GENERAL INFORMATION

Solicitation by the Board of Directors

This proxy statement is being sent on or about March 14, 2003, in connection with the solicitation by the Board of Directors of Trustmark Corporation (Trustmark) of proxies to be voted at the 2003 Annual Meeting of Shareholders and at any adjournment or postponement thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders.

Annual Meeting

The Annual Meeting of Shareholders will be held in the Grand Ballroom of the Hilton Jackson, located at 1001 East County Line Road, Jackson, Mississippi 39211, on Tuesday, April 15, 2003, at 2:00 p.m.

Shareholders Entitled to Vote

Shareholders of record at the close of business on February 17, 2003, are

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

entitled to notice of and to vote at the meeting in person or by proxy. On the record date, Trustmark had outstanding 60,429,110 shares of common stock.

Required Vote

A majority of the shares outstanding constitutes a quorum. In the election of directors, each shareholder may vote his shares cumulatively by multiplying the number of shares he is entitled to vote by the number of directors to be elected. This product constitutes the number of votes the shareholder may cast for one nominee or by distributing this number of votes among any number of nominees. Each share is entitled to one vote on other issues, and the issue will be approved if the votes cast in favor of the action exceed the votes cast opposing the action. Abstentions are counted for purposes of determining a quorum, but are not otherwise counted.

All valid proxies received by Trustmark will be voted in accordance with the instructions indicated in such proxies. If no instructions are indicated in an otherwise properly executed proxy, it will be voted for the slate of directors proposed by the Board of Directors.

How to Vote

Shareholders of record can vote in person at the annual meeting or by proxy without attending the annual meeting.

To vote by proxy, either:

1. Complete the enclosed proxy card, sign, date and return it in the enclosed postage-paid envelope,
2. Vote by telephone (instructions are on the proxy card), or
3. Vote by Internet (instructions are on the proxy card).

Revocation of Proxies

Any shareholder may revoke a proxy at any time before it is voted by written notice to the Secretary, by revocation at the meeting, or by delivery to the Secretary of a subsequently dated proxy.

Voting on Other Matters

The Board of Directors is not aware of any additional matters likely to be brought before the meeting. If other matters do come before the meeting, the persons named in the accompanying proxy or their substitutes will vote the shares represented by such proxies in accordance with the recommendations of the Board of Directors of Trustmark.

Cost of Proxy Solicitation

Solicitation of proxies will be primarily by mail. Associates of Trustmark and its subsidiaries may be used to solicit proxies by means of telephone or personal contact, but will not receive any additional compensation for doing so. Banks, brokers, trustees, and nominees will be reimbursed for reasonable expenses incurred in sending proxy materials to the beneficial owners of such shares. The total cost of the solicitation will be borne by Trustmark.

CORPORATE GOVERNANCE

In December 2000, Trustmark's Board of Directors created a Governance Committee to perform a comprehensive evaluation of Trustmark's overall approach to corporate governance. With the assistance of an outside consulting firm specializing in corporate governance, the Committee analyzed numerous corporate

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

governance topics including:

- o Role, structure and composition of the Board and Committees,
- o Committee charters, calendars, and decision accountabilities,
- o Required Board/Director competencies and traits,
- o Nomination, selection, and succession procedures for Directors, and
- o Board performance evaluation.

In July 2001, the Governance Committee recommended that the governance responsibilities between the Boards of Directors of Trustmark and its principal operating subsidiary, Trustmark National Bank (TNB), be more formally divided. Under the recommendation, the Governance Committee proposed to establish a smaller board for Trustmark and a separate, larger board for TNB whose members would include the Board of Directors of Trustmark and additional persons to be elected by Trustmark.

Additional provisions of the new governance structure include a retirement age of 65 for directors, required notification of changes in professional responsibilities and residence, a director's attendance policy, a Code of Conduct for directors, and the authority to seek advice or counsel from external advisers on an as-needed basis.

Furthermore, the Committee proposed implementing a committee structure and revised director accountabilities that best enable the Board to address issues such as business growth, human capital, and technology.

Trustmark's Board of Directors unanimously adopted the recommendations of the Governance Committee, which became effective on April 9, 2002. The enhanced structure improves the effectiveness and efficiency of Trustmark's corporate decision-making processes, as well as improves the oversight of bank-related operations and functions by TNB.

Board Mission

The role of the Board is to foster Trustmark's long-term success consistent with its fiduciary responsibility to shareholders. As part of this role, Trustmark's Board is responsible for:

- o Providing strategic guidance and oversight,
- o Acting as a resource on strategic issues and in matters of planning and policymaking,
- o Ensuring that management's operations contribute to Trustmark's financial soundness,
- o Promoting social responsibility and ethical business conduct,
- o Providing insight and guidance on complex business issues and problems in the banking and financial services industries,
- o Ensuring that an effective system is in place to facilitate selection, succession planning, and compensation of the Chief Executive Officer, and
- o Ensuring Trustmark's compliance with all relevant legal and regulatory requirements.

Meetings of the Board of Directors

The Board of Directors met six times in 2002. Each director attended at least 75 percent of the total number of meetings of the Board of Directors and Board committees of which he or she was a member in 2002.

Committees of the Board of Directors

There are five committees that collectively provide guidance on strategic

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

issues, planning and policymaking: Audit and Finance, Executive, Human Resources, Nominating, and Strategic Planning. The committees are comprised solely of independent directors, with the exception of the Executive Committee.

Audit and Finance Committee

The Audit and Finance Committee meets at least six times a year and is responsible for, among other things, annual approval of the independent auditors, oversight of audit activities, financial reporting and regulatory compliance, as well as approval and review of the budget and privacy policy. The Committee also meets with the independent and internal auditors, without management present, on a regular basis.

Executive Committee

The Executive Committee acts on behalf of the Board if a matter requires Board action before a meeting of the full Board can be held. The Committee is responsible for reviewing the corporate governance structure and annually evaluating each director's performance against specific performance criteria.

Human Resources Committee

The role of the Human Resources Committee is to ensure that appropriate policies and practices are in place to facilitate the development of management talent, orderly CEO succession planning, corporate social responsibility and the setting of management compensation.

Nominating Committee

The Nominating Committee is charged with the responsibility of seeking, interviewing and recommending to the Board of Directors qualified candidates for Board and committee membership.

Strategic Planning Committee

The Strategic Planning Committee provides guidance to management on the strategic planning process and issues of strategic importance including business growth and expansion, material transactions, and technology. The Committee is also responsible for monitoring progress with Trustmark's long-term strategic and financial objectives.

The following table shows the current membership of each committee and the number of meetings held by each committee during 2002.

Director Compensation

Prior to the new governance structure taking effect on April 9, 2002, the Chairman of the Board, an independent director at that time, received \$4,250 per month. All members of the Executive Committee were paid \$2,125 per month; and all other directors and each committee chair received \$1,000 and \$1,250, respectively, for each Board meeting attended. Those members of the Board of Directors who were compensated officers of Trustmark or TNB did not receive compensation for service on the Board or board committees.

Subsequent to April 9, 2002, all directors receive a retainer of \$12,000 annually. The Executive Committee members receive a retainer of \$3,000 and the Executive Committee Chair receives an additional retainer of \$3,000. Directors receive \$1,000 for each Board meeting attended. Likewise, all committee members and committee chairs receive \$500 and \$750, respectively, for each committee meeting attended. The CEO is the only member of management on the Board and receives no compensation for Board or committee service.

Trustmark provides directors the opportunity to participate in a deferred fee plan pursuant to which participants may defer up to 100% of fees to fund a portion of the cost of specified retirement and death benefits. Trustmark has purchased life insurance policies on participating directors to fund this plan.

On April 9, 2002, each outside director received an option grant of 2,000 shares pursuant to the Trustmark Corporation 1997 Long Term Incentive Plan. These options vest equally over a four-year period and expire in 2012.

ELECTION OF DIRECTORS

The Board of Directors has fixed the number of directors for the coming year at twelve. The nominees listed herein have been proposed by the Board of Directors for election at the meeting. Shareholders wishing to make nominations to the Board of Directors must do so in accordance with the provisions of Article II, Section 10 of Trustmark's Bylaws.

Shares represented by the proxies will, unless authority to vote is withheld, be voted in favor of the proposed slate of twelve nominees. In the election of directors, each shareholder may vote his shares cumulatively by multiplying the number of shares he is entitled to vote by the number of directors to be elected. This product constitutes the number of votes the shareholder may cast for one nominee or by distributing this number of votes among any number of nominees. The proxies reserve the right, in their discretion, to vote cumulatively. If a shareholder withholds authority for one or more nominees and does not direct otherwise, the total number of votes the shareholder is entitled to cast will be distributed among the remaining nominees.

Should any of these nominees be unable to accept the nomination, the votes which otherwise would have been cast for that nominee will be voted for such other persons as the Board of Directors shall nominate. Each director is elected to hold office until the next annual meeting of shareholders or until a successor is elected and qualified. The persons who will be elected to the Board of Directors will be the twelve nominees receiving the largest number of votes.

As part of Trustmark's on-going regulatory and compliance review process during 2002, it was determined that certain additional persons should have been filing reports under Section 16. The following individuals, who were deemed to have not filed timely reports in 2002, have subsequently filed all required reports: T. Harris Collier III, Louis E. Greer, James S. Lenoir, James M. Edgar Filing: TRUSTMARK CORP - Form DEF 14A

In addition, Gerard R. Host made one late filing related to three charitable gifts made in prior years and one late filing related to a transfer to his spouse made in 2002 for estate planning purposes.

Pension Plan

Trustmark maintains a noncontributory pension plan (the Plan) for associates who are 21 years or older and who have completed one year of service with a prescribed number of hours of credited service. The following table specifies the estimated annual benefits payable upon retirement at age 65 under the Plan to persons in the following remuneration and years of service classifications:

Three-Year Average Annual Compensation	Years of Credited Service				
	15	20	25	30	35
-----	-----	-----	-----	-----	-----

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

\$ 50,000	\$7,574	\$ 8,953	\$ 9,982	\$10,748	\$11,317
75,000	11,361	13,429	14,973	16,122	16,976
100,000	15,148	17,906	19,964	21,496	22,634
125,000	18,935	22,382	24,954	26,870	28,293
150,000	22,722	26,859	29,945	32,244	33,951
200,000	30,296	35,812	39,927	42,992	45,268

Years of credited service for the highest paid executives are: Richard G. Hickson - 6 years, Gerard R. Host - 19 years, Harry M. Walker - 31 years, William O. Rainey - 21 years, James S. Lenoir - 4 years.

Benefits payable under the Plan are based on a formula that takes into account the participant's average compensation over the highest consecutive three-year period and the number of years of credited service. Average compensation consists of W-2 taxable income adjusted for associate contributions to 401(k) and cafeteria plans, excess group term life insurance, automobile allowance, moving expenses and any severance pay. For 2002, the maximum benefit was \$160,000 and the maximum covered compensation was \$200,000. The table assumes the entire service period was completed under the benefit formula that is effective for service on or after January 1, 2002. Amounts payable pursuant to the Plan are not subject to deduction for social security.

Deferred Compensation Plan

Trustmark provides executive officers with a non-qualified defined benefit plan, which vests over ten years and provides retirement and death benefits based upon a specified covered salary. The Human Resources Committee capped the covered salary under the plan based on the executive officers' level of responsibilities. Normal retirement benefits under the plan are equal to fifty percent of covered salary payable for life, but not less than ten years. Should a participant die prior to normal retirement while the plan is in effect, the participant's beneficiary will receive a death benefit equal to a percentage of covered salary for ten years or until the participant would have reached normal retirement age, whichever is later. Life insurance contracts have been purchased to fund payments under the plan.

Employment Agreements

Mr. Hickson entered into an amended and restated employment agreement with Trustmark effective March 12, 2002, which provides for his employment as Chairman and Chief Executive Officer. The agreement provides for the Human Resources Committee to approve a base salary of not less than \$400,000 and award bonuses, stock options and other customary benefits. Bonus payments must not exceed current base salary.

If Mr. Hickson's employment is terminated (other than for Cause, death, disability or retirement) or in the event he resigns for Good Reason within three years after a change in control of Trustmark, Mr. Hickson is entitled to an amount equal to the sum of his salary immediately prior to the change in control and the highest annual bonus earned in any of the preceding three years. In consideration of Mr. Hickson's agreements relating to confidentiality, non-solicitation and non-competition, Trustmark is additionally obligated to pay Mr. Hickson an amount equal to the sum of his salary immediately prior to the termination or resignation and the highest annual bonus earned in any of the preceding three years, multiplied by two. Mr. Hickson is entitled to receive customary benefits for twelve months following his termination, reduced by any benefits received from later employment. Any outstanding unvested stock options vest as of the change in control. Finally, Trustmark is obligated to purchase Mr. Hickson's residence for the lesser of appraised value or \$900,000 if he is

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

unable to sell it within four months.

If, without a change in control, Mr. Hickson is terminated (other than for Cause, death, disability or retirement) or if he resigns for Good Reason, in consideration of Mr. Hickson's agreements relating to confidentiality, non-solicitation and non-competition, Trustmark is obligated to pay Mr. Hickson an amount equal to the sum of his salary immediately prior to the termination or resignation and the highest annual bonus earned in any of the preceding three years, multiplied by two. Trustmark must also provide customary benefits for a period of eighteen months following termination, reduced by any benefits received from later employment, and purchase Mr. Hickson's residence for the lesser of appraised value or \$900,000 if he is unable to sell it within four months.

If Mr. Hickson is terminated for Cause or if he leaves Trustmark voluntarily, he is not entitled to any payment other than earned salary and bonus.

Effective March 12, 2002, Trustmark entered into amended and restated employment agreements with Harry M. Walker and Gerard R. Host.

Under these agreements, if Mr. Walker or Mr. Host's employment is terminated (other than for Cause, death, disability or retirement) or if either resigns for Good Reason within two years after a change in control of Trustmark, the executive is entitled to payments equal to the sum of his base salary immediately prior to the change in control and the highest annual bonus earned in any of the preceding two years. Trustmark is required to continue certain benefits for twelve months following termination or resignation, reduced by any benefits received from later employment. Any outstanding unvested stock options vest as of the date of termination or resignation. Additionally, Trustmark is obligated to make certain payments in consideration of the executive's covenants relating to confidentiality, non-solicitation and non-competition. The amount payable is the sum of the executive's base salary and the highest annual bonus earned in any of the preceding three years.

If, without a change in control, either executive is terminated without Cause or if either resigns for Good Reason, Trustmark is obligated to make certain payments in consideration of the executive's covenants relating to confidentiality, non-solicitation and non-competition. The amount payable is the sum of the executive's base salary and the highest annual bonus earned in any of the preceding three years.

If Mr. Host and Mr. Walker are terminated for Cause or leave Trustmark voluntarily, they are not entitled to any payment other than earned salary and bonus.

For purposes of these agreements, "Cause" means (i) commission of an act of personal dishonesty, embezzlement or fraud; (ii) misuse of alcohol or drugs; (iii) failure to pay any obligation owed to Trustmark or any affiliate; (iv) breach of a fiduciary duty or deliberate disregard of any rule of Trustmark or any affiliate; (v) commission of an act of willful misconduct, or the intentional failure to perform stated duties; (vi) willful violation of any law, rule or regulation (other than misdemeanors, traffic violations or similar offenses) or any final cease-and-desist order; (vii) unauthorized disclosure of any confidential information of Trustmark or any affiliate, or engaging in any conduct constituting unfair competition, or inducing any customer of Trustmark or any affiliate to breach a contract with Trustmark or any affiliate.

"Good Reason" means (i) a demotion in status, title or position, or the assignment of the person to duties or responsibilities which are materially inconsistent with such status, title or position; (ii) a material breach of the applicable agreement by Trustmark; (iii) a relocation of the person to a location more than fifty miles outside of Jackson, Mississippi without the

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

person's consent, or, (iv) in the case of Mr. Hickson, his not being named as the Chief Executive Officer of any successor by merger to Trustmark. In the case of Mr. Hickson's agreement, any good faith determination of "Good Reason" made by him shall be conclusive.

Human Resources Committee Report on Executive Compensation

Trustmark's Human Resources Committee, which held eight meetings in 2002, determines the compensation of Trustmark's Chief Executive Officer, as well as reviews and approves the compensation of other executive officers as recommended by the CEO. Compensation includes salary, bonus, and stock options.

Chief Executive Officer Compensation - 2002

In establishing Mr. Hickson's salary, the Committee principally considered the salaries of chief executive officers in comparable financial institutions. Also, the Committee considered Mr. Hickson's performance and contributions to Trustmark.

Mr. Hickson's bonus was determined based upon Trustmark's performance-based bonus program and was measured on individual management effectiveness and corporate performance with regard to net income, efficiency ratio, return on equity and earnings per share growth. In measuring corporate performance, actual performance was measured against profit plan performance targets established at the beginning of the year.

In 2002, Mr. Hickson was awarded options to purchase 45,000 shares of Trustmark's stock at \$25.4569 per share, which was the market price of such shares on the award date. The number of options granted was designed to provide Mr. Hickson with additional incentive-based compensation.

Executive Officer Compensation - 2002

In establishing the salaries of Trustmark's executive officers, the Committee considered the recommendations of the CEO, which were principally based on compensation levels of similar positions at comparable financial institutions.

Bonuses awarded to executive officers in 2002 were based on an incentive program that measures performance goals. These goals measure corporate performance, line of business performance and individual management effectiveness.

In 2002, the Committee awarded executive officers stock options, designed to provide additional incentive-based compensation, pursuant to Trustmark's 1997 Long Term Incentive Plan. The number of options granted is determined by specified percentages, which varies with levels of job responsibility, of the participants' base salaries.

Committee Composition

During 2002, no current or former executive officer of Trustmark or any of its subsidiaries served as a member of the Human Resources Committee. The Committee is composed of the following persons:

Reuben V. Anderson - Chair
William C. Deviney, Jr.
C. Gerald Garnett
Carolyn C. Shanks

Reuben V. Anderson is a partner in the law firm of Phelps Dunbar, L.L.P. In

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

2002, Trustmark retained this firm on various legal matters. It is anticipated this firm will be retained during 2003 until the conclusion of a particular legal matter. Trustmark does not expect to retain this firm thereafter.

TRANSACTIONS WITH MANAGEMENT

No executive officer, director, nominee, their related entities or their immediate family members have been indebted to Trustmark, or any subsidiaries, other than TNB, at any time since January 1, 2002. In the ordinary course of business, TNB and its subsidiaries have provided, and expect to provide in the future, banking, investment and insurance services in excess of \$60,000 with executive officers, directors, nominees, related entities and immediate family members. Such transactions are made on substantially the same terms, including, in the case of loans, interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. None of the loans involved more than the normal risks of collectibility and presented no other unfavorable features.

During 2002, TNB engaged in business relationships with various entities in which members of the Board of Directors have direct and indirect interests. None of these relationships were considered material to TNB or such entity.

AUDIT AND FINANCE COMMITTEE REPORT

Trustmark's Audit and Finance Committee, which conducts the usual and necessary activities in connection with the audit functions of Trustmark, held eight meetings during 2002.

Independent Public Accountants

On April 29, 2002, the Board of Directors, based on the recommendation of the Audit and Finance Committee, announced the engagement of KPMG LLP (KPMG) as Trustmark's independent accountants to replace Arthur Andersen LLP (Andersen), dismissed on April 9, 2002. Andersen had served as the independent accountant since 1992. None of Andersen's reports on the financial statements contained an adverse opinion or a disclaimer of opinion, or were qualified or modified as to uncertainty, audit scope, or accounting principles. There were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure.

Representatives of KPMG are expected to be present at the annual meeting with the opportunity to make a statement, if they desire to do so, and to be available to respond to appropriate questions during the period generally allotted for questions at the meeting.

Committee Review and Discussion

The Committee reviewed and discussed with management and KPMG the audited financial statements as of and for the three years ended December 31, 2002. The Committee also discussed with KPMG the matters required by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Committee received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and discussed the independence of KPMG. Based on this review, the Committee recommended to the Board of Directors that the audited financial statements be included in Trustmark's Annual Report on Form 10-K for the year ended December 31, 2002.

Accounting Fees

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

- (1) Audit Fees - The aggregate audit fees billed to Trustmark during 2002 by KPMG were \$470,719. These fees were for work in connection with the audit of Trustmark's consolidated financial statements as of and for the three-years ended December 31, 2002, as well as limited reviews of Trustmark's unaudited consolidated interim financial statements included in Trustmark's quarterly reports on Form 10-Q.
- (2) Financial Information Systems Design and Implementation Fees - During 2002, KPMG did not bill Trustmark for design and implementation of financial information systems.
- (3) All Other Fees - The aggregate fees billed by KPMG to Trustmark during 2002 for audit-related and other services, totaled \$19,156 and \$72,987, respectively. The Committee has considered whether the rendering of such non-audit services by KPMG is compatible with maintaining the principal accountant's independence and concluded it would not affect KPMG's independence.

Audit Charter

The Audit and Finance Committee reviews and reassesses the adequacy of the Committee's Charter on an annual basis. During 2002, no changes were made to the Charter filed as an exhibit to the proxy statement dated April 10, 2001.

All members of Trustmark's Audit and Finance Committee are independent directors as defined by NASD rules:

J. Kelly Allgood - Chair
John L. Black, Jr.
Richard H. Puckett
Kenneth W. Williams
