Item 7.01 Regulation FD Disclosure:

Effective January 8, 2007 we commenced shipping against open Purchase Orders to Wal-Mart which increases our product distribution and the chain-wide store count of units offering our line. Wal-Mart, a longstanding customer will carry an increased assortment of our products, featuring their introduction of our Fuel Additive, StarTron products, in approximately 2,700 retail outlets, many of which did not previously carry any of our products. Our StarTron

products are gaining national consumer recognition and we expect to aggressively promote these items during the current year in order to more fully develop their potential.

We have modified our short and long term manufacturing production plans to include retail "sell-through" projections presented to us by Wal-Mart. Although the financial impact of the expanded distribution for the remaining months of the year ending December 31, 2007 cannot be ascertained at this time, we will publicly disclose our progress in this regard in prospective filings with the Commission.
