Your vote is important no matter how large or small your holdings may be. To ensure your representation at the meeting, please complete, sign, date and return your enclosed proxy card as soon as possible in the postage-paid envelope provided. PROXY STATEMENT

The enclosed proxy is solicited on behalf of the Board of Directors of Air T, Inc. (referred to as the "Company") in connection with the annual meeting of stockholders of the Company to be held on Thursday, October 14, 2004 at 10:00 a.m. at One Independence Center, 101 North Tryon Street, Suite 1900, Charlotte, North Carolina. The proxy is for use at the meeting if you do not attend or if you wish to vote your shares by proxy even if you do attend. You may revoke your proxy at any time before it is exercised by

giving a written notice of revocation to the Secretary of the Company,
submitting a proxy having a later date, or
appearing at the meeting and requesting to vote in person.

All shares represented by valid proxies and not revoked before they are exercised will be voted as specified. If no specification is made, proxies will be voted "FOR" electing all nominees for director listed on the proxy in Item 1 and "FOR" ratifying Deloitte & Touche LLP as auditors for the 2005 fiscal year. The Board of Directors knows of no matters, other than those stated above, to be presented for consideration at the annual meeting. If, however, other matters properly come before the annual meeting or any adjournment thereof, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their best judgment on any such matters. The persons named in the accompanying proxy may also, if it is deemed advisable, vote such proxy to adjourn the annual

Edgar Filing: AIR T INC - Form DEF 14A

meeting from time to time, including if there is not a quorum on the date set for the annual meeting.

This proxy statement, the enclosed proxy card and 2004 Annual Report to Stockholders are being first mailed to our stockholders on or about August 23, 2004. The Annual Report does not constitute "soliciting material" and is not to be deemed "filed" with the Securities and Exchange Commission.

The Company will pay the costs of preparing this proxy statement and of soliciting proxies in the enclosed form. Our employees may solicit proxies, either personally, by letter or by telephone. Our employees will not be specifically compensated for these services.

VOTING SECURITIES

Only stockholders of record at the close of business on August 16, 2004 will be entitled to vote at the annual meeting or any adjournment or adjournments thereof. The number of outstanding shares entitled to vote at the stockholders meeting is 2,657,334. The presence of a majority of the outstanding shares of the Company's Common Stock, par value \$.25 per share (the "Common Stock"), represented in person or by proxy at the meeting will constitute a quorum necessary to conduct business at the meeting. Directors will be elected by a plurality of the votes cast. Cumulative voting is not allowed. Accordingly, abstentions and broker non-votes will not affect the outcome of the election of directors. The ratification of independent auditors, and any other business coming before the meeting, requires the affirmative vote of a majority of the shares present or represented at the meeting and entitled to vote. On such matters, an abstention will have the same effect as a negative vote but, because shares held by brokers will not be considered entitled to vote on matters as to which the brokers withhold authority, a broker non-vote will have no effect on votes on these matters.

CERTAIN BENEFICIAL OWNERS

The following table sets forth information regarding the beneficial ownership of shares of Common Stock (determined in accordance with Rule 13d-3 of the Securities and Exchange Commission) of the Company as of August 9, 2004 by each person that beneficially owns five percent or more of the shares of Common Stock. Each person named in the table has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned, except as otherwise set forth in the notes to the table.

PROPOSAL 1 -- ELECTION OF DIRECTORS

Under the Company's Certificate of Incorporation and bylaws, directors are elected at each annual meeting and hold office until their respective successors are elected and have qualified. The number of directors constituting the Board of Directors has been set at nine by a resolution adopted by the Board of Directors pursuant to the Company's Bylaws. Accordingly, up to nine directors may be elected at the annual meeting. All of the incumbent directors were elected by the stockholders at the last annual meeting.

The following sets forth certain information with respect to the individuals who have been nominated by the Board of Directors, upon recommendation of its Nominating Committee, for election to the Board of Directors at the annual meeting. Each of the following is currently a director of the Company, other than Dennis A. Wicker. J. Leonard Martin, a current director and officer of the Company, has not been nominated by the Board of Directors, or recommended by the Nominating Committee, solely to permit the Board of Directors to be comprised of a majority of independent directors in accordance with a recently adopted rule of the Nasdaq Small Cap Market, which becomes effective with respect to the Company at the annual meeting.

The Board of Directors recommends a vote "FOR" all of the nominees listed below for election as directors (Item 1 on the enclosed proxy card).

Walter Clark, age 47, has served as a director, Chairman of the Board of Directors of the Company and Chief Executive Officer since April 1997. Mr. Clark also serves as a director of Mountain Air Cargo, Inc. ("MAC") and CSA Air, Inc. George C. Prill, age 81, has served as a director of the Company since June 1982, as Chief Executive Officer and Chairman of the Board of Directors from August 1982 until June 1983, and as President from August 1982 until spring 1984. Mr. Prill has served as an Editorial Director for General Publications, Inc., a publisher of magazines devoted to the air transportation industry, from November 1992 until 2001. From 1979 to 1990, Mr. Prill served as President of George C. Prill & Associates, Inc., of Charlottesville, Virginia, which performed consulting services for the aerospace and airline industry. Mr. Prill has served as President of Lockheed International Company, as Assistant Administrator of the FAA, as a Senior Vice President of the National Aeronautic Association and Chairman of the Aerospace Industry Trade Advisory Committee.

Dennis A. Wicker, age 52, has been nominated for election to the Board of Directors at the annual meeting. Mr. Wicker is a member of the law firm of Helms, Mulliss & Wicker PLLC, which he joined in 2001 following eight years of service as Lieutenant Governor of the State of North Carolina. He is a member of the boards of directors of Coca-Cola Bottling Co. Consolidated and First Bancorp.

During the fiscal year ended March 31, 2004, each director received a director's fee of \$500 per month and an attendance fee of \$500 is paid to outside directors for each meeting of the board of directors or a committee thereof. Commencing in June 2004, each non-employee director receives a director's fee of \$1,000 per month and an attendance fee of \$500 for each meeting of the Board of Directors or a committee thereof. Pursuant to the Company's 1998 Omnibus Securities Award Plan (the "Plan") each director who is not an employee of the Company received an option to purchase 1,000 shares of Common Stock at an exercise price of \$6.375 per share (the closing bid price per share on the date of stockholder approval of the Plan.) The Plan provides for a similar option award to any director first elected to the board after the date the stockholders approved the Plan. Such options

Edgar Filing: AIR T INC - Form DEF 14A

expire ten years after the date they were granted.

The Board of Directors has four standing committees: the Audit Committee, the Compensation Committee, the Nominating Committee and the Executive Committee. The Audit Committee consists of Messrs. Abernethy, Chesnutt and Moore. The Audit Committee met seven times during the fiscal year. On May 18, 2000, the Board of Directors adopted a charter for the Audit Committee. The Charter was re-approved by the Board of Directors on June 20, 2002 and July 29, 2003 and was revised and approved on August 3, 2004. A copy of the current Charter is included with this Proxy Statement as Annex A and additional copies will be provided to stockholders upon written request to the Secretary of the Company. The principal functions of the Audit Committee, included in the charter, are to select and retain the firm of independent auditors to serve the Company each fiscal year, to review and approve the scope, fees and results of the audit performed by the independent auditors, to review the adequacy of the Company's system of internal accounting controls and the scope and results of internal auditing procedures, to review and periodically discuss with the independent auditor all significant relationships that may affect the auditor's independence, to meet at least quarterly to review the Company's financial results with management and the independent auditors prior to the release of quarterly financial information, to prepare and issue to the Board of Directors annually a summary report suitable for submission to the stockholders and to establish procedures for the receipt, retention and treatment of complaints regarding accounting internal controls and auditing matters, including confidential, anonymous submissions by employees. A copy of the Audit Committee's report for the fiscal year ended March 31, 2004 is included in this Proxy Statement. The Company has certified to NASDAQ the Company's compliance with NASDAQ's audit committee charter requirements and compliance with the new audit committee structure and composition requirements.

The Compensation Committee consists of Messrs. Abernethy, Chesnutt and Prill. The functions of the Compensation Committee include establishing policies for the compensation of the Company's executive officers and determining the types and amounts of remuneration to be paid to the Company's executive officers. The Compensation Committee met twice during the fiscal year.

The Nominating Committee consists of Messrs. Abernethy, Chesnutt and Moore. The Nominating Committee was established in July 2004. The Nominating Committee is responsible for evaluating potential nominees for election as directors and recommending nominees to the Board of Directors, as well as recommending the functions and the membership of the committees of the Board of Directors and leading the Board of Directors in an annual self-evaluation. A copy of the charter of the Nominating Committee is attached as Annex B to this proxy statement and additional copies will be provided to stockholders upon written request to the Secretary of the Company. The charter of the Nominating Committee is not currently available on the Company's website. The Nominating Committee does not yet have a policy with regard to consideration of any director candidates recommended by stockholders because it has not had time to develop and consider such a policy given the recency of the establishment of the Nominating Committee. Similarly, the Nominating Committee has not yet developed any minimum

Edgar Filing: AIR T INC - Form DEF 14A

qualifications or specified skills or qualities that must be met for recommendation of a nominee by the Nominating Committee. The Nominating Committee anticipates developing such a policy and qualifications prior to the 2005 annual meeting. Mr. Wicker, the only nominee for election to the Board of Directors who is not currently a director of the Company, was recommended to the Nominating Committee by a non-management director.

The Executive Committee consists of Messrs. Walter Clark, Abernethy, Chesnutt and Prill, and is authorized to exercise the powers of the Board of Directors between meetings of the Board of Directors to the extent permitted by Delaware law and not otherwise specifically delegated to another committee. The Executive Committee met twice during the fiscal year.

The Board of Directors has determined that none of the nominees for election to the Board of Directors other than Messrs. Walter Clark, Gioffre and Simpson (all members of management) and Mr. Allison Clark (who is Mr. Walter Clark's brother) has any relationship that, in the Board's opinion, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each of these individuals is "independent" within the meaning of rules of the Nasdaq Small Cap Market that take effect as of the upcoming annual meeting. All of the members of the Company's Audit Committee, Compensation Committee and Nominating Committee are independent directors under these standards. In addition, the Board of Directors has determined that the members of the Audit Committee meet the heightened standards of independence applicable to members of an audit committee.

During the fiscal year ended March 31, 2004, the Board of Directors met nine times. Each of the directors attended at least 75 percent of the total of the meetings of the Board of Directors and committees thereof on which such director served during such period. The Company does not have a policy with respect to attendance of members of the Board of Directors at the annual meeting of stockholders. Historically, few, if any, stockholders have attended the Company's annual meeting of stockholders other than stockholders who are also officers or employees of the Company. At the annual meeting of stockholders held in 2003, two members of the Board of Directors, who are also officers of the Company, attended the annual meeting of stockholders.

The following table sets forth information regarding the beneficial ownership of shares of Common Stock of the Company by each director of the Company and by all directors, nominees and executive officers of the Company as a group as of August 9, 2004. Each person named in the table has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned, except as otherwise set forth in the notes to the table.

EMPLOYMENT AGREEMENTS

Effective January 1, 1996, the Company and each of its subsidiaries entered into employment agreements with J. Hugh Bingham, John J. Gioffre and William H. Simpson, each of substantially similar form. Each of such employment agreements provides for an annual base salary, which may be increased upon annual review by the Compensation Committee of the Company's Board of Directors. In addition, each such agreement provides for the payment of annual incentive bonus compensation equal to a percentage (2.0%, 1.5% and 2.0% for Messrs. Bingham, Gioffre and Simpson, respectively) of the Company's consolidated earnings before income taxes and extraordinary items as reported by the Company in its Annual Report on Form 10-K. Payment of such bonus is to be made within 15 days after the Company files its Annual Report on Form 10-K with the Securities and Exchange Commission.

The initial term of each such employment agreement expired on March 31, 1999, and the term is automatically extended for additional one-year terms unless either such executive officer or the Company's Board of Directors gives notice to terminate automatic extensions, which must be given by December 1 of each year (commencing with December 1, 1996). As described below, Mr. Bingham has resigned his employment with the Company and his employment agreement has terminated.

The two remaining employment agreements provide that upon the respective executive officer's retirement, he shall be entitled to receive an annual benefit (\$75,000 for Mr. Simpson and \$60,000 for Mr. Gioffre), reduced by three percent for each full year that the termination of his employment precedes the date he reaches age 65. The retirement benefits under such agreements may be paid at the executive officer's election in the form of a single life annuity or a joint and survivor annuity or a life annuity with a ten-year period certain. In addition, such executive officer may elect to receive the entire retirement benefit in a lump sum payment equal to the present value of the benefit based on standard insurance annuity mortality tables and an interest rate equal to the 90-day average of the yield on ten-year U.S. Treasury Notes.

Retirement benefits shall be paid commencing on such executive officer's 65th birthday, provided that such executive officer may elect to receive benefits on the later of his 62nd birthday, in which case benefits will be reduced as described above, or the date on which his employment terminates, provided that notice of his termination of employment is given at least one year prior to the termination of employment. Any retirement benefits due under the employment agreement shall be offset by any other retirement benefits that such executive officer receives under any plan maintained by the Company. In the event such executive officer becomes totally disabled prior to retirement, he will be entitled to receive retirement benefits calculated as described above.

In the event of such executive officer's death before retirement, the agreement provides that the Company shall be

Edgar Filing: AIR T INC - Form DEF 14A

required to pay an annual death benefit to such officer's estate equal to the single life annuity benefit such executive officer would have received if he had terminated employment on the later of his 65th birthday or the date of his death, payable over ten years; provided that such amount would be reduced by five percent for each year such executive officer's death occurs prior to age 65, but in no event more than 50 percent.

Each of the remaining employment agreements provides that if the Company terminates such executive officer's employment other than for "cause" (as defined in the agreement), such executive officer be entitled to receive a lump sum cash payment equal to the amount of base salary payable for the remaining term of the agreement (at the then current rate) plus one-half of the maximum incentive bonus compensation that would be payable if such executive officer continued employment through the date of the expiration of the agreement (assuming for such purposes that the amount of incentive bonus compensation would be the same in each of the years remaining under the agreement as was paid for the most recent year prior to termination of employment). Each of these agreements further provides that if any payment on termination of employment would not be deductible by the Company under Section 280G(b)(2) of the Internal Revenue Code, the amount of such payment would be reduced to the largest amount that would be fully deductible by the Company.

Resignation of Executive Officer

Effective December 31, 2003, J. Hugh Bingham, an executive officer and director of the Company, resigned his employment with the Company. In consideration of approximately \$300,000, payable in three installments over a one-year period starting January 12, 2004, Mr. Bingham agreed to forgo certain retirement and other contractual benefits for which the Company had previously accrued aggregate liabilities of \$715,000.

The Company also agreed to purchase from Mr. Bingham 118,480 shares of Common Stock held by him (representing approximately 4.3% of the outstanding shares of common stock at December 31, 2003) for \$4.54 per share (80% of the January 5, 2004 closing price). The stock repurchase will take place in three installments over a one-year period, starting January 12, 2004, and will total approximately \$538,000. All installment payments required to be made in January and July 2004, in the aggregate amount of approximately \$359,000, have been made.

CERTAIN TRANSACTIONS

Contractual death benefits for the Company's former Chairman and Chief Executive Officer, David Clark, who passed away on April 18, 1997 are payable by the Company to his estate in the amount of \$75,000 per year for 10 years. Walter Clark and Allison Clark are beneficiaries of the estate of David Clark, and Walter Clark is also a co-executor of the estate.

The Company leases its corporate and operating facilities at the Little Mountain, North Carolina airport from Little Mountain Airport Associates, Inc. ("Airport Associates"), a corporation whose stock is owned by J. Hugh Bingham, William H. Simpson, John J. Gioffre, the estate of David Clark and three unaffiliated third parties. On May 31, 2001, the Company renewed its lease for this facility, scheduled to expire on that date, for an

Edgar Filing: AIR T INC - Form DEF 14A

additional five-year term, and adjusted the rent to account for increases in the consumer price index. Upon the renewal, the monthly rental payment was increased from \$8,073 to \$9,155. The Company paid aggregate rental payments of \$132,960 to Airport Associates pursuant to such lease during the fiscal year ended March 31, 2004. In May 2003 the Company leased additional office space from Airport Associates under terms similar to the above lease at a monthly rental payment of \$2,100. The Company believes that the terms of such leases are no less favorable to the Company than would be available from an independent third party.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is charged with establishing the compensation paid to the Company's executive officers, including the individuals named in the Summary Compensation Table

Executive Officer Compensation

The Compensation Committee has historically sought to establish compensation policies that provide appropriate rewards to the Company's executive officers commensurate with their service with the Company and to provide incentives for superior performance. As described elsewhere in this Proxy Statement, certain of the Company's executive officers are parties to employment agreements, which specify an annual salary rate, which may be increased upon annual review by the Compensation Committee, and annual incentive bonus compensation based on the amount of the Company's consolidated earnings before income taxes and extraordinary items as reported by the Company in its Annual Report on Form 10-K. The Compensation Committee has not made any adjustment in the salary paid to the Company's executive officers, including the executive officers who are parties to these agreements, during the periods covered by the Summary Compensation Table.

The Company has historically provided for an annual cash bonus to its executive officers equal to an established percentage of the Company's earnings before income taxes and extraordinary items. Potential bonus compensation permits a substantial portion of compensation of executive officers to be tied directly to the Company's overall financial performance. Because of the Company's reported loss for its 2003 fiscal year, no bonuses were paid to executive officers for that fiscal year.

The Company maintains its 1998 Omnibus Securities Award Plan, which permits the Company, by action of the Compensation Committee, to grant equity-based incentive compensation awards to its employees, including its executive officers. The Compensation Committee last granted awards under this plan in the 2000 fiscal year. In the 2000 fiscal year, the Company awarded 9,000 options to the Executive Vice President and 50,000 options to the Chief Executive Officer. These options expire five and ten years, respectively, after they were awarded. The options awarded to the Chief Executive Officer were fully exercisable on the date of grant, while the options awarded to the Executive Vice President became exercisable on the date of grant with respect to one half of the shares, and exercisable with respect to the remaining half one year after the date of grant. At March 31, 2004, these grants were the only options awarded to executive

Edgar Filing: AIR T INC - Form DEF 14A

officers that remained outstanding.

The Compensation Committee has not determined whether any stock options or other equity-based performance compensation may be awarded in the future.

Compensation of Chief Executive Officer

The Committee established Mr. Walter Clark's annual salary at \$120,000 in January 1998 and has not adjusted his salary since that time. In setting Mr. Clark's salary at that time, the Committee deferred in part to Mr. Clark's request that his compensation be kept relatively low. In setting Mr. Clark's salary, the Compensation Committee used its subjective evaluation of Mr. Clark's performance and responsibilities, the Company's overall performance and his request that his compensation be relatively low. During the fourth quarter of the fiscal year ended March 31, 2002, Mr. Clark unilaterally reduced his annual salary to \$96,000. Mr. Clark's 2004 bonus was based on the Company's historical practice of paying a bonus to the Chief Executive Officer equal to two percent of the Company's earnings before income taxes and extraordinary items. No options were awarded in the most recent fiscal year to Mr. Clark in light of awards that had been made in prior years.

PROPOSAL 2 -- RATIFICATION OF INDEPENDENT AUDITORS

The Board of Directors recommends that the stockholders ratify the appointment of Deloitte & Touche LLP to serve as the independent auditors for the Company and its subsidiary corporations for the fiscal year ending March 31, 2005. This firm has served as the independent auditors for the Company since 1983. Representatives of Deloitte & Touche LLP are expected to be present at the annual meeting and will have an opportunity to make a statement and will be available to respond to appropriate questions.

The Board of Directors recommends a vote "FOR" the proposal to ratify the selection of Deloitte & Touche LLP as independent auditors for the fiscal year ending March 31, 2005 (Item 2 on the enclosed proxy card).

Report of the Audit Committee

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements as of and for the year ended March 31, 2004. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee also has considered whether the independent auditors provision of non-audit services to the Company is compatible with the auditor's independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2004 for filing with the Securities and Exchange Commission.

There shall be a committee of the Board of Directors to be known as the audit committee.

Role and independence

The audit committee of the board of directors assists the board in fulfilling its responsibility for oversight of:

- (1) the quality and integrity of the accounting, auditing and reporting practices of the corporation;

Edgar Filing: AIR T INC - Form DEF 14A

- (2) the audits of the corporation's financial statements and the independent auditor's qualifications, independence and performance;
- (3) the corporation's systems of internal control over financial reporting;
- (4) the corporation's compliance with legal and regulatory requirements;
- (5) the performance of the corporation's internal audit function;

and such other duties as directed by the board. The membership of the committee shall consist of at least three directors who are generally knowledgeable in financial and auditing matters, and including at least one member who is an "audit committee financial expert" under Securities Exchange Commission regulations if one or more members of the board would qualify as an "audit committee financial expert" and would be eligible to serve on the audit committee. Each member shall be free of any relationship that, in the opinion of the board, would interfere with his or her individual exercise of independent judgment and shall meet the independence requirements of the NASDAQ Stock Market applicable to membership on the audit committee.

The committee is expected to maintain free and open communication (including regular private executive sessions) with the independent auditor, the internal auditors and the management of the corporation and to provide each group with full access to the committee (and the board) to report on any and all appropriate matters. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose and to have the corporation pay all reasonable fees of such advisors.

Responsibilities

The audit committee's primary responsibilities include:

Selecting and retaining the independent accounting firm that audits the financial statements of the corporation and approving the scope of the proposed audit for each fiscal year and the fees and other compensation to be paid therefor. In so doing, the committee will discuss and consider the auditor's written affirmation that the auditor is in fact independent and the nature and rigor of the audit process and receive and review all reports from management and the current auditor relevant to these determinations.

Reviewing and periodically discussing with the independent auditor all significant relationships the firm and members of the engagement team have with the corporation and others that may affect the auditor's independence.

Preapproving all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the corporation by its independent auditor, subject to such exceptions for non-audit services as permitted by applicable laws and regulations. The committee may form and delegate authority to subcommittees consisting of one or more members when

appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full committee at its next scheduled meeting.

Providing guidance and oversight to the internal audit function of the corporation, including review of the organization, budget, staffing, plans and results of such activity.

Reviewing financial statements (including quarterly reports) with management and the independent auditor. It is anticipated that these discussions will include quality of earnings, review of reserves and accruals, consideration of the suitability of accounting principles, review of highly judgmental areas, audit adjustments (whether or not recorded) and such other inquiries as may be appropriate. Annually, after satisfactory review by the committee, the company's audited financial statements will be approved by the board of directors for inclusion in the annual report of Form 10-K to be filed with the Securities and Exchange Commission.

Reviewing with management Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the corporation's annual report on Form 10-K or quarterly report on Form 10-Q, as applicable.

Reviewing and discussing with management and the independent auditor, as appropriate, earnings press releases, and financial information and earnings guidance provided by the Corporation to analysts and rating agencies.

Discussing with management, the internal auditors and the independent auditor policies with respect to risk assessment and risk management, significant risks or exposures of the corporation and the steps that have been taken to minimize such risks. It is anticipated that such discussions will include the status of pending litigation, taxation matters and other areas of oversight of the legal and compliance area as may be appropriate.

Establishing procedures for the receipt, retention and treatment of complaints received by the corporation regarding accounting, internal control over financial reporting or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

shareholders.

Performing any other activities consistent with this charter, the corporation's bylaws and governing law that the committee or the board may deem necessary or appropriate.
