The Registrant has outstanding the \$30,000 promissory note to Wen Group. The note was issued on December 12, 2001 and is not bearing any interest. The note is due in full one hundred eighty days from the date of issuance.

Item 2. Management's Discussion and Analysis of Financial Condition/Results of Operations

Material Changes in Financial Condition:

The Registrant's liquidity is affected primarily by the business success, securities prices and marketability of its investee companies and by the amount and timing of new or incremental investments it makes, as well as the availability of borrowing under its credit lines.

Edgar Filing: ENERCORP INC - Form 10QSB

The only change in the Registrant's financial condition for the nine-month period ending 03/31/03 is the decrease in investments value. This change is mainly due to decrease in market value of the common stock of CompuSonics Video Corporation and Ajay Sports, Inc. The value of CompuSonics Video Corporation stock has significantly decreased from \$0.055 per share in June 30, 2002 to \$0.011 per share in December 31, 2002, and subsequently increased to \$0.045 per share in March 31, 2003. The primary cause of change in value of the investments of the Registrant is due to the change in value of CompuSonics Video Corporation common stock.

10

Liquidity and Capital Resources.

The Registrant has an issued and outstanding promissory note of \$30,000 owed to Wen Group. There are no general terms as to how the \$30,000 note will be paid or how the Registrant intends to raise the funds for repayment or how to fund current operations. The validity of the Wen Group claim is under review.

Currently the Registrant's liquidity resources are provided from the borrowings from a third party, Dearborn Wheels, Corporation.

The Registrant's current plan includes bringing in other investors, borrowing against collateral or selling a portion of its holdings.

Material Changes in Results of Operations:

Three-month period ended March 31, 2003.

The Registrant's revenues were \$0 and \$0 for the quarter ended March 31, 2003 and 2002, respectively. There was no sale of investment, no consulting services provided to other parties, no dividend or interest income paid or incurred from other parties for this quarter.

The Registrant recorded \$30,000 of officer salaries for the quarter ended March 2003 compared to officer salaries of \$0 for the quarter ended March 31, 2002. Salary is due to Thomas W. Itin, CEO of the Registrant. This change is due to the employment agreement between the Registrant and Mr. Itin, the terms of which were negotiated and approved by the Registrant's independent Directors.

The Registrant's legal, accounting and other professional fees were \$4,123 and \$1,627 for the quarter ended March 31, 2003 and 2002, respectively. The change is mainly due to changes in accounting fees, which were significantly low during the quarter ending March 31, 2002. The Registrant filed the quarterly 2002 reports late, so the corresponding auditor's invoices were received in a later period.

The Registrant's interest expenses were \$ 882 and \$ 666 for the quarter ended March 31, 2003 and 2002 respectively. The change is due to the continuous increase in principal of notes payable to a related party, therefore there is an increase in interest expense for this quarter compared to the previous quarter.

The Registrant recorded general and administrative expenses of \$ 128 for this Quarter which ended March 31, 2003 compared to general and administrative expenses of \$ 338 for the quarter ended March 31, 2002. This change is due to

Edgar Filing: ENERCORP INC - Form 10QSB

the decrease in the Registrant's activity related to such expenses. General and administrative expenses include travel, telephone and other miscellaneous expenses.

The Registrant recorded an unrealized gain on investments of \$ 237,752 for the quarter ended March 31, 2003 compared to a loss of \$ 139,718 for the quarter ended March 31, 2002. This gain was mainly due to the changes in fair market value of the Registrant's investment in the publicly traded companies CompuSonics Video Corporation and Ajay Sports, Inc. The Registrant is also taking higher discount rates for this quarter for its investment in Pro Golf International, Inc., ProGolf.com, Inc. and CompuSonics Video Corporation. The Board of Directors, following careful deliberation, determined that the new discount rates are more reasonable and fair. (See schedule of investment, page 5)

11

Nine-month period ended March 31, 2003.

The Registrant's revenues were \$0 and \$3,875 for the nine months period ended March 31, 2003 and 2002, respectively. There were no sale of investments, no consulting services provided to other parties, no dividend or interest income from other parties for the period ending March 31, 2003. Miscellaneous income recorded for 2002 is reflecting the adjustments made to some overstated liability accounts, which originated from the overstated previously recorded expenses.

The Registrant recorded \$90,000 of Officer salaries for the nine-month period ended March 31, 2003 compared to officer salaries of \$0 for the nine-month period ended March 31, 2002. Salary is due to Thomas W. Itin, CEO of the Registrant. This change is due to the employment agreement entered into by and between Mr. Itin and the Registrant for the year 2002.

The Registrant's legal, accounting and professional fees were \$14,955 and \$6,260 for the nine-month period ending March 31, 2003 and 2002, respectively. The change is mainly due to changes in accounting fees, which were low during the nine-month period ending March 31, 2002. The Registrant filed the quarterly 2002 reports late, so the corresponding auditor's invoices were received in a later period.

The Registrant's interest expenses were \$ 2,359 and \$ 939 for the nine-month period ended March 31, 2003 and 2002 respectively. The change is due to the increase in principal of a note payable to a related party; therefore, there is an increase in interest expense for this period compared to the previous one.

The Registrant recorded general and administrative expenses of \$ 623 for the nine-month period ended March 31, 2003 compared to general and administrative expenses of \$ 4,047 the nine-month period ended March 31, 2002. This change is due to the decrease in the Registrant's activity related to such expenses. General and administrative expenses include travel, telephone and other miscellaneous expenses.

The Registrant recorded an unrealized loss on investments of \$ 71,559 for the nine-month period ended March 31, 2003 compared to a loss of \$ 90,568 for the period ended March 31, 2002. This difference is mainly due to the changes in market value of the Registrant's investment in the publicly traded companies CompuSonics Video Corporation and Ajay Sports, Inc. Also the Registrant is taking higher discount rates for this quarter for its investment in Pro Golf International, Inc., ProGolf.com, Inc. and CompuSonics Video Corporation. The Board of Directors, after careful deliberation, unanimously determined that the

Edgar Filing: ENERCORP INC - Form 10QSB

new discount rates are more reasonable and fair. (See schedule of investment, page 5.)

Management's present plan for raising capital is to liquidate some of its holdings, sell privately some restricted preferred or common stock pursuant to the requirements of Rule 144 and/or borrow funds. Monies owed to Dearborn Wheels and Thomas W. Itin are not being paid at this time.

12

Item 3. Controls and Procedures.
