Explanatory Note

This amendment (Form 10-Q/A) is being filed for the sole purpose of furnishing an amended Interactive Data File on Exhibit 101, originally filed with our Form 10-Q for the period ended September 30, 2009, which was filed on November 2, 2009. The Interactive Data File furnished in the Form 10-Q as originally filed contained an error in the number of common shares outstanding on the entity information page and errors in a table in the Investment Securities note (Note 3) to the condensed, consolidated financial statements caused by technical transmission failures.

No other changes have been made to the Form 10-Q. This Form 10-Q/A does not reflect events that may have occurred subsequent to the original filing date, and does not modify or update any related disclosures made in the Form 10-Q.

Pursuant to Rule 406T of Regulation S-T, the Interactive Data Files on Exhibit 101 hereto are deemed not filed or part of a registration statement or prospectus for purposes of Sections 11 or 12 of the Securities Act of 1933, as amended, are deemed not filed for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, and otherwise are not subject to liability under those sections.
