The principal business of GP is workforce development and training. The address of the principal business of GP is 6095 Marshalee Drive, Suite 300, Elkridge, Maryland 21075. The address of the principal office of GP is 777 Westchester Avenue, Fourth Floor, White Plains, New York 10604. During the last five years, neither Feldman nor Greenberg has been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws. Feldman and Greenberg are each citizens of the United States.

### Item 3. Source and Amount of Funds or Other Consideration

On January 1, 1994, pursuant to a Consulting Agreement between the Company and Feldman, the Company, which was then a wholly owned subsidiary of GP, granted Feldman options to purchase 250,000 shares of Common Stock. At the same time, GP granted Feldman options to purchase 250,000 shares of Common Stock owned by GP. Both options expired unexercised.

On July 1, 1994, the Company granted Greenberg options to purchase 75,000 shares of Common Stock, which expired unexercised.

On August 5, 1994, GP distributed to its stockholders (the "Spin-Off") approximately 46% of the Company, which was then called American Drug Company. Immediately after the Spin-Off, GP owned 7,009,461 shares of Common Stock, approximately 54% of the then outstanding shares.

In the Spin-Off, Feldman received 93,463 shares of Common Stock and warrants to purchase 93,463 shares of Common Stock, members of Feldman's family received 1,173 shares of Common Stock and warrants to purchase 1,173 shares of Common Stock, and Greenberg received 4,150 shares of Common Stock and warrants to purchase 4,150 shares of Common Stock. All such warrants expired unexercised. Feldman disclaims beneficial ownership of the 1,173 shares of Common Stock held by members of his family.

On August 24, 1998, GP sold 1,230,771 shares of Common Stock to the management of GP's wholly owned subsidiary, Five Star Group, Inc. ("Five Star Group"), after which GP owned 5,778,690 shares of Common Stock, approximately 44.4% of the then outstanding shares.

## Edgar Filing: FIVE STAR PRODUCTS INC - Form SC 13D/A

On September 30, 1998, Five Star Group sold substantially all of its operating assets to the Company for approximately \$16,500,000 in cash and a 8% unsecured senior note of the Company in the principal amount of \$5,000,000 (the "Note"). The cash proceeds of this transaction were used to repay Five Star Group's existing short-term borrowings. Also on September 30, 1998, GP sold an additional 918,000 shares of Common Stock to the management of Five Star Group, after which GP owned 4,860,690 shares of Common Stock, approximately 37.3% of the then outstanding shares.

On August 10, 1999, the Company changed its name to Five Star Products, Inc.

The Note was amended in November 2001 to provide for the extension of its maturity date until September 30, 2004. Under a separate Subordination Agreement between GP and the banks providing the Company's \$25,000,000 revolving loan, the Company may make annual cash payments of principal to GP provided the Company achieves certain financial performance benchmarks.

On August 2, 2002, GP exchanged \$500,000 principal amount of the Note for 2,272,727 shares of Common Stock, reducing GP's ownership of the Note to \$4,500,000 principal amount and increasing its ownership of the Common Stock to 7,133,417 shares, approximately 47.5% of the then outstanding shares. The transaction valued the Common Stock at \$0.22 a share, which was at a premium to the market value at that time.

On August 31, 1998, GP entered into a voting agreement (the "Voting Agreement") pursuant to which GP agreed that for a period of three years it would vote its shares of Common Stock (i) such that not more than 50% of the Company's directors will be officers or directors of GP and (ii) on all matters presented to a vote of stockholders, other than the election of directors, in the same manner and in the same proportion as the remaining stockholders of the Company vote. On June 30, 2002, GP and the Company extended the Voting Agreement until June 30, 2004.

On January 1, 2002, the Company granted to each of Feldman and Greenberg options to purchase 150,000 shares of Common Stock at an exercise price of \$0.14 per share. The options vest in equal installments over a five year period, commencing on the date of grant, and expire on January 1, 2007.

On June 27, 2003, July 2, 2003, and July 7, 2003, the Company made principal payments on the Note in the amounts of \$500,000, \$300,000, and \$200,000, reducing the outstanding principal amount of the Note to \$3,500,000.

On October 8, 2003, GP exchanged \$500,000 principal amount of the Note for 2,000,000 shares of Common Stock, reducing GP's ownership of the Note to \$3,000,000 principal amount and increasing its ownership of the Common Stock to 9,133,417 shares, approximately 53.9% of the then outstanding shares.. In consideration for GP agreeing to exchange at a price of \$0.25 per share, which was more than twice the \$0.11 closing market price of the Common Stock on the day prior to approval of the transaction, the Company agreed to terminate the Voting Agreement between GP and the Company. This transaction may have resulted in a change of control of the Company.

Item 4. Purpose of Transaction

## Edgar Filing: FIVE STAR PRODUCTS INC - Form SC 13D/A

Please refer to Item 3 for additional information responsive to this Item.

On February 6, 2004, the Company commenced an offer (the "Tender Offer") to repurchase up to 5,000,000 shares of Common Stock, at a price of \$0.21 per share, which was 38% of the closing price of the Common Stock on the day prior to the approval of the Tender Offer. If the Company acquires 5,000,000 shares pursuant to the Tender Offer GP's percentage ownership in the Common Stock would increase to approximately 77%.

GP and the Company have entered into an agreement (the "Agreement") pursuant to which, provided that at least 3,750,000 shares of Common Stock are purchased by the Company pursuant to the Tender Offer, GP will exchange for

Common Stock, as soon as legally permissible following termination of the Tender Offer, a sufficient principal amount of the Note at the same price that the Company is paying to its stockholders in the Tender Offer to allow GP to increase its ownership to at least 80% of the Common Stock.

If GP increases its ownership to at least 80% of the Common Stock, the Company would become, for federal tax purposes, part of the affiliated group of which GP is the common parent. As a member of such affiliated group, the Company would be includable in GP's consolidated federal income tax returns, its taxable income or loss will be included as part of the taxable income or loss of the affiliated group, and any taxable income of the Company so included may be offset by the consolidated net operating losses of the affiliated group.

As part of the Agreement, GP and the Company also have agreed to enter into a tax sharing agreement pursuant to which the Company will make tax sharing payments to GP once the Company becomes a member of the consolidated group in an amount equal to 80% of the amount of taxes it would have paid if it filed separate consolidated tax returns for itself and its subsidiaries but did not pay as a result of being included in the GP affiliated group. If such an agreement had been in effect in effect for 2002 and if the Company were part of the GP affiliated group for all of 2002, it would have made tax sharing payments of \$214,000 as compared to the tax payments of \$267,000 it actually made.

In July 2002, GP announced that it was actively considering a spin-off of certain of its non-core assets into a separate corporation named National Patent Development Corporation ("NPDC"). If the spin-off occurs, it is contemplated that the Note and any Common Stock owned by GP would be spun-off to NPDC and that the Agreement would be assigned by GP to NPDC. There can be no assurance that the spin-off will be consummated.

Except as set forth above, each Filing Person does not have any plans or proposals of the nature described in Items (a) through (j) of Item 4 of Schedule 13D.
