EXPLANATORY NOTE

Northeast Utilities (the Company) has prepared and filed this Registration Statement to effect the registration under the Securities Act of 1933, as amended, of common shares of the Company (as defined below) (i) issuable pursuant to awards previously granted under the NSTAR 2007 Long Term Incentive Plan and the NSTAR 1997 Share Incentive Plan (together, the NSTAR Plans), (ii) reserved for grant under the NSTAR 2007 Long Term Incentive Plan and (iii) to be purchased from time to time for participants in the NSTAR Savings Plan, together with an indeterminate amounts of interests to be offered or sold in the NSTAR Savings Plan.

On April 10, 2012, Northeast Utilities completed its previously announced merger with NSTAR. Pursuant to the terms and conditions of the Agreement and Plan of Merger, dated as of October 16, 2010, as amended as of November 1, 2010 and December 16, 2010, by and among Northeast Utilities, NSTAR, NU Holding Energy 1 LLC, a wholly owned subsidiary of Northeast Utilities, and NU Holding Energy 2 LLC, a wholly owned subsidiary of Northeast Utilities, (as amended, the Merger Agreement), NU Holding Energy 1 LLC was merged with and into NSTAR, after which NSTAR was merged with and into NU Holding Energy 2 LLC with NU Holding Energy 2 LLC remaining a wholly owned subsidiary of Northeast Utilities (the Merger). Effective upon the closing of the Merger, the name of NU Holding Energy 2 LLC was changed to NSTAR LLC. Pursuant to the Merger Agreement, Northeast Utilities issued to NSTAR shareholders 1.312 of its Common Shares for each issued and outstanding NSTAR common share.

At the effective time of the Merger, the NSTAR Plans and the NSTAR Savings Plan were assumed by Northeast Utilities. Awards may continue to be granted following the Merger under the NSTAR 2007 Long Term Incentive Plan; however, no additional awards will be granted under the NSTAR 1997 Share Incentive Plan. Accordingly, the Common Shares registered on this Form S-8 will be issuable pursuant to awards previously granted and outstanding under the NSTAR Plans as of the date of the Merger and awards that may be granted in the future under the NSTAR 2007 Long Term Incentive Plan. Any award outstanding under the NSTAR Plans at the effective time of the Merger that was not otherwise settled upon the Merger was assumed by Northeast Utilities and converted into an award referenced by Northeast Utilities Common Shares subject to the same terms and conditions applicable to the corresponding NSTAR award, except that the number of Northeast Utilities Common Shares subject to each such converted award is equal to the product, rounded down to the nearest whole number of Northeast Utilities Common Shares, of: (x) the number of NSTAR common shares subject to the corresponding NSTAR stock option or in respect of the corresponding NSTAR award; and (y) 1.312. The exercise price for each converted option is equal to the applicable per share exercise price for the NSTAR common shares underlying such option, divided by 1.312, rounded up to the nearest whole cent. The Form S-8 also includes 4,000,000 Common Shares to be offered or sold from time to time in connection with the NSTAR Savings Plan.

Item 6.

Indemnification of Directors and Officers.

Article 34 of the Northeast Utilities Declaration of Trust provides that the Trustees, officers, agents or any other representative elected or appointed pursuant to any provision thereof shall not be liable for any act or default on the part of any co-Trustee, or other officer or agent, or for having permitted any co-Trustee or other officer or agent to receive or retain any money or property receivable by the Trustees under the Declaration of Trust, or for errors of judgment in exercising or failing to exercise any of the powers or discretions conferred upon or resting upon them, or for any loss arising out of any investment, or for failure to sue for or to collect any moneys or property belonging to the trust estate, or for any act or omission to act, performed or omitted by them in good faith in the execution of the trusts created under the Declaration of Trust. Each Trustee and every such officer, agent or representative shall be answerable and accountable only for his or her own receipts and for his or her own willful acts, neglects and defaults constituting a breach of trust knowingly and intentionally committed by him or her in bad faith, and not for those of any other, or of any bank, trust company, broker, attorney, auctioneer or other person with whom or into whose hands any property forming part of the trust estate may be deposited or come, or by whom any action relating to the trusts created under the Declaration of Trust may be taken or omitted to be taken; nor shall any Trustee or any such officer, agent or representative be liable or accountable for any defect in title, or for failing to transfer to or vest in the Trustees title to any property or effects for the time being subject to any of the trusts of these presents, or intended or believed to be so subject, or for failing to take out or maintain any or sufficient insurance or for liens or encumbrances upon any such property or effects, or for lack of genuineness or for invalidity of the shares, bonds or other obligations or instruments forming part of or relating to the trust estate, or for any loss, or otherwise, unless the same shall happen through such Trustee's own willful act, neglect or default constituting a breach of trust knowingly and intentionally committed by him or her in bad faith; and the Trustees and each of them and each such officer, agent or representative shall be entitled out of the trust estate to reimbursement for their or his or her reasonable expenses and outlays and to be put in funds and exonerated and indemnified to their or his or her reasonable satisfaction from time to time, against any and all loss, costs, expense and liability incurred or to be incurred by them or him or her in the execution of the trusts created under the Declaration of Trust; and no Trustee, however appointed, shall be obliged to give any bond or surety or other security for the performance of any of his or her duties in the said trusts.

In addition, and without limiting the protection afforded to them, no Trustee, officer, agent or representative shall be liable for monetary damages for breach of fiduciary duty as a Trustee, officer, agent or representative, notwithstanding any provision of law imposing such liability; provided, however, that the provisions of this paragraph shall not be deemed to

II-2

eliminate or limit any liability which such Trustee, officer, agent or representative would otherwise have under the provisions of the Declaration of Trust (1) for any breach of such person's duty of loyalty to the association or its shareholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or (3) for any transaction from which such person derived an improper personal benefit.

Article 34 of the Declaration of Trust also provides that we shall indemnify each of its Trustees and officers against all losses, liabilities and expenses, including amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees, imposed upon or reasonably incurred by such person in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which such person may be involved or with which such person may be threatened, while in office or thereafter, by reason of such person's being or having been such a Trustee or officer, except with respect to any matters as to which such person shall have been finally adjudicated not to have acted in good faith in the reasonable belief that his or her acting was in the best interests of the Company. The Declaration of Trust provides, however, that as to any matter disposed of by a compromise payment by such Trustee or officer, pursuant to a consent decree or otherwise, no indemnification either for said payment or for any other expenses shall be provided unless a determination is made that indemnification of the Trustee or officer is proper under the circumstances because such Trustee or officer acted in good faith in the reasonable belief that such person's acting was in the best interest of the association. Such determination shall be made (1) by the Board of Trustees by a majority vote of a quorum consisting of Trustees who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable, or, even if obtainable, such a quorum so directs, by independent legal counsel in a written opinion, or (3) by the shareholders.

In performing their duties, any such Trustee or officer who acts in good faith shall be fully protected in relying upon the books of account of the association or of another organization in which he or she serves as contemplated by the Declaration of Trust, reports, opinions and advice to the association or to such other organization by any of its officers or employees or by counsel, accountants, appraisers or other experts or consultants selected with reasonable care or upon other records of the association or of such other organization.

Expenses incurred by any Trustee or officer with respect to any action, suit or proceeding as described above may be paid or advanced by the association prior to the final disposition of such action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Trustee or officer to repay such amount if upon final disposition thereof he or she shall not be entitled to indemnification.

The rights of indemnification provided by the Declaration of Trust are not exclusive of or affect any other right to which any Trustee or officer may be entitled and all such rights shall inure to the benefit of such person's heirs, executors, administrators and other legal representatives. Such other rights shall include the powers, immunities and rights of reimbursement which would be allowable under the laws of the Commonwealth of Massachusetts. We also maintain an insurance policy that insures Trustees and officers against certain liabilities.

Item 9.

Undertakings.

The undersigned Registrant hereby undertakes:

(1)

To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i)

To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii)

To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereto) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

II-4

(iii)

To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2)

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4)

That, for purposes of determining any liability under the Securities Act of 1933, each filing of such Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of each Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a Registrant of expenses incurred or paid by a director, officer or controlling person of such Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, each Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
