Edgar Filing: PETROLEUM DEVELOPMENT CORP - Form 8-K

The following table sets forth the 2010 annual base salary for each of the executive officers.

| NAME AND POSITION | BASE SALARY |
|---|-------------|
| Richard W. McCullough Chairman and Chief Executive Officer | \$550,000 |
| Gysle R. Shellum Chief Financial Officer | \$275,000 |
| Barton R. Brookman Senior Vice President Exploration and Production | \$290,000 |
| Daniel W. Amidon General Counsel and Secretary | \$260,000 |
| Lance Lauck Senior Vice President Business Development | \$235,000 |

The Committee has previously disclosed the five metrics for the Company's Short-Term Incentive cash bonus program for 2010. These metrics represent the threshold, target and stretch amounts that an executive officer can achieve if he meets the Committee's established performance criteria. The following are percentages of base salary achievable as a Short-Term Incentive cash bonus.

| EXECUTIVE OFFICER | THRESHOLD | TARGET | STRETCH |
|-----------------------|-----------|--------|---------|
| Richard W. McCullough | 0% | 100% | 200% |
| Gysle R. Shellum | 0% | 60% | 100% |
| Barton R. Brookman | 0% | 60% | 100% |
| Daniel W. Amidon | 0% | 55% | 100% |
| Lance Lauck | 0% | 50% | 100% |

The Committee also determined executive officer awards of restricted stock and stock-settled stock appreciation rights ("SARs") for 2010 under the Company's 2004 Long-Term Equity Compensation Plan. The grants of restricted stock were established with four-year ratable annual vesting on April 19 of each year with the first vesting on April 19, 2011.

| EXECUTIVE OFFICER | RESTRICTED STOCK | SARs |
|-----------------------|------------------|--------|
| Richard W. McCullough | 43,566 | 25,371 |
| Gysle R. Shellum | 14,578 | 8,490 |
| Barton R. Brookman | 14,243 | 8,295 |
| Daniel W. Amidon | 13,405 | 7,807 |
| Lance Lauck | 12,567 | 7,319 |

Other restrictions and conditions of the awards include:

• Vesting of any unvested restricted stock and SARs will be accelerated in the event of termination of employment resulting from the death or disability of the executive.

Termination of employment for any reason other than death or disability, by the Company for a reason other than cause or by the executive for good reason, will result in the termination of the right of the executive to any remaining rights to unvested shares of restricted stock or SARs.

Amended and Restated Employment Agreements.

On April 19, 2010, in consideration of the 2010 annual compensation adjustments, each of Messrs. McCullough, Shellum, Brookman, Amidon and Lauck entered into amended employment agreement with the Company (each individually, an "Amended Agreement" and collectively, the "Amended Agreements"). The primary purpose of the Amended Agreements was to provide for a "double trigger" change of control provision in place of the "single trigger," and to make other amendments related thereto.

In April 2009, the Company's Compensation Committee publicly committed to use its best efforts to negotiate with the Company's executive officers to remove any "single trigger" change in control provisions in their employment agreements. A "single trigger" change in control provision permits the executive to terminate his employment for any reason after a change of control and receive a severance benefit. A "double trigger" change in control provision requires that the executive be involuntarily terminated without "Just Cause," as defined in the Amended Agreement, by the Company or the executive terminates his employment with the Company for "Good Reason," as defined in the Amended Agreement.

Each of the Amended Agreements replaced the "single trigger" change of control provision with a "double trigger" change in control provision. The double trigger event has to occur within two years of the date of the change in control in order for the executive officer to receive the severance benefits. The Amended Agreements now provide that in the event the total severance benefit paid to an executive officer exceeds the maximum amount that can be paid without triggering an excise tax under Section 4999 of the Internal Revenue Code, then the amount payable to the executive officer shall be reduced to a level so that no excise tax is payable.

In addition, the Amended Agreement for each of Messrs. McCullough and Amidon (1) eliminated the Company's contractual obligation to provide for reimbursement of medical expenses that are not covered under the Company's medical plan and (2) now require a General Release before severance benefits are paid in the event of the termination of the executive officer by the Company without Just Cause, termination by the executive officer for Good Reason, or termination of the executive officer following a change of control.

The termination date under the Amended Agreements, unless otherwise extended, is December 31, 2011.

The summary of the Agreements in this Current Report on Form 8-K is qualified in its entirety to the full text of the Agreements, the same being attached hereto as Exhibits 10.1 – 10.5 and incorporated herein by reference.
