(1) These options originally became exercisable in four equal annual installments, commencing June 17, 2005. Effective January 20, 2005, the vesting of all of these options was accelerated. However, shares received upon the exercise of accelerated options are subject to a restriction on transfer (covering sales, gifts, pledges, and any other method of disposition) that remains in effect until the earlier of the original vesting dates of those options or termination of employment for any reason.

(2) These options are fully vested and exercisable as of the grant date. However, shares acquired upon the exercise of these options are subject to a restriction on transfer (covering sales, gifts, pledges, and any other method of disposition). The transfer restriction will lapse on 25% of the shares covered by the grant on each of the first four anniversaries of the grant date. Also, the transfer restriction will lapse in full upon termination of employment for any reason.

(3) These options originally became exercisable in four equal annual installments, commencing November 15, 2002.
