Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 26, 2015, the Compensation & Human Resources Committee (the “Committee”) of the Board of Directors of First Commonwealth Financial Corporation (the “Company”) approved the 2015 Annual Incentive Plan (“AIP”), the 2015-2017 Long-Term Incentive Plan (“LTIP”) and awards under the AIP and LTIP to the Company’s executive officers. A summary of the material terms of the AIP and LTIP follows.

Annual Incentive Plan

Under the AIP, each named executive officer has the opportunity to receive cash and restricted shares of common stock having a value equal to a percentage of his or her base salary subject to the attainment of corporate performance goals and, in the case of risk management executives, an individual performance component, during the 2015 fiscal year.

The performance goals under the AIP and their weightings are as follows:

| Measure | CEO & Other Participant Weightings | Risk Management Participant Weightings ¹ |
|----------------------------------|------------------------------------|---|
| ROA | 25% | 15% |
| EPS | 50% | 40% |
| Efficiency Ratio | 25% | 15% |
| Individual performance component | N/A | 30% |

¹ Risk Management participants includes the Chief Credit Officer, Chief Risk Officer and Chief Audit Executive.

The AIP establishes “threshold,” “target” and “superior” levels of performance for each goal and a target award opportunity that is expressed as a percentage of the participant’s base salary. Performance at the threshold level results in a payout equal to 25% of the target award; performance at the target level results in a payout equal to 100% of the target award; and performance at the superior level results in a payout equal to 150% of the target award. Payout percentages are interpolated if actual corporate performance for a goal falls between threshold and target or between target and superior levels. In addition, the Committee has the discretion to increase or decrease an executive’s incentive payment by up to 25 percentage points, not to exceed the maximum payout of 150% of target.

The following table sets forth the estimated target award for each named executive officer under the AIP:

| Officer | Target Award |
|----------------------|--------------|
| T. Michael Price | \$222,870 |
| James R. Reske | \$124,950 |
| Jane Grebenc | \$127,449 |
| I. Robert Emmerich | \$70,227 |
| Norman J. Montgomery | \$66,976 |

Awards under the AIP will be paid in cash up to the target award amount and shares of restricted stock for any portion of the award in excess of the target award amount. The shares of restricted stock would vest on December 31, 2016, subject to accelerated vesting under certain circumstances.

Long-Term Incentive Plan

Under the LTIP, each participating executive is awarded performance-based restricted stock units (RSUs), which will vest based on the attainment of corporate performance goals during a three-year performance period beginning January 1, 2015 and ending December 31, 2017. The performance goals and their weightings are as follows:

| Goal | Weighting |
|--|-----------|
| Cumulative EPS for 2015 through 2017 | 50% |
| Total Return to Shareholders relative to peers | 50% |
| Total: | 100% |

The LTIP establishes “threshold,” “target” and “superior” levels of performance for each goal and a target award opportunity that is expressed as a number of shares. Performance at the threshold level results in a payout equal to 40% of the target award; performance at the target level results in a payout equal to 100% of the target award; and performance at the superior level results in a payout equal to 200% of the target award. Share awards are interpolated if actual corporate performance for a goal falls between threshold and target or between target and superior levels. The target share awards for the named executive officers under the LTIP are as follows:

| Officer | Target Performance-Based Share Award |
|----------------------|--------------------------------------|
| T. Michael Price | 25,000 |
| James R. Reske | 14,000 |
| Jane Grebenc | 14,000 |
| I. Robert Emmerich | 8,000 |
| Norman J. Montgomery | 8,000 |
