MEXICAN COMPETITION COMMISSION EXTENDS AUTHORIZATION OF KCS' AUTHORITY TO PURCHASE GRUPO TFM

Kansas City Southern (KCS) (NYSE: KSU) announced today that the Mexican Competition Commission (Commission) had extended for a period of six months its prior authorization of KCS' purchase of all of the shares of Grupo Transportacion Ferroviaria Mexicana, S.A. de C.V. (Grupo TFM) controlled by Grupo TMM, S.A. (TMM). The Commission acted at the request of KCS. The Commission did not place any conditions on the extension. As has been previously announced by KCS, the Company plans to seek enforcement through all legal means of the Acquisition Agreement entered into by KCS and TMM on April 20, 2003.

Ronald G. Russ, executive vice president and chief operating officer, said, "KCS is very pleased with the decision by the Competition Commission as it would allow the Acquisition to be completed during the period of the extension without having to apply once again for authority from the Commission."

KCS is a transportation holding company that has railroad investments in the United States, Mexico and Panama. Its primary holding is The Kansas City Southern Railway Company (KCSR). Headquartered in Kansas City, Missouri, KCSR serves customers in the central and south central regions of the U.S. KCS' rail holdings and investments are primary components of a NAFTA Railway system that links the commercial and industrial centers of the United States, Canada and Mexico.
