This document is incorporated by reference in the prospectus filed by Telefonica, S.A. pursuant to Rule 424(b)(3) in connection with the merger of Terra Networks, S.A. with and into Telefonica, S.A., file number 333-123162.

NOTICE OF SIGNIFICANT EVENT

Edgar Filing: TELEFONICA S A - Form 6-K

In compliance with article 82 of Spanish Securities Market Law 24/1988, and related provisions, and in order to make it public as the notification of a Significant Event, Telefonica, S.A. hereby informs that its subsidiary Telefonica Moviles, S.A., has presented in the Fourth Investors Conference, held in Barcelona on April the 25th and 26th, its business strategy and perspectives. The information provided contains estimates for the principal financial magnitudes for the period 2004-2008.

These estimates are the following:

TELEFONICA MOVILES GROUP

	Reported 2004 under IFRS (MM \$ in Millions)	CAGR(*) 2004-2008 (%)
Revenues	11,743.7	12% - 16%
Operating Income before D&A	4,577.7	14% - 17%
Operating Income	3,054.7	15% - 19%

(*) CAGR stands for Compounded Annual Growth Rate.

The managed customer Base is estimated to reach over 125 million in 2008, compared to the 74.4 million reported in 2004. Also the Operating Cash Flow for the year 2008 is expected to double the Operating Cash Flow obtained in year 2004 (2,960 MM \$).

The cumulative Operating Income before D&A for the period 2004-2008 is estimated to be over 32,500 MM \$, with a cumulative CAPEX for the same period below 9,500 MM \$, leading to a cumulative Operating Cash Flow for the same period over 23,000 MM \$.

All projections refer to local currency, that is assuming constant exchange rates as of 2004, and exclude changes in consolidation, except the acquisition of BellSouth Chile and BellSouth Argentina in 2005.

In terms of guidance calculation, Operating Income before D&A and Operating Income exclude other exceptional revenues/expenses not foreseeable in 2005-2008. These exceptionals amounted to 102.2 MM \$ in 2004 and are therefore also excluded, meaning a calculation base for guidance of 4,677.9 MM \$ for Operating Income before D&A and 3,154.9 MM \$ for Operating Income, respectively. Personnel Restructuring and Real Estate Programs are included as operating revenues/expenses.

Edgar Filing: TELEFONICA S A - Form 6-K

For a more detailed information regarding the Investors presentation, the full text of the Presentation is accessible through the web page of the company (www.telefonica.es).

Madrid, April 27th 2005

The IFRS financial information provided above is preliminary and is based on the assumptions Telefonica Moviles's management has made regarding the IFRS and related interpretations and policies expected to be in effect when management prepares its first complete set of IFRS financial statements as of December 31, 2005 and for the year then ended, and comparable information in respect of the year ended December 31, 2004. This preliminary IFRS financial information may require adjustment if management's assumptions are different from the IFRS and related interpretations and policies that are in effect when it is required to prepare its first complete set of IFRS financial statements at year-end 2005, and comparable information in respect of the year ended December 31, 2004. These adjustments may be material and may result in significant changes to the IFRS financial information

provided above. Neither Telefonica nor Telefonica Moviles can assure you that when the first complete set of IFRS financial statements at year-end 2005, and comparable information in respect of the year ended December 31, 2004, is prepared, that such information will be comparable with the IFRS financial information provided above or that material adjustments will not be required to be made to such IFRS financial information. For additional information regarding Telefonica Moviles's preparation of preliminary IFRS financial information, see its Form 6-K filed on March 30, 2005.

This document contains statements that constitute forward looking statements, including statements regarding the intent, belief or current expectations of the customer base, estimates regarding future growth in the different business lines and the global business, market share, financial results under IFRS and other aspects of the activity and situation relating to the company.

Such forward looking statements are not guarantees of future performance and involve risks and uncertainties and actual results may differ materially from those in the forward looking statements as a result of various factors.

Analysts and investors are cautioned not to place undue reliance on those forward looking statements which speak only as of the date of this communication. Neither Telefonica nor Telefonica Moviles undertakes any obligation to release publicly the results of any revisions to these forward looking statements which may be made to reflect events and circumstances after the date of this communication including without limitation changes in the company's business or acquisition strategy or to reflect the occurrence of unanticipated events. Analysts and investors are encouraged to consult the periodic and other filings made by Telefonica and Telefonica Moviles with the relevant financial regulatory authorities.
