6.1.

NOTE 1: INTERIM FINANCIAL STATEMENTS.

The accompanying consolidated financial statements of Enercorp, Inc and Subsidiaries (the Company) have been prepared by the Company without audit. In the opinion of the Company's management, the financial statements reflect all adjustments necessary to present fairly the results of operations for the three-month and the nine-month period ended March 31, 2004 and 2003; the Company's financial position at March 31, 2004 and June 30, 2003; and the cash flows for the nine-month period ended March 31, 2004 and 2003. Certain notes and other information have been condensed or omitted from the interim financial statements presented in this Quarterly Report on Form 10-QSB. Therefore, these financial statements should be read in conjunction with the Company's June 30, 2003 Form 10-KSB.

The results for the three-month and the nine-month period ended March 31, 2004 are not necessarily indicative of future financial results.

6.2.

NOTE 2: INVESTMENTS RELATED PARTY.

Investments consist of holdings of securities in publicly and privately held companies. The Company holds its principal common stock investments in CompuSonics Video Corporation (10,001,751 shares), Ajay Sports, Inc. (310,785 common and 2,000 preferred shares), ProGolf.com (300,000 common shares) and Pro Golf International, Inc. (7,450 shares).

CompuSonics Video Corporation CPVD is one of the biggest investees of the Company. CPVD is a publicly held corporation, which specializes in licensing its patented technology related to audio and video analog-to-digital signal compression. CPVD is currently searching new business opportunities in presenting into the NAFTA market TreeSoft software used in electrical engineering. The Company owns 10,001,751 shares of CPVD, which were trading at \$0.053 per share at March 31, 2004. The Company is taking a 30% discount from the total FMV of this investment, based on its marketability and liquidity.

One of the Company's investees is Ajay Sports, Inc (Ajay). Through its operating subsidiaries, including Pro Golf, Ajay is a franchisor of retail golf stores. The Company owns 310,785 shares of common stock of Ajay, which were trading at \$0.019 per share at March 31, 2004 and 2,000 shares of preferred stock of Ajay valued at \$0.019 per share at March 31, 2004.

One of the Company's other current investee is Pro Golf International, Inc. (PGI) a majority-owned subsidiary of Ajay Sports, Inc., which was formed during 1999, and owns 100 % of the issued and outstanding stock of Pro Golf of

America, Inc. (PGoA) and a majority of the stock of ProGolf.Com, Inc. (PG.com). PGoA is the franchiser of Pro Golf Discount Retail Stores. The Board of Directors Fair valued the PGI investment at \$396,000 at March 31, 2004. A (20)% discount was taken based on marketability, liquidity and the progress of PGI and its wholly owned subsidiary Pro Golf of America, Inc. (PGoA), reducing the Net Fair Value of this investment to \$316,800.

ProGolf.Com, Inc. is a Company formed to help direct traffic to its franchise stores and to sell golf equipment and other golf-related products and services over the Internet. It is anticipated that traditional sales and distribution methods will be enhanced by the ProGolf.com Internet site. The Board of Directors fair valued the investment for 300,000 shares of PG.Com at \$600,000. After careful deliberation, the Board of Directors has agreed that Enercorp, Inc will continue to take a (50)% discount, equaling \$300,000. The Company is using the total value of \$300,000 (\$1/share) for this position.

The Board decided to write off the 100,000 shares of Williams Controls options from the investments portfolio. These options have expired, and there is no evidence of the existence of the extension agreements. Because of the timely research process conducted by management, the Board of Directors has been reluctant in writing off the above securities from the investments schedule of the Company, allowing extended time for the management to resolve the issue concerning the expiration dates of these options. Despite the efforts in trying to locate the hard copies of the extended option agreements (if any), as of March 31, 2004, there was no indication that such extended securities existed.

The Board of Directors decided to write off the 300,000 of CPVD warrants from the investments portfolio of the Company. The Board of Directors is aware of the discrepancies found in the reconciliation of the schedule of the investment portfolio of the Company to the custodian account statement of Standard Federal Bank. Because of the timely research process conducted by management, the Board has been reluctant in writing off the above securities from the investments schedule of the Company, allowing extended time for the management to resolve the above discrepancy. Despite the efforts in trying to locate the hard copies of the above securities, as of March 31, 2004, there is no indication that such securities exist.

The Board of Directors decided to write off the 191,610 shares of common stock of Proconnections, Inc. from the investments portfolio of the Company. This investee has not been involved in any business activities since several years, and the Company believes that this investee is obsolete.

6.7.

ITEM 2: MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

6.7.1.

Material Changes in Financial Condition:

The Company's liquidity is affected primarily by the business success, securities prices and marketability of its investee companies and by the amount and timing of new or incremental investments it makes, as well as the availability of borrowing under its credit lines.

For the nine-month period ending March 31, 2004, the investments value increased with \$93,213. This change is mainly due to increase in market value of the common stock of CompuSonics Video Corporation. The value of CompuSonics Video Corporation stock significantly increased from \$0.037 per share at June 30, 2003 to \$0.053 per share at March 31, 2004. Total net fair market value of CompuSonics Video common stock at March 31, 2004 was \$371,093.

In addition balance of note payable to Dearborn Wheels, Inc, a related party, increased from \$39,950 at June 30, 2003 to \$53,450 at March 31, 2004. The borrowings were primarily made to pay professional accounting and legal expenses. Interest payable on the note to Dearborn Wheels, Inc increased from \$4,879 at June 30, 2003 to \$8,510 at March 31, 2004. Balance of management fees owed to Acrodyne Corporation, a related party, increased from \$50,000 at June 30, 2003 to \$72,500 at March 31, 2004. Salary owed to Mr. Itin, former President of Enercorp, Inc totals \$145,000 at March 31, 2004.

Net assets value increased with \$31,392 from June 30, 2003 to March 31, 2004.

6.7.2.

Liquidity and Capital Resources.

The Company has an issued and outstanding promissory note of \$30,000 to Wen Group. There are no general terms as to how the \$30,000 note will be paid or how the Company intends to raise the funds for repayment or how to fund current operations. The validity of the Wen Group claim is under review.

Currently the Company's liquidity resources are provided from the borrowings from a third party, Dearborn Wheels, Inc. The face value of this promissory note is \$53,450 and total amount of interest accrued is \$8,510. The Company plans to rely on Dearborn Wheels, Inc liquidity advances in the near future. The Note was renewed on March 30, 2004. Salary owed to Thomas W. Itin, former Chairman of the Company, and management fees owed to Acrodyne Corporation, constitute a significant part of the liabilities of the Company. Currently there are no general terms on how these liabilities will be paid off. The Company's current plan includes bringing in other investors, borrowing against collateral or selling a portion of its holdings.

6.7.3.

Results of Operations. Three months ended March 31, 2004 compared to three months ended March 31, 2003.

The Company revenues were \$773 and \$0 for the quarter ended March 31, 2004 and 2003, respectively. There were no sale of investments, no consulting services provided to other parties, no dividend or interest income from other parties for this quarter. The revenues for March 31, 2004 originated from the insurance fee refund, as a result of the policy cancellation. The Company has found another fidelity bond policy, which has a 60-days cancellation notice.

The Company recorded \$0 of officer salaries for the quarter ended March 31, 2004 compared to officer salaries of \$30,000 for the quarter ended March 31, 2003. Salary is owed to Mr. Itin, the former CEO of the Company. Mr. Itin resigned from all the positions held with Enercorp, Inc on September 14, 2003.

The Company recorded \$2,043 and \$4,123 of legal, accounting and other professional expenses for the quarter ended March 31, 2004, and 2003, respectively. During the quarter ended March 31, 2003, the Company paid \$2,000 in advisory services to an outside investment banker. This explains the main decrease in professional services for the current quarter.

The Company's interest expenses were \$1,280 and \$ 882 for the quarter ended March 31, 2004 and 2003 respectively. The change is due to the increase in principal of a note payable to a related party, therefore there is an increase in interest expense for this quarter compared to the previous quarter.

The Company recorded other general and administrative expenses of \$ 76 for this quarter ended March 31, 2004 compared to general and administrative expenses of \$128 for the quarter ended March 31, 2003. Other General and administrative expenses include travel, telephone and other miscellaneous expenses.

The Company incurred \$19,161 of realized loss on the investments for the current quarter, as a result of writing off the investment in Proconnexions.

The Company recorded an unrealized loss on investments of \$ (33,159) for the quarter ended March 31, 2004 compared to a gain of \$ 237,752 for the quarter ended March 31, 2003. This is mainly due to the changes in fair market value of the Company's investment in the publicly traded companies CompuSonics Video Corporation and Ajay Sports, Inc. The Company is also taking higher discount rates for this quarter for its investment in ProGolf International, Inc., ProGolf.com, Inc. and CompuSonics Video Corporation. The Board of Directors after careful deliberation decided that the new discount rates are more reasonable and fair. (See schedule of investments, page 5)

6.7.4.

Results of Operations. Nine months ended March 31, 2004 compared to nine-months ended March 31, 2003.

The Company revenues were \$ 773 and \$0 for the quarter ended March 31, 2004 and 2003, respectively. There were no sale of investments, no consulting services provided to other parties, no dividend or interest income from other parties for this quarter. The revenues for March 31, 2004 originated from the insurance fee refund, as a result of the policy cancellation. The Company has found another fidelity bond policy, which has a 60-days cancellation notice.

The Company recorded \$25,000 of officer salaries for the nine-month period ended March 31, 2004 compared to officer salaries of \$60,000 for the nine-month period ended March 31, 2003. Salary is owed to Mr. Itin, former CEO of the Company. Mr. Itin resigned from all the positions held with Enercorp, Inc, on September 14, 2003.

The Company recorded \$10,037 and \$14,995 of legal, accounting and other professional fees for the nine-month period ended March 31, 2004 and March 31, 2003, respectively. During the quarter ended March 31, 2003, the Company paid \$2,000 in advisory services to an outside investment banker. Accounting fees for the previous period were about \$2,000 higher than the accounting fees for the current period. This explains the main decrease in professional services for the current period.

The Company's interest expenses were \$ 3,631 and \$ 2,359 for the nine-month period ended March 31, 2004 and 2003, respectively. The change is due to the increase in principal of note payable to a related party, therefore there is an increase in interest expense for this period, compared to the previous one.

The Company recorded other general and administrative expenses of \$ 654 for the nine months period ended March 31, 2004 compared to general and administrative expenses of \$623 the nine-month period ended March 31, 2003. General and administrative expenses include travel, telephone and other miscellaneous expenses.

The Company incurred \$19,161 of realized loss on the investments for the 9-month period, as a result of writing off the investment in Proconnexions.

The Company recorded an unrealized gain on investments of \$ 93,213 for the nine-month period ended March 31, 2004 compared to a loss of \$ 71,559 for the same period ended March 31, 2003. This is mainly due to the increase in market value of the Company's investment in the publicly traded companies, CompuSonics Video Corporation and Ajay Sports, Inc.

Item 1. Legal Proceedings

On February 14, 2004, George Burmann ("**Plaintiff**") commenced a lawsuit against the Company (the "**Lawsuit**") by filing a Complaint in the District Court for the City and County of Denver, Colorado. In the Complaint, Plaintiff claims to be a shareholder of the Company, and he has asked the Court to compel the Company to: (1) hold a meeting of shareholders, and, (2) produce certain business records at the Company's expense. Plaintiff has not asserted a claim for damages, but he has asked to be reimbursed for his costs and attorney fees relating to the Lawsuit. The Company timely responded to Mr. Burmann's Complaint by filing its Answer on April 2, 2004. In the Answer, the Company denies that Plaintiff is entitled to the relief requested in the Complaint. The Company further affirmatively states that a shareholder meeting is being scheduled, and that it has been responsive to Plaintiff's demands for information to which he is entitled by law.

A one-day trial to the Court is scheduled for September 17, 2004, if the Lawsuit is not resolved sooner.
