Item 2.02. Results of Operations and Financial Condition.

On November 7, 2005, EMCORE Corporation (the "Registrant" or the "Company") issued a press release disclosing its preliminary financial results for the fiscal 2005 fourth quarter and year ended September 30, 2005. A copy of this press release is attached as Exhibit 99.1 to this Current Report.

The information in this Current Report, including Exhibit 99.1 hereto, shall not be incorporated by reference into any filing of the Registrant, whether made before or after the date hereof, regardless of any general incorporation language in such filing, unless expressly incorporated by specific reference to such filing. Furthermore, the information in this Current Report, including Exhibit 99.1 hereto, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise be subject to the liabilities of that section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended.

In its press release, the Registrant references a non-GAAP financial measure regarding the Company's projected net loss per share, net of transition and closure costs associated with the Company's City of Industry facility. In accordance with applicable regulations, the corresponding GAAP financial measure (projected net loss per basic and fully diluted share) also is included in the press release. A non-GAAP financial measure is a numerical measure of a company's performance that either excludes or includes amounts that are not normally excluded or included in the most directly comparable measure calculated and presented in accordance with GAAP. EMCORE believes that the additional non-GAAP measures are useful to investors for financial analysis. Management also uses these measures internally to evaluate the company's operating performance, and the measures are used for planning and forecasting of future periods. However, non-GAAP measures are not in accordance with, nor are they a substitute for, GAAP measures.

The information set forth above is intended to be furnished under this Item 2.02, "Results of Operations and Financial Condition," and under Item 7.01, "Regulation FD Disclosure."

Item 7.01. Regulation FD Disclosure.

See Item 2.02, "Results of Operations and Financial Condition," above.
