Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 8, 2009 at a regularly scheduled meeting, the Board of Directors of Trustmark National Bank, our subsidiary, approved the recommendation of the Human Resources Committee of the Board of Directors to increase the base salaries of two of our named executive officers. These named executive officers are Gerard R. Host, President and Chief Operating Officer, Trustmark National Bank, and Breck W. Tyler, Executive Vice President and Mortgage Services Manager, Trustmark National Bank.

Base Salaries

The table below sets forth the base salaries recommended by our Human Resources Committee and approved by the Board of Directors of Trustmark National Bank for the two named executive officers:

Name	Base Salary
Gerard R. Host	\$ 450,000
Breck W. Tyler	\$ 285,000

These salary increases will be, consistent with the recommendation of the Human Resources Committee, effective as of October 1, 2009. The recommendation of the Human Resources Committee was made at its October 14, 2009 meeting. The salary increase for Mr. Host represents an increase of approximately 21% over his prior base salary, and the salary increase for Mr. Tyler represents an increase of approximately 73% over his prior base salary.

The Human Resources Committee recommended that Mr. Host's base salary be increased in order to better align his salary with those of the chief operating officers of other banks in our peer group. As to the compensation package of Breck W. Tyler, Executive Vice President and Mortgage Services Manager, in the past his package differed from that of other of our named executive officers in that a significantly higher proportion of Mr. Tyler's total compensation consisted of a cash bonus as a result of the quarterly production incentives based on the mortgage department's production. As disclosed in our proxy statement (as amended), the quarterly production incentive typically accounted for approximately 41% of Mr. Tyler's total annual compensation. Cash bonus payments made under both (a) the quarterly production incentives and (b) our management incentive plan accounted for approximately 51% of Mr. Tyler's total compensation earned in 2008. The Board of Directors of Trustmark National Bank accepted the Human Resources Committee's recommendation that Mr. Tyler's base salary be increased, in order to align the structure of his compensation package with that of our other named executive officers.
