STOCKHOLDER VOTES REQUIRED

Common Stock

If your shares are held in street name, your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange (NYSE) to vote customers unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. The election of directors (proposal 1A.) and the ratification of Deloitte & Touche LLP as the Company s independent auditors for the fiscal year ending December 31, 2005 (proposal 1B.) are considered routine matters. We encourage you to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the shares entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

A quorum being present, the affirmative vote of a plurality of the votes cast at the Annual Meeting is necessary to elect each of the nominees for director. As discussed above, if your shares are held by your broker in street name, and if you do not vote your shares, your brokerage firm has authority under the rules of the NYSE to vote your unvoted shares held by the firm on proposal 1A. You may vote FOR any or all director nominees and/or WITHHOLD your vote from any or all of the director nominees. Votes that are withheld will not be included in the vote tally for the election of directors and will have no effect on the results of the vote.

Ratification of the selection of Deloitte & Touche as the Company s independent auditor for 2005 requires the affirmative vote of a majority of all the shares present or represented at the Annual Meeting and entitled to vote on the proposal. As discussed above, if your shares are held by your broker in street name, and if you do not vote your shares, your brokerage firm has authority under the rules of the NYSE to vote your

Edgar Filing: PERINI CORP - Form DEF 14A

unvoted shares on proposal 1B. If you vote to ABSTAIN on proposal 1B., your shares will not be voted in favor of such proposal, although your shares will be considered to have been entitled to vote on the proposal. As a result, voting to ABSTAIN on proposal 1B. has the effect of voting AGAINST such proposal.

Preferred Stock

Assuming a quorum is present, the Depositary will vote the number of shares of the Preferred Stock for a nominee represented by the number of Depositary Shares instructed to be voted for that nominee. Under the terms of the Deposit Agreement, in the absence of specific instructions from a holder of Depositary Shares, the Depositary will abstain from voting to the extent of the Preferred Stock represented by the Depositary Shares of such holder. The two Preferred Director nominees for whom the greatest number of shares of Preferred Stock is voted by the Depositary will be elected as the Preferred Directors.

-2-

A holder of Depositary Shares may revoke an Instruction Card given with respect to the Election of Preferred Directors any time before it is voted by written notice to our Secretary, by the subsequent execution and delivery of an Instruction Card bearing a later date or by voting in person at the Annual Meeting.

STOCKHOLDER PROPOSALS FOR 2006 ANNUAL MEETING

Any proposal of a stockholder submitted pursuant to Exchange Act Rule 14a-8 for inclusion in the Company's statement and form of proxy for its 2006 Annual Meeting of Stockholders must be received by the Company on or before December 20, 2005 in order to be considered for inclusion in its proxy statement and form of proxy. Such proposals must comply with the requirements as to form and substance established by the SEC if such proposals are to be included in the proxy statement and form of proxy. Any such proposal should be mailed to: Perini Corporation, 73 Mt. Wayte Avenue, Framingham, Massachusetts 01701-9160, Attn: Clerk.

Any proposal of a stockholder intended to be presented at the Company's 2006 Annual Meeting of Stockholders, other than stockholder proposals submitted pursuant to Exchange Act Rule 14a-8, must be received by us for inclusion in the proxy statement and form of proxy for that meeting not earlier than November 20, 2005, nor later than March 5, 2006. The Company is a party to a Shareholders Agreement with National Union Fire Insurance Company of Pittsburgh, Pa., Tutor-Saliba Corporation, O&G Industries, Inc., PB Capital Partners, LP and The Union Labor Life Insurance Company acting on behalf of its Separate Account P, or ULLICO. Under this agreement, Tutor-Saliba, O&G, PB Capital and ULLICO were given the right to designate one director each for election to the Board of Directors. The Company agreed to nominate such individuals for election or appointment to its Board of Directors at the earliest possible time, to use its best efforts to cause such persons to be elected to the Board, and to renominate each such person (or other person as may be designated by Tutor-Saliba, O&G, PB Capital or ULLICO) at such time as he or she is required to stand for reelection to the Board. The right to designate a person to be elected as a director terminates in the case of O&G and Tutor-Saliba when such stockholder and its permitted transferees own less than 25% of the common stock purchased by such stockholder in our March 2000 recapitalization, and in the case of PB Capital and ULLICO, when such stockholder and its permitted transferees own less than 5% of the outstanding shares of our common stock. Each of National Union, PB Capital and ULLICO also were given certain observer rights on the

Board until such time as it ceases to own 2.5% of the outstanding shares of common stock. Each party to the Shareholders Agreement has agreed to vote all of its shares in favor of the directors designated by each of the other parties thereto.

Pursuant to this agreement, Tutor-Saliba has designated Ronald N. Tutor as its director nominee, O&G has designated Raymond R. Oneglia as its director nominee, and PB Capital has designated Michael R. Klein as its director nominee. ULLICO owns less than 1% of our common shares, and as a result, is no longer entitled to observer rights or the right to nominate a director.

The Corporate Governance and Nominating Committee of our Board of Directors has recommended Peter Arkley, James A. Cummings and Raymond R. Oneglia for election as Class III Directors. Unless otherwise noted thereon, proxies solicited hereby will be voted for the election of Messrs. Arkley, Cummings and Oneglia as Directors to hold office until the 2008 Annual Meeting of Stockholders and until their successors are chosen and qualified. The Board of Directors does not contemplate that any nominee will be unable to serve as a Director for any reason but if that should occur prior to the meeting, proxies solicited hereby may be voted either for a substitute nominee designated by the Board or recommended by the Corporate Governance and Nominating Committee, or the Board may determine to reduce the number of Directors.

The Board recommends a vote FOR the election of each of the Class III nominees for election as Directors.

LEGAL PROCEEDING INVOLVING DIRECTOR

On October 15, 2002, Frederick Doppelt, Arthur I. Caplan and Leland D. Zulch filed a lawsuit individually, and as representatives of a class of holders of our Depositary Shares against certain current and former directors of Perini in the United States District Court for the District of Massachusetts. Mr. Doppelt is a current director of Perini, Mr. Caplan is a former director of Perini and Mr. Zulch is a current Preferred Director nominee. Specifically, the original complaint alleged that the defendants breached their fiduciary duties owed to the holders of the Depositary Shares and to Perini. The plaintiffs principally allege that the defendants improperly authorized the exchange of Series B Preferred Stock for common stock while simultaneously refusing to pay accrued dividends due on the Depositary Shares.

In July 2003 the plaintiffs amended their complaint to add an allegation that the defendants have further breached their fiduciary duties by authorizing a tender offer for the purchase of up to 90% of the Depositary Shares and an allegation that the collective actions of the defendants constitute unfair and deceptive business practices under the provisions of the Massachusetts Consumer Protection Act (MCPA). In April, 2004 the Court dismissed the claim under the MCPA and the claim for breach of fiduciary duty as it relates to the tender offer.

On November 30, 2004, Perini announced that the parties had reached an agreement for settlement of the lawsuit. Under the terms of the settlement which is subject to Court approval, Perini will purchase all of the Depositary Shares which participate in the settlement at a price per share of \$19.00 in cash and one share of Perini common stock. The named plaintiffs have agreed to support the settlement. There are currently 559,273 Depositary Shares outstanding. In the event that fewer than 200,000 Depositary Shares participate in the settlement, Perini may terminate the settlement agreement, at which point the parties would revert to their previous positions in the litigation. The settlement provides that Frederick Doppelt will resign as a director of Perini upon Court approval of the settlement.

THE AUDIT COMMITTEE REPORT

Pursuant to rules adopted by the SEC designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of the Company's Board of Directors submits the following report.

The primary duties and responsibilities of the Audit Committee (the Committee), which met eight times during the past fiscal year, are to oversee:

1. The integrity of the Company's internal controls, financial systems and financial statements;
2. Compliance by the Company with legal and regulatory requirements; and
3. The independence and performance of both the Company's internal and external auditors.

We meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We discuss these matters with the Company's independent auditors and with appropriate Company financial personnel and internal auditors.

We meet privately with both the independent auditors and the internal auditors, as required, each of whom has unrestricted access to the Committee.

We also appoint the independent auditors and review periodically their performance and independence from management. As in prior years, the independent auditors are invited to be present at our Annual Meeting of Stockholders.

The Directors who currently serve on the Committee meet the independence and experience requirements of the New York Stock Exchange, and have been so affirmed by the Board. In connection therewith, the Board of Directors has determined that none of us has a relationship to Perini Corporation that may interfere with our independence from the Company and its management. The Board of Directors has designated Willard W. Brittain Jr. as the Audit Committee Financial Expert, based in part on review of his qualifications.

The Board has adopted a written charter setting forth the duties and responsibilities the Committee is to perform, which we review annually and revise as appropriate.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discuss with us any issues they believe should be raised with us.

-14-

This year, we reviewed the Company's audited financial statements and met with both management and Deloitte & Touche LLP, the Company's independent auditors, to discuss those financial statements. Management has represented to us that the financial statements were prepared in accordance with accounting principles generally accepted in the United States.

We have received from and discussed with Deloitte & Touche LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. These items relate to that firm's independence from the Company.

Fees Paid to Audit Firm

During the years ended December 31, 2004 and 2003, we retained Deloitte & Touche LLP to provide services in the following categories and amounts:

	2004	2003
	-----	-----
Audit Fees	\$ 1,165,323	\$ 469,300

Edgar Filing: PERINI CORP - Form DEF 14A

Audit Related Fees	\$ -	\$ 41,650
Tax Fees:		
Compliance	\$ 451,120	\$ 275,000
All Other Fees	\$ -	\$ -

The Committee has considered the nature of the other services provided by Deloitte & Touche LLP and concluded they are compatible with maintaining the auditors' independence. Annually, at the time we engage the auditors, we review the tasks to be performed by the independent auditors and pre-approve the related fees, as outlined in our Charter.

We also discussed with Deloitte & Touche LLP any matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees.

Based on these reviews and discussions, we recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

THE COMPENSATION COMMITTEE REPORT

During 2004, the Compensation Committee of the Board of Directors of the Company consisted of three Directors, each of whom is independent under the rules of the New York Stock Exchange. The principal powers and duties of the Compensation Committee as established by the Board of Directors are:

1. To review the Executive Compensation programs and policies and to employ outside expert assistance, if required, to analyze Company compensation practices to assure that they are consistent with corporate goals and objectives, and competitive with those of comparable firms in the construction industry;
2. To recommend to the Board of Directors for its approval the base compensation of the Chairman and Chief Executive Officer and to review and approve the salary recommendations of the Chairman and Chief Executive Officer with respect to other members of top management;
3. To recommend to the Board of Directors annual profit and other targets for the Company for the purpose of determining incentive compensation awards under the provisions of the Amended and Restated General and Construction Business Unit Incentive Compensation Plans (the "Incentive Compensation Plan"); and
4. To administer the Incentive Compensation Plan and the Stock Option Plans; such administration includes power to (i) approve Participants' participation in the Plan, (ii) establish performance goals, (iii) determine if and when any bonuses shall be paid, (iv) pay out any bonuses, in cash or stock or a combination thereof, as the Committee shall determine from year to year, (v) construe and interpret the Incentive Compensation Plan and the Stock Option Plans, and (vi) establish rules and regulations and perform all other acts it believes reasonable and proper.

Compensation Policy

The Compensation Committee strives to maintain corporate base salaries and the total compensation package appropriate to attract and retain highly qualified executives. This results in base salaries that generally are at the median range of those of other construction companies but allows executives to substantially exceed the median compensation levels when incentive compensation is earned. While recognizing that it may be difficult to find other companies with the same mix of business as the Company, the Committee, nevertheless, believes that a comparison with other construction companies is appropriate. The construction companies used for comparison for compensation purposes may

include but are not limited to some of the companies which make up the construction peer group index shown in the Performance Graph set forth in this proxy statement.

The compensation program for executive officers is composed of three elements: base salaries, annual incentive bonuses and long-term incentive stock awards. These elements of compensation are designed to provide incentives to achieve both short-term and long-term objectives and to reward exceptional performance. Salaries and annual incentive compensation bonuses result in payment for performance and are tied to the achievement of profit and/or cash flow targets. The value of the incentive stock awards depends upon the appreciation in market value of the Company's Common Stock.

-16-

Executive Salary Increases in 2004

Certain members of top management designated as Named Executive Officers in the Summary Compensation Table on page 19 received salary increases in 2004 that ranged from 13% to 20%.

Section 162 (m) of the Internal Revenue Code disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and four other most highly compensated executive officers unless the compensation meets certain criteria. The Compensation Committee has not established policy regarding annual compensation to such executive officers in excess of \$1,000,000. However, to date, no officer of the Company has received compensation that was not tax deductible to the Company.

Compensation of the Chairman and Chief Executive Officer

Our Chairman and Chief Executive Officer, Ronald N. Tutor, is generally compensated for his services under a management services contract between Perini and Tutor-Saliba Corporation, a company of which Mr. Tutor is the Chief Executive Officer and sole stockholder. Payments under this agreement were made at an annual rate of \$250,000 in 2003 and \$375,000 in 2004 until the fourth quarter when the Committee adjusted the annual rate to \$800,000 based upon the results of an executive compensation study commissioned by the Committee from a nationally recognized consulting firm. In addition, Tutor-Saliba was awarded \$800,000 in incentive compensation for 2004 under the management services contract, and Mr. Tutor was awarded 150,000 shares of common stock, to be vested according to the terms of a Retention Incentive Agreement.

The Incentive Compensation Plan of the Company

The Incentive Compensation Plan is an integral part of the total compensation package of the Chairman and Chief Executive Officer, as well as the five executives whose salaries were reviewed by the Compensation Committee in 2004 and approximately 63 other employees of the Company. Eligibility and designated levels of participation are determined by the Compensation Committee. Eligibility to participate under the Incentive Compensation Plan is limited to individuals who are executives, managers and key employees of the Company and its wholly owned subsidiaries, whose duties and responsibilities provide them the opportunity to (i) make a material and significant impact on the financial performance of the Company; (ii) have major responsibility in the control of the corporate assets; and (iii) provide critical staff support necessary to enhance operating profitability.

Under the terms of the Incentive Compensation Plan, participants can achieve incentive compensation awards ranging from zero to as much as 100% of base salary, which depends on the achievement of certain corporate goals. In addition, the Committee has the authority, when appropriate, to make certain discretionary incentive compensation awards. In 2004, the corporate goals under the Plan were based upon achievement of our pretax income target for the year.

No sums attributed to a participant in the Incentive Compensation Plan become vested until the Compensation Committee approves the payment, usually in March following the year earned.

-17-

In 2005, the Committee authorized the payment of \$5,975,400 of incentive compensation payments for 2004 operations to 69 participants. Payment of incentive compensation awards for 2004 performance were paid 100% in cash.

The 2004 Stock Option and Incentive Plan

Our Board of Directors, believing that stock-based awards can play an important role in the success of Perini, adopted the 2004 Stock Option and Incentive Plan, which was then approved by the shareholders. Awards under the Plan may be in the form of stock options, stock appreciation rights, restricted stock awards, unrestricted stock awards, deferred stock awards or dividend equivalent rights. Eligibility,

participation and vesting are determined by the Compensation Committee. No distributions are made under the Plan until the Compensation Committee reviews and approves the distribution.

In 2004, the Committee authorized the granting of 150,000 restricted stock units and 150,000 shares of common stock to two individuals which will vest in 2005 and 2006, subject to the terms of the individual agreements. See Summary Compensation Table on page 19.

Incentive Compensation Plans

We have an incentive compensation plan for certain employees at the corporate level (The Perini Corporation Amended and Restated (2004) General Incentive Compensation Plan), or corporate plan, and an incentive compensation plan for certain employees at the business unit level (The Perini Corporation Amended and Restated (2004) Construction Business Unit Incentive Compensation Plan), or business unit plan. Under these plans, eligibility and designated levels of participation are determined by our Compensation Committee. Eligibility to participate under the corporate plan is limited to individuals who are executives, managers and key employees at the corporate level and eligibility to participate under the business unit plan is limited to individuals who are managers and key employees at our construction business unit level.

Under the terms of the plans, participants can receive incentive compensation awards ranging from zero to as much as 100% of base salary. In addition, the Compensation Committee has the authority, when appropriate, to make certain discretionary incentive compensation awards. Awards are based on established corporate goals, levels of achievement of these goals and the base salaries and individual bonus limits assigned to the participants. The actual incentive compensation amounts available to participants at a business unit are based on the level of achievement of the corporate goal applied to the profit generated by that business unit. For 2005, the corporate goals under the plan are based on pretax income. No amounts

attributed to a participant in the plans become vested until the Compensation Committee approves the payment, usually in March following the year earned. Incentive compensation for the Named Executive Officers is included in the Summary Compensation Table under the Bonus column.

401(k) Plan

We have a tax-qualified Section 401(k) Retirement Plan covering all of our executive, professional, administrative and clerical employees who are over 21 years of age and who have completed three months of service with us. Under the 401(k) plan, participants may elect to defer a portion of their compensation on a pre-tax basis and have it contributed to the plan. In addition, we make employer contributions into the 401(k) plan based on a non-discretionary match of employees contributions, as defined, since 2002. Prior to 2002, our contribution to the 401(k) plan was based on a specified level of profits, subject to certain limitations, as well as approval by our Board of Directors of any discretionary

contributions.

The approximately twenty companies included in the Construction Peer Group were selected by the appropriate construction-related Standard Industrial Classification Codes (or SIC Codes). Perini's common stock moved from the AMEX to the NYSE effective April 1, 2004.

The comparison of total return on investment (change in year-end stock price plus reinvested dividends) for each of the periods assumes that \$100 was invested on January 1, 2000, in each of Perini, the NYSE Market Value Index, the AMEX Market Value Index and the Construction Peer Group, with investment weighted on the basis of market capitalization.

Directors' Compensation

Fees for our outside directors consisted of an annual retainer fee of \$25,000, plus \$900 per Board meeting attended in person and \$300 per meeting attended telephonically. Members of the Audit Committee received \$2,000 per meeting attended in person; \$500 per meeting attended telephonically. The Audit Committee Chair receives an additional retainer of \$10,000. Members of the Compensation and Corporate Governance and Nominating Committees received a fee of \$900 per meeting attended in person; \$300 per telephonic meeting. Ronald N. Tutor, our Chairman and Chief Executive Officer, has opted to receive no director fees since he is party to a management agreement described in "Certain Transactions" below.

Director and Officer Indemnification

Our charter provides that no director shall be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for any breach of the director's duty of loyalty to us or our stockholders, for acts or omissions not in good faith, for acts or omissions involving intentional misconduct or a knowing violation of law or for any transaction from which the director derived an improper personal benefit. Our bylaws provide that our directors and officers will be indemnified against liabilities that arise from their service as directors and officers, subject to certain exceptions. We have entered into agreements with our directors and officers that also provide for such indemnification and expenses and liability reimbursement. We have obtained insurance which insures our directors and officers against certain losses and which insures us against our obligations to indemnify our directors and officers.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of our executive officers serves as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of our Board of Directors or Compensation Committee. During 2004, we participated in certain joint ventures with O&G Industries, Inc., of which Raymond R. Oneglia, a member of the Compensation Committee, is Vice Chairman of the Board of Directors. Our share of these joint ventures contributed \$34.7 million to our consolidated revenues for the year ended December 31, 2004.

CERTAIN TRANSACTIONS

We believe that the transactions described below were on terms that were at least as favorable to us as we would have expected to negotiate with other unaffiliated third parties at the point in time these transactions were consummated.

Tutor-Saliba Management Agreement

In January 1997, we entered into a management agreement with Tutor-Saliba, a California corporation engaged in the construction industry, and Ronald N. Tutor, chief executive officer and sole stockholder of Tutor-Saliba, to provide certain management services. The management agreement has been renewed annually by our Compensation Committee, which consists entirely of independent directors, under the same basic terms and conditions as the initial agreement except that the amount of the fee payable thereunder by us to Tutor-Saliba was increased effective January 1, 2000, from \$150,000 to \$250,000 per year and effective January 1, 2004, from \$250,000 to \$375,000 per year. In the fourth quarter of 2004, the Compensation Committee increased the fee to \$800,000 based on the findings of an executive compensation study commissioned from a nationally recognized independent consulting firm. Effective

December 31, 2001, Mr. Tutor was included as a participant in our incentive compensation plan. Since January 17, 1997, Mr. Tutor has been a member of our Board of Directors and an officer of Perini and effective July 1, 1999 was elected Chairman of our Board of Directors and effective March 29, 2000 was elected Chairman and Chief Executive Officer.

Joint Ventures

Tutor-Saliba Joint Ventures

Edgar Filing: PERINI CORP - Form DEF 14A

Historically, we have participated in joint ventures with Tutor-Saliba both on a sponsored and a non-sponsored basis and currently participate in certain joint ventures with them, our share of which contributed \$37.2 million to our consolidated revenues for the year ended December 31, 2004.

In late 2002, we entered into an arrangement with Tutor-Saliba whereby Tutor-Saliba provided a financial guarantee in order for us to secure a performance and payment bond on a building project with an estimated contract value of approximately \$135 million. As compensation for the financial guarantee, we paid Tutor-Saliba a fee of \$1.0 million in February 2003.

O&G Joint Ventures

We also participated in certain joint ventures with O&G Industries, Inc., of which Raymond R. Oneglia, a director of Perini, is Vice Chairman of the Board of Directors. Our share of these joint ventures contributed \$34.7 million to our consolidated revenues for the year ended December 31, 2004.

AIG Relationship

National Union Fire Insurance Company of Pittsburgh, Pa., a wholly owned subsidiary of AIG, is one of our sureties and a provider of insurance and insurance related services to us. Payments to AIG for surety, insurance and insurance related services approximated \$8.8 million for the year ended December 31, 2004. The quality and cost of insurance services rendered are reviewed on an annual basis and competitive bids are obtained when deemed appropriate.

Potential Settlement with Preferred Shareholders

On October 15, 2002, Frederick Doppelt, Arthur I. Caplan and Leland D. Zulch filed a lawsuit individually, and as representatives of a class of holders of our Depositary Shares against certain current and former directors of Perini in the United States District Court for the District of Massachusetts. Mr. Doppelt is a current director of Perini, Mr. Caplan is a former director of Perini and Mr. Zulch is a current Director Nominee.

On November 30, 2004, Perini announced that the parties had reached an agreement for settlement of the lawsuit. See "Legal Proceeds Involving Director", page 10. The settlement, which is subject to Court approval, provides that Frederick Doppelt will resign from his position as a director of Perini upon Court approval of the settlement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our Executive Officers and Directors, and persons who own more than 10% of a registered class of Perini's equity securities (collectively, "Insiders"), to file reports of ownership and changes in ownership with the SEC. Insiders are required by SEC regulations to furnish Perini with copies of all Section 16(a) reports they file. Based solely upon a review of the copies of such reports furnished to us, we believe that during 2004 all Section 16(a) filing requirements applicable to its Insiders were met.

1B.

RATIFICATION OF APPOINTMENT OF AUDITORS

Upon recommendation of the Audit Committee, the Board has appointed the firm of Deloitte & Touche LLP, independent registered public accountants, as our auditors for the fiscal year ending December 31, 2005. Although stockholder ratification is not required, the Board has determined that it would be desirable to request an expression from the stockholders as to whether or not they concur with the foregoing appointment. Representatives of Deloitte & Touche LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and will be available to answer appropriate questions.

If the stockholders should fail to ratify the selection of auditors, the Audit Committee will designate auditors as required under the rules of the Exchange Act and in accordance with its charter.

The Board recommends a vote FOR ratification of the appointment of Deloitte & Touche LLP as independent auditors for Perini for the fiscal year ending December 31, 2005.

OTHER MATTERS

Except for the election of the Preferred Directors discussed on pages 6 - 7, and elsewhere in this Proxy Statement, the Board of Directors knows of no other matters which are likely to be brought before the meeting. However, if any other matters of which the Board of Directors is not aware are presented to the meeting for action, it is the intention of the persons named in the accompanying form of proxy to vote said proxy in accordance with their judgment on such matters.

Perini will bear the cost of solicitation of proxies. The solicitation of proxies by mail may be followed by telephone or oral solicitation of certain stockholders and brokers.
