On February 24, 2005, the Board of Directors of II-VI Incorporated (the "Company"), upon recommendation by the Compensation Committee, approved an increase to the annual retainers and per diem Board Committee stipends payable to the Company's non-employee directors. Under the new arrangement, which is effective as of January 1, 2005, non-employee directors receive \$15,000 annually in cash compensation for their service on the Board. In addition, non-employee directors will receive \$850 per day for Board Committee meetings they attend. A written description of the arrangement is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

The increase in director compensation described above and in Exhibit 10.1 was part of an overall direct compensation plan approved by the Board of Directors which also included a one-time grant to each non-employee director of an option to purchase 5,400 shares of Company common stock at an exercise price of \$38.19 per share which was the fair market value of the Company's common stock at the date of grant, February 24, 2005.
