If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

PART III NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

Section 404 of the Sarbanes-Oxley Act of 2002 and Item 308(a) of Regulation S-K, promulgated by the Securities and Exchange Commission thereunder, require management to provide an annual report on management s assessment of the effectiveness of the Registrant s internal control over financial reporting, beginning with the Registrant s Annual Report on Form 10-K for the fiscal year ended December 31, 2004 (the Form 10-K). Section 404 and Item 308(b) of Regulation S-K also require the registered public accounting firm which audited the Registrant s financial statements included in the Form 10-K, to include an attestation report on management s assessment. As a result of the complex nature of these new requirements, the Registrant and its independent registered public accounting firm, BDO Seidman, LLP (BDO), are still working to complete the evaluations needed to enable management of the Registrant and BDO to provide the required reports. At this time, no material weaknesses (as defined in the Public Company Accounting Oversight Board Auditing Standard No. 2) have been identified by the Registrant. Due to the reasons above, the Registrant is unable to complete and file the Form 10-K by March 16, 2005, without unreasonable effort or expense. A letter from BDO stating the specific reasons why it is unable to provide its report as required by Item 308(b) of Regulation S-K on or before March 16, 2005, is attached to this Notification of Late Filing on Form 12b-25 as Exhibit A.
