Item 1.01 Entry into a Material Definitive Agreement.

On December 4, 2015, Industrial Services of America, Inc. ("ISA") and WESSCO, LLC, a wholly owned subsidiary of ISA ("WESSCO," and together with ISA, the "Company"), entered into an Asset Purchase Agreement (the "Asset Purchase Agreement") with Compactor Rentals of America, LLC (the "Purchaser") pursuant to which the Company sold its "Waste Services Segment," consisting of substantially all of the assets used in (i) the Company's commercial, retail and industrial waste and recycling management services business which the Company operated under the name "Computerized Waste Systems" or "CWS," and (ii) the Company's equipment sales, rental and maintenance business for the commercial and industrial waste and recycling industry which the Company operated under the name "Waste Equipment Sales and Service Company."

The Company received cash consideration at closing of \$7.5 million, less \$150,000 retained by Purchaser which will be released to the Company or retained by the Purchaser in connection with any working capital adjustment. Purchaser assumed certain liabilities relating to the Waste Services Segment, including but not limited to, current liabilities, warranty liabilities, and post-closing liabilities incurred in connection with transferred contracts.

The sale included substantially all of the assets of the Waste Services Segment including, but not limited to, current assets, accounts receivable, tangible personal property, certain leases, inventory, intellectual property, rights under transferred contracts, rights of action and all associated goodwill and other intangible assets associated with the transferred assets.

The Asset Purchase Agreement contains standard and customary representations, warranties and covenants, including a restrictive covenant under which the Company will be prohibited from competing with the Waste Services Segment for five years following the closing.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Asset Purchase Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

In connection with the closing of the transaction, the Company entered into a transition services agreement with the Purchaser, pursuant to which the Company will provide certain services to the Purchaser for up to six months following the closing.

The Company used the proceeds from the transaction to pay transaction expenses, to repay in full the Company's outstanding indebtedness with Bank of Kentucky, Inc., and to repay in full ISA's term loan from Wells Fargo Bank, National Association ("Wells Fargo"). The Company also used the proceeds to pay all outstanding amounts on ISA's \$5.0 million revolving line of credit with Wells Fargo which will remain available following the closing. The material terms of ISA's Credit Agreement with Wells Fargo dated as of June 13, 2014, subsequently amended, including the terms relating to the revolving line of credit, have been previously reported on Current Reports on Form 8-K filed with the Securities and Exchange Commission on June 19, 2014, January 15, 2015 and November 12, 2015.

Item 2.01 Completion of Acquisition or Disposition of Assets.
