Item 2.01 Completion of Acquisition or Disposition of Assets.

In July 2002, the Board of Directors of GP Strategies Corporation (the Company) approved a spin-off of certain of its non-core assets into a separate corporation, National Patent Development Corporation (NPDC). The separation of these businesses was accomplished through a pro-rata distribution (the Distribution) of 100% of the outstanding common stock of NPDC to the Company's stockholders on the record date of the Distribution. Holders of record, on November 18, 2004, of GP Strategies common stock and Class B capital stock received one share of NPDC common stock for each share of GP Strategies common stock or Class B capital stock owned. Shares of NPDC common stock were distributed on November 24, 2004 and are traded publicly under the symbol "NPDV" beginning November 26, 2004.

Previously, NPDC was incorporated on March 10, 1998 as a wholly owned subsidiary of the Company. On March 21, 2003, the Internal Revenue Service issued a favorable tax ruling, which would enable the Distribution to be tax-free. On February 12, 2004, NPDC was recapitalized whereby the authorized capital was changed to 10,000,000 shares of preferred stock and 30,000,000 shares of common stock. On July 30, 2004, the Company contributed the following non-core assets to NPDC in exchange for 17,769,919 shares of common stock:

1. 100% of the outstanding common stock of MXL Industries, Inc (MXL).
2. 9,133,417 common shares of Five Star Products, Inc. (Five Star) (a publicly traded corporation) representing an ownership interest of approximately 64%.
3. 293,271 common shares of Millennium Cell Inc. (a publicly traded corporation).
4. 1,067,900 common shares of Avenue Entertainment Group, Inc. (a publicly traded corporation).
5. 100% of the common stock of JL Distributors, Inc. whose sole asset is a \$2,800,000 senior unsecured 8% note receivable from Five Star due June 30, 2005, as amended.
6. An option to acquire 500,000 shares of common stock (an approximate 4% interest) of Red Storm Scientific Inc., a privately held company.
7. Approximately 1,000 acres of undeveloped real property located in Pawling, New York.
8. 100% of the common stock of Chestnut Hill Reservoir Company whose sole asset is certain undeveloped property located in East Killingly, Connecticut.

NPDC then transferred all of the above assets, excluding the MXL stock, to MXL for additional MXL stock. Prior to the contribution, NPDC was inactive and had no operations. In addition, on July 30, 2004, the Company made a cash capital contribution to NPDC, which was immediately transferred to MXL, of \$1,250,000 and agreed to make an additional capital contribution to NPDC out of certain proceeds of pending litigation and arbitration claims. The Company transferred an additional \$625,000 in cash prior to the Distribution.

After the spin-off became effective, the Company's business is comprised of its training and workforce development business operated by General Physics Corporation and its simulation business operated by GSE Systems, Inc. NPDC is a stand-alone public company owning all of the stock of MXL, the interest in Five

Star and certain other non-core assets, previously described. Effective with the spin-off, the historical results of NPDC's operations will be presented as discontinued operations.
