Item 5.02(e). Entry into Employment Agreement with Chief Executive Officer.

On April 28, 2009, the Company entered into a five-year employment agreement with Joseph M. Harary, which was effective as of January 1, 2009 when Mr. Harary was promoted to the position of Chief Executive Officer of the Company. The agreement automatically renews itself for successive one-year terms unless either the Company

or Mr. Harary gives the other at least 90 days prior written notice of the intention not to renew the employment agreement. Pursuant to that agreement, in addition to possible future equity incentive awards granted by the Board of Directors of the Company in their discretion, Mr. Harary received 150,000 shares of restricted stock of the Company which vest monthly over a three-year period (previously reported on Mr. Harary's Form 4 Statement of Changes in Beneficial Ownership in January 2009), and Mr. Harary will receive an annual base salary from the Company of \$425,000, and will be eligible to also earn a bonus based upon the achievement of performance goals established by the Board of Directors for Mr. Harary. Current performance goals for 2009 for Mr. Harary include achievement of targeted revenue levels, strengthening the Company's financial condition, achievement of certain enhanced performance goals for the Company's light-control technology, and the establishment of strategic goals for the entire Company and their efficient implementation and management. Pursuant to his employment agreement, if Mr. Harary's employment is terminated due to his death or disability, Mr. Harary shall be entitled to receive his base salary (less any disability payments) for six months as well as any earned or accrued bonus. If Mr. Harary's employment is not renewed, or is terminated by the Company other than due to death, disability, or for cause (as defined in the agreement) prior to its scheduled expiration date, then Mr. Harary shall also receive his base salary for between one and three years, depending upon the date of such termination. If there is a change in control of the Company, Mr. Harary shall receive his base salary for the longer of three years or the scheduled date of termination of Mr. Harary's employment agreement. Unless vesting is otherwise accelerated under the terms of an equity award (which is usually done in the case of death or disability of an employee), if Mr. Harary's employment is terminated by the Company in breach of his employment agreement or is terminated by Mr. Harary other than for good reason (as defined in the agreement), any unvested equity awards shall also become immediately vested. Pursuant to the employment agreement, Mr. Harary is also entitled to four weeks paid vacation each year, and other fringe benefits generally applicable to other employees of the Company. Under his employment agreement, Mr. Harary has also agreed to certain restrictive covenants including Mr. Harary's agreement not to solicit employees or compete with the Company for a period of two years following the termination of his employment thereunder.

The foregoing description of the employment agreement with Joseph M. Harary does not purport to be complete and is qualified in its entirety by reference to the Employment Agreement, a copy of which is attached as Exhibit 10.51 to this Current Report on Form 8-K and incorporated herein by reference.
