Annual Meeting of Shareholders
April 25, 2001

PROXY STATEMENT

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished to the holders (the "Shareholders") of common stock of Hurco Companies, Inc. ("Hurco" or the "Company") in connection with the solicitation of proxies by the Board of Directors for the 2001 Annual Meeting of Shareholders to be held at 10:00 a.m. (Indianapolis time) (11:00 a.m. EDT) on April 25, 2001 at the corporate headquarters of Hurco Companies, Inc., One Technology Way, Indianapolis, Indiana, and at any adjournments thereof. This Proxy Statement and the accompanying form of proxy are being mailed to the Shareholders on or about March 15, 2001. Proxies are being solicited principally by mail. Directors, officers and regular employees of Hurco may also solicit proxies personally by telephone, telegraph or otherwise. All expenses incident to the preparation and mailing to the Shareholders of the Notice, Proxy Statement and form of Proxy will be paid by Hurco.

Shareholders of record as of the close of business on February 26, 2001, are entitled to notice of and vote at the Annual Meeting or any adjournments thereof. On such record date, Hurco had 5,693,758 shares of common stock outstanding and entitled to vote. Each share will be entitled to one vote with respect to each matter submitted to a vote. The presence in person or by proxy of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business.

If the enclosed form of proxy is executed and returned, it may be revoked at any time before it is voted by giving written notice to the Secretary of the Company. If a shareholder executes more than one proxy, the proxy having the latest date will revoke any earlier proxies. Shareholders who attend the Annual Meeting may revoke their proxies and vote in person.

A proxy, if returned properly executed and not subsequently revoked, will be voted in accordance with the instructions of the shareholder in the proxy. If no instructions are given, the proxy will be voted for the election of the Board of Directors' nominees named in this Proxy Statement. Directors will be elected by a plurality of the votes cast. A proxy may indicate that all or a portion of the shares represented by such proxy are not being voted with respect to a specific proposal. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain proposals in the absence of instructions from the beneficial owners. Shares that are not voted with respect to a specific proposal will be considered present for purposes of determining a quorum and voting on other proposals. Abstentions on a specific proposal will be considered as present, but not as voting in favor of such proposal. Neither the non-voting of shares nor abstentions will affect the matters to be voted on at the Annual Meeting.

ELECTION OF DIRECTORS

The Board of Directors has nominated seven persons for election as directors. Except for Mr. Gerald V. Roch, all nominees are currently directors. Each director will serve for a term of one year, which expires at the next Annual Meeting of Shareholders of the Company when his successor has been elected. The seven nominees are: Robert W. Cruickshank, Michael Doar, Brian D. McLaughlin, Richard T. Niner, O. Curtis Noel and Charles E. Mitchell Rentschler and Gerald V. Roch. Unless authority is specifically withheld, the shares represented by the enclosed form of proxy will be voted in favor of these nominees.

Edgar Filing: HURCO COMPANIES INC - Form DEF 14A

If any of these nominees becomes unable to accept election, the persons named in the proxy will exercise their voting power in favor of such person or persons as the Board may recommend. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Board of Directors knows of no reason why any of the nominees would be unable to accept election.

Board Meetings and Committees

During the last fiscal year, the Board of Directors held six meetings. All of the current directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which they served.

The Board also has an Audit Committee that held four meetings during the last fiscal year. The Audit Committee has the authority to oversee the Company's accounting and financial reporting activities, and meets with the Company's independent accountants and Chief Financial Officer to review the scope, cost and results of the annual audit and to review internal accounting controls, policies and procedures (the report of the Audit Committee is included on page 8 of this Proxy Statement). The Board of Directors selects the independent accountants of Hurco upon the recommendation of the Audit Committee. See INDEPENDENT ACCOUNTANTS on page 14.

The Board has a Compensation Committee that held three meetings during the last fiscal year. The Compensation Committee reviews and recommends to the Board the compensation of the officers and managers of Hurco and guidelines for the general wage structure of the entire workforce. The Compensation Committee also oversees the administration of the Company's employee benefit plans. The report of the Compensation Committee regarding executive compensation is included on page 9 of this Proxy Statement.

The Board of Directors has a Nominating Committee that held one meeting during the last fiscal year. The Nominating Committee reviews the structure and composition of the Board of Directors and considers the qualifications of and recommends all nominees for directors. The Nominating Committee will consider candidates whose names are submitted in writing by shareholders. Shareholders who wish to nominate persons for election as directors must comply with the advance notice and eligibility requirements contained in the Company's By-laws, a copy of which is available upon request. Such requests and any nominations should be addressed to the Secretary, Hurco Companies, Inc., One Technology Way, P.O. Box 68180, Indianapolis, Indiana 46268.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of the Company's common stock, to file reports of ownership with the Securities and Exchange Commission and Nasdaq. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons that they were not required to file a Form 5 to report previously unreported ownership or changes in ownership, the Company believes that, during its fiscal year ending October 31, 2000, its officers, directors and greater than 10% beneficial owners complied with all filing requirements under Section 16(a), except for one acquisition transaction by Mr. Cruickshank for October, 2000, which was reported late.

REPORT OF AUDIT COMMITTEE

The Company's Audit Committee is comprised of three Directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(14).

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the shareholders and others, the system of internal controls which management has established, and the audit process. In doing so, it is the responsibility of the Audit Committee to provide an open avenue of communication between the Board of Directors, management, the internal auditors, and the independent accountants.

In accordance with the promulgated new rules regarding audit committees, the Audit Committee has adopted a formal, written charter which was approved by the full Board of Directors of the Company on May 22, 2000. A copy of this charter is included as Exhibit A to this Proxy Statement. The Charter specifies the scope of the Audit Committee's responsibilities and how it should carry out those responsibilities.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended October 31, 2000, with the Company's management. The Audit Committee has discussed with Arthur Andersen LLP, the Company's independent public accountants, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee has also received the written disclosures and the letter from Arthur Andersen LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and the Audit Committee has discussed the independence of Arthur Andersen LLP with that firm.

The Company incurred the following fees for services performed by Arthur Andersen LLP for the fiscal year ended October 31, 2000:

Audit Fees. Fees for the audit and the review of Forms 10-Q were \$ 258,000.

Financial Information Systems Design and Implementation Fees. There were no fees paid to Arthur Andersen LLP for services related to financial information systems design and implementation.

All Other Fees. Aggregate fees billed for all other services rendered by Arthur Andersen LLP were approximately \$ 264,000.

Based on the review and discussions with the Company's independent auditors for the fiscal year ended October 31, 2000, the Audit Committee recommended to the Board of Directors that the financial statements be included in the Company's Annual Report on Form 10-K.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Edgar Filing: HURCO COMPANIES INC - Form DEF 14A

The Compensation Committee of the Board of Directors establishes policies relating to the compensation arrangements of the Chief Executive Officer and all other executive officers and oversees the administration of the Company's employee benefit plans. All decisions of the Compensation Committee relating to the compensation of the Company's executive officers are reviewed by the full Board.

Compensation Policy

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive pay and the creation of shareholder value, while at the same time motivating and retaining key employees. To achieve this goal, the Company's executive compensation policy integrates annual base compensation with incentive compensation plans based upon corporate performance and individual initiatives and performance. Measurement of corporate performance is primarily based on Company goals and industry performance levels. Accordingly, in years in which performance goals and industry levels are achieved or exceeded, executive compensation tends to be higher than in years in which performance is below expectations. Annual cash compensation, together with stock option incentives, are designed to attract and retain qualified executives and to ensure that such executives have a continuing stake in the long-term success of the Company.

Stock options are granted from time to time to key employees, based primarily on such person's potential contribution to the Company's growth and profitability. The Compensation Committee feels that stock options are an effective incentive for managers to create value for shareholders since the value of an option bears a direct relationship to the Company's stock price. The Compensation Committee believes that linking compensation for the Chief Executive Officer and all other executive officers to corporate performance results in a better alignment of compensation with corporate goals and shareholder interest. As performance goals are met or exceeded, resulting in increased value to shareholders, executives are rewarded commensurately.

Fiscal 2000 Executive Compensation

For fiscal 2000, the Company's compensation program for the Chief Executive Officer and all other executive officers consisted of (i) base salary; (ii) bonus awards based upon the performance measurements described above; and (iii) stock option awards. During fiscal year 2000, the annual compensation of the Chief Executive Officer included base salary, which was increased from fiscal 1999 for a cost-of-living adjustment and stock option awards. In evaluating 2000 performance, the Committee considered the Company's patent licensing program, as well as other corporate performance criteria in determining the bonus to be awarded to the Chief Executive Officer and other corporate executive officers. The Committee believes that compensation levels for the Chief Executive Officer and all other executive officers and key employees during fiscal 2000 adequately reflect the Company's compensation goals and policies.
