January 19, 2016 - Tony C. McKim, President and Chief Executive Officer of The First Bancorp, Inc., (the “Company”) (Nasdaq: FNLC), and its banking subsidiary, The First, N.A., (the “Bank”), announced today that Renee Kelly has been elected to serve as a Director for the Bank and the Company. “On behalf of the Board of Directors and the management team, I welcome Ms. Kelly to The First and look forward to adding her expertise and insight in economic development as we continue to assist and advise our customers in the Bangor region and in our other markets along the coast.”

Ms. Kelly is the director of economic development initiatives for the University of Maine, where she has worked since 1997. Her duties include serving as a liaison to the state’s economic development community and identifying opportunities for the University to partner with national, state, regional and local organizations to improve Maine’s economy. She works directly with innovation-driven businesses to help them realize their potential in the state of Maine.

In addition, she leads the University’s entrepreneurship and innovation support activities including the Foster Center for Student Innovation, which helps students become innovators and entrepreneurs. Ms. Kelly leads UMaine’s efforts in the Innovation Engineering Institute, a collaboration to commercialize its Innovation Engineering curriculum with education institutions worldwide.

Ms. Kelly was a founding member of the leadership team for the Blackstone Accelerates Growth initiative in Maine, which recently transitioned to Maine Accelerates Growth. This initiative seeks to create a thriving ecosystem for entrepreneurship and innovation in Maine that connects high potential growth companies to each other and provides the resources, talent and networks they need to prosper and transform our economy. As part of this effort, Ms. Kelly led the creation of the Innovate for Maine Fellows program, which was given the Maine Development Foundation’s Champion for Attraction, Retention and Engagement award.

“It is an honor to have been elected to the Board of Directors of The First Bancorp. I look forward to sharing my economic development insight, my knowledge of the Bangor region, and my belief in the opportunities for entrepreneurship and business growth in Maine for the benefit of The First Bancorp’s shareholders, employees, customers and communities,” said Kelly.

Prior to joining the university, she developed training products for Manpower of Connecticut, worked for a financial services start-up company in San Diego, CA and served as an aide to then U.S. Representative Olympia J. Snowe. She received her A.B. from Smith College and her M.A. from the University of Maine. She also serves on the boards of several economic development and service organizations, including serving the state as a trustee for the Maine Rural Development Authority and serving as the current board chair for the Bangor Region Chamber of Commerce. She lives in Carmel, Maine with her husband and two sons.
