TELEFONICA, S.A. and TELEFONICA MOVILES, S.A., as provided in article 82 of the Spanish Securities Market Act (Ley del Mercado de Valores), hereby reports the following

SIGNIFICANT EVENT

Pursuant to the provisions of the absorption Merger Plan of TELEFONICA MOVILES, S.A. ("TELEFONICA MOVILES") by TELEFONICA, S.A. ("TELEFONICA") and in accordance with the resolutions passed at the General Shareholders Meetings of both companies held on June 20, 2006 and June 21, 2006, respectively, publication is hereby made of the rules and procedures for the exchange of shares of TELEFONICA MOVILES for shares of TELEFONICA, as well as for the exchange of "American Depositary Shares" (ADSs) of TELEFONICA MOVILES.

I. Rules and Procedure for the Exchange of Shares of TELEFONICA MOVILES for Shares of TELEFONICA

1. Treasury Shares to be Delivered by TELEFONICA

In order to satisfy the merger exchange, TELEFONICA will deliver treasury shares to the shareholders of TELEFONICA MOVILES pursuant to the exchange ratio fixed in the Merger Plan of four (4) shares of TELEFONICA, each having a par value of one (1) Euro, for every five (5) shares of TELEFONICA MOVILES, each having a par value of fifty (0.50) Euro cents, without any additional cash compensation. TELEFONICA will not issue any new shares for such purpose and, therefore, will not increase its share capital as a result of the merger.

By application of the provisions of Section 249 of the Business Corporations Law (*Ley de Sociedades Anónimas*), shares of TELEFONICA MOVILES that are held by TELEFONICA MOVILES, TELEFONICA or other persons acting in their own name but on behalf of these companies will not participate in the exchange and will be cancelled and voided. Given that there are 4,025,120,881 shares of TELEFONICA MOVILES affected by these provisions and that the entirety of its capital stock is represented by 4,330,550,896 shares, the number of shares of TELEFONICA MOVILES that will be involved in the exchange is 305,430,015 shares, each having a par value of fifty (0.50) Euro cents. Based on the foregoing, TELEFONICA will deliver a total of 244,344,012 treasury shares, each having a par value of one (1) Euro, to satisfy the merger exchange pursuant to the exchange ratio mentioned above.

Pursuant to the provisions of the Merger Plan and the resolutions adopted for such purpose at the General Shareholders Meetings of TELEFONICA and TELEFONICA MOVILES, the exchange and delivery of TELEFONICA shares shall be performed automatically in the manner set forth below.

2. Procedure for the Exchange

2.1. Award of Shares of TELEFONICA

Those holders of TELEFONICA M&VILES shares that are recognized in the book-entry records of the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. [Securities Registration, Clearing and Liquidation Systems Management Company] (IBERCLEAR) and entities participating therein on the date of registration of the merger instrument with the Commercial Registry of Madrid shall have the right to receive TELEFONICA shares in accordance with the exchange ratio established for the merger.

It is expected that the merger instrument will be recorded with the Commercial Registry of Madrid on July 29, 2006

and, once the one month period for the opposition of creditors has elapsed and the credits of those who opposed the merger, if any, have been guaranteed, Friday, July 28, 2006 (the "Reference Date") will therefore be the last day of trading on the Spanish stock exchanges for shares of TELEFONICA M&VILES, which shares will be cancelled as a result of the merger.

2.2 Agent Entity

The entities participating in the merger have named Banco Bilbao Vizcaya Argentaria, S.A. (the "Agent Entity") as the entity in charge of all agency duties relating to the exchange, through which ownership of the TELEFONICA M&VILES shares must be substantiated in accordance with the relevant operative rules and through which the procedures, if any, appropriate for the best execution of the exchange must be handled.

2.3. Procedure for the Acquisition of Odd-Lots

Pursuant to the provisions of the Merger Plan, shareholders holding shares that represent a fraction of the number of TELEFONICA M&VILES shares set as the exchange ratio may acquire or transfer shares in order to exchange them in accordance with such exchange ratio. Each shareholder must individually make timely decisions for such purpose to either purchase or sell TELEFONICA M&VILES shares in the market in order to reach the number of TELEFONICA M&VILES shares that are a multiple of five (5).

Without prejudice to the foregoing, and pursuant to the provisions of the Merger Plan, the companies participating in the merger have agreed to establish a mechanism designed to facilitate the exchange with those TELEFONICA M&VILES shareholders who are holders of a number of shares that is not a multiple of five (5). The basic terms and conditions of such mechanism are as follows:

- i. Taking into account that the exchange ratio for the merger is equivalent, in unitary terms, to the delivery of one TELEFONICA for every 1.25 shares of TELEFONICA M&VILES, as of the close of the last session for trading of TELEFONICA M&VILES shares on the Spanish stock exchanges on the Reference Date, each shareholder of TELEFONICA M&VILES who, by application of such unitary exchange ratio of one TELEFONICA share for every 1.25 TELEFONICA M&VILES shares, is entitled to receive a whole number of TELEFONICA shares, and who has an odd-lot residue of less than 1.25 TELEFONICA M&VILES shares, may transfer such residue to the Agent Entity, which will also act as the odd-lot agent (hereinafter, the "Odd-Lot Agent"), all with the understanding that for the calculation of the odd-lot corresponding to each shareholder position, all of the TELEFONICA M&VILES shares forming such position will be included. Likewise, a TELEFONICA M&VILES shareholder who is the owner of less than 1.25 TELEFONICA M&VILES shares may transfer such shares to the Odd-Lot Agent. It shall be deemed that each shareholder of

TELEFONICA MÓVILES accepts the odd-lot acquisition system herein provided for, without having to remit instructions to the relevant IBERCLEAR-participant, which shall inform the shareholder of the results of the transaction once it has been concluded.

- ii. Given the agreed exchange ratio, it is hereby noted for the record that, regardless of the number of shares comprising each shareholder's position, the only circumstances under which the acquisition of odd-lots may take place are the following:

Number of Telefonica MÓviles shares	Corresponding Telefonica shares by virtue of the exchange	Odd-lot shares of Telefonica MÓviles subject to the odd-lot acquisition system
1	0	1
2	1	0.75
3	2	0.50
4	3	0.25
5	4	0

Therefore, in any shareholder position, an odd-lot will range between a minimum of 0.25 TELEFONICA MÓviles shares and a maximum of 1 TELEFONICA MÓviles share.

- iii. The acquisition price of the odd-lots will be determined based on the arithmetical mean of the average weighted price of TELEFONICA MÓviles shares on the Automated Quotation System [*Sistema de Interconexión Bursátil*] (Continuous Market) for the last three trading sessions for TELEFONICA MÓviles stock on the Spanish stock exchanges (which is expected to be the 26th, 27th and 28th days of July, 2006). If the odd-lot in question is one share of TELEFONICA MÓviles, its acquisition price shall be the arithmetical mean of the average weighted price of TELEFONICA MÓviles shares for the last three trading sessions for TELEFONICA MÓviles similarly, if the odd-lot in question is other than one share, its acquisition price shall be calculated based on the same criterion set forth herein, but in a proportion corresponding to the specific amount of the odd-lot.
- iv. The Odd-Lot Agent, acting on its own behalf, will acquire the odd-lot shares remaining in the positions existing at the close of the trading session for TELEFONICA MÓviles on the Reference Date. The shares or fractional shares of TELEFONICA MÓviles acquired by the Odd-Lot Agent shall be exchanged for the corresponding number of TELEFONICA shares as provided in the Merger Plan.

2.4. Performance of the Exchange

It is expected that, upon completion of the trading session on the Reference Date, and after the acquisition of odd-lots by the Odd-Lot Agent, the exchange of TELEFONICA MÓviles shares for TELEFONICA shares will be carried out after the registration of the merger with the Commercial Registry of Madrid (expected to occur on July 29, 2006).

The exchange will be carried out through entities participating in IBERCLEAR that are depositaries of TELEFONICA MÓviles shares, in accordance with the procedures established for the book-entry system, pursuant to the provisions of Royal Decree 116/1992, of February 14 and, to the extent applicable, the provisions of Section 59 of the Business Corporations Law.

It is expected that on Monday, July 31, 2006, the beneficiaries of the exchange will have possession of the TELEFONICA shares delivered in the exchange, after the performance by IBERCLEAR of settlements that are customary in these types of transactions.

II. Rules and Procedure for the Exchange of American Depositary Shares (ADSs) and Delisting of the TELEFONICA M&VILES ADSs from the New York Stock Exchange.

As a result of the merger, the holders of TELEFONICA M&VILES ADSs will receive four (4) ADSs of TELEFONICA for every fifteen (15) ADSs of TELEFONICA M&VILES that they hold [or one (1) full TELEFONICA ADSs for every three point seventy-five (3.75) TELEFONICA M&VILES ADSs surrendered].

The entities participating in the merger have instructed Citibank, N.A. as the entity in charge of performing all the duties to execute the exchange in the United States with respect to TELEFONICA M&VILES ADSs through which ownership of the TELEFONICA M&VILES ADSs must be substantiated and through which the procedures, if any, appropriate for the execution of the exchange must be handled.

Furthermore, the holders of TELEFONICA M&VILES ADSs who are the holders of a number of ADSs that is not a multiple of fifteen (15) or three point seventy-five (3.75) will receive a cash payment ("Cash-in-Lieu Payment") through Citibank, N.A. corresponding to the net cash proceeds from the sale of fractional entitlements to TELEFONICA ADSs.

As stated above, it is expected that, insofar as the last day for trading on the Spanish Stock Exchanges of the TELEFONICA M&VILES shares is July 28, 2006 and insofar as the merger instrument is registered with the Commercial Registry of Madrid on July 29, 2006, the last day for trading of the TELEFONICA M&VILES ADSs on the New York Stock Exchange is expected to be Friday, July 28, 2006.

In accordance with the above, it is also expected that, beginning on Monday, July 31, 2006, holders of TELEFONICA M&VILES ADSs through The Depository Trust Company ("DTC") that are beneficiaries of the exchange will receive the TELEFONICA ADSs delivered in the exchange, within the following two days, subject to the performance of settlements that are customary in these types of transactions. Holders of TELEFONICA M&VILES ADSs registered in their own name will have the ability to present the American Depositary Receipts evidencing their TELEFONICA M&VILES ADSs on and after July 29, 2006 and for a period of six months, after which the TELEFONICA M&VILES ADR facility will be terminated and the TELEFONICA ADSs being held by Citibank as depository for the TELEFONICA M&VILES ADSs will be sold. After the sale, persons presenting TELEFONICA M&VILES American Depositary Receipts to Citibank will be entitled to the net cash proceeds resulting from the sale of the applicable TELEFONICA ADSs (subject to the applicable escheatment laws in the U.S.A.).

Finally, a request for deregistering the securities issued by TELEFONICA M&VILES will be filed with the Securities and Exchange Commission, after which the obligations to provide information to this entity under the Securities Exchange Act of 1934 shall cease.

In Madrid, July 24th, 2006
