of credit for its new office construction. Further purchases of common stock are currently precluded by the Company's agreement with its bank lenders until the stock purchase line of credit is repaid. The Company has asked its lenders to consider additional funding or modification of the existing covenants in order to continue its treasury stock purchases.

First quarter 2004 membership fees increased from the 2003 fourth quarter to \$86.8 million vs. \$84.2 million. Associate services revenue increased during the 2004 first quarter from the 2003 fourth quarter by approximately \$753,000. Associate services and direct marketing expenses also increased by \$494,000 from the 2003 fourth quarter. Membership benefits totaled \$29.3 million in the first quarter of 2004 compared to \$28.2 million for the 2003 fourth quarter and represented 34% and 33% of membership fees for the respective periods. Commissions to associates per new membership sold during the respective quarters were \$180 per membership for the 2004 first quarter compared to \$198 for the 2003 fourth quarter. General and administrative expenses during the 2004 first quarter were \$10.0 million compared to \$9.9 million for the 2003 fourth quarter and represented 12% of membership fees for both periods.

Commenting on the first quarter highlights, Harland C. Stonecipher, Chairman and Chief Executive Officer of Pre-Paid Legal Services, Inc. said, "This 2004 first quarter is the best quarter in our more than 30 year history in terms of membership revenues. The sale of the 91,000 Identity Theft memberships in the quarter is a strong positive. Since these Identity Theft memberships, as most of our legal plan memberships, are marketed to be collected on a monthly basis, we should experience an improved revenue stream in the future against which all advance commissions have been paid and expensed."

The Company will conduct a conference call to present the first quarter results on Wednesday, April 28, 2004 at 8:30 a.m. Eastern Time. The conference call will be webcast on the investor relations' page of www.prepaidlegal.com or may be accessed by dialing (913) 981-5519. Audio replay will be available beginning at 11:30 a.m. Eastern Time on April 28, 2004 and will run through midnight Thursday, May 6, 2004 by dialing (719) 457-0820; passcode for the replay is 241205. The presentation will be available on the web site indefinitely by selecting "Earnings Calls" under the "Investor Relations" section. Questions may be submitted prior to the call via email to investor@pplsi.com.

The Company expects to file its quarterly report on Form 10-Q for the three months ended March 31, 2004 before the conference call.
