ITEM 3. INCORPORATION OF DOCUMENTS BY REFERENCE

The following documents filed with the Securities and Exchange Commission (the "Commission") by the Registrant pursuant to the 1933 Act and the Securities Exchange Act of 1934, as amended (the "1934 Act"), are incorporated herein by reference.

- (1) The Registrant's Annual Report on Form 10-K, for the fiscal year ended December 31, 2007.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the 1934 Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein (or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein) modifies or supersedes such statement. ITEM 4. DESCRIPTION OF SECURITIES

Not applicable.

ITEM 5. INTEREST OF NAMED EXPERTS AND COUNSEL

Austin F. Reed, who is opining on the legality of the shares being registered (see Exhibit 5 hereto), is employed by the Registrant as Vice President, General Counsel and Secretary. Mr. Reed holds options to purchase the Registrant's Common Stock and, pursuant to a deferred compensation program, units representing Common Stock of the Registrant.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the Virginia Stock Corporation Act, unless otherwise required by its Amended and Restated Articles of Incorporation, the Company is required to indemnify a director or officer who entirely prevails in the defense of any

proceeding to which he or she was a party because he or she is or was a director or officer of the Company against reasonable expenses incurred in connection with the proceeding. Such Act also authorizes Virginia corporations to provide additional indemnification in certain specified instances. Accordingly, Article VIII of the Amended and Restated Articles of Incorporation of the Company provides that each officer, director or employee of the Company shall be entitled to indemnity, including indemnity with respect to a proceeding by or in the right of the Company, to the fullest extent required or permitted under the provisions of the Virginia Stock Corporation Act as in effect from time to time, except for an indemnity against willful misconduct or a knowing violation of the criminal law. Furthermore, the Company is required to promptly pay for or reimburse the reasonable expenses, including attorneys' fees, incurred by an officer, director or employee of the Company in connection with any proceeding (whether or not made a party) arising from his or her status as such officer, director or employee, in advance of final disposition of any such proceeding upon receipt by the Company from such officer, director or employee of (a) a written statement of good faith belief that he or she is entitled to indemnity by the Company and (b) a written undertaking, executed personally or on his or her behalf, to repay the amount so paid or reimbursed if after final disposition of such proceeding it is determined that he or she did not meet the applicable standard of conduct.

Certain executive officers of the Company have indemnification contracts with the Company. The contracts provide indemnification to the same extent as the Company's Amended and Restated Articles of Incorporation and provide for the advancement of attorneys' fees. The Company also has directors' and officers' insurance which protects each director or officer from liability for actions taken in their capacity as directors or officers.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED

ITEM 9. UNDERTAKINGS

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the 1933 Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to The Brink's Company Non-Employee Directors' Equity Plan not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the 1934 Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the 1933 Act to any purchaser:

(i) If the Company is relying on Rule 430B:

(A) Each prospectus filed by the Company pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the 1933 Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the Company is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Company under the 1933 Act to any purchaser in the initial distribution of the securities, the undersigned Company undertakes that in a primary offering of securities of the undersigned Company pursuant to this Registration Statement, regardless of the underwriting method used to sell the

securities to the purchaser, if the securities are offered or sold to such purchaser by means of the following
3

communication, the undersigned Company will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Company or used or referred to by the undersigned Company;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Company or its securities provided by or on behalf of the undersigned Company; and
- (iv) any other communication that is an offer in the offering made by the undersigned Company to the purchaser.

(b) The undersigned Company hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the 1934 Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
