 These options were granted under the Company's 2002 Stock Option Plan. The Plan sets forth certain earlier expiration dates upon the option holder's termination of employment or cessation of Board service, as the case may be. In addition, the exercisability of outstanding options may be accelerated as approved by the committee administering the Plan, and will be accelerated upon the occurrence of certain specified "change in control" events, in which case the options will be automatically purchased by the Company at a defined acceleration price.
