PROXY STATEMENT

GENERAL

This proxy statement is furnished by the board of directors of our company, Inter Parfums, Inc., a Delaware corporation, with offices located at 551 Fifth Avenue, New York, New York 10176, in connection with the solicitation of proxies to be used at the annual meeting of its shareholders being held on July 20, 2005 and at any adjournments of the annual meeting. For purposes of this proxy statement, unless the context otherwise indicates, the terms the "company," "us" or "our" refers to Inter Parfums, Inc.

This proxy statement will be mailed to shareholders beginning approximately June 17, 2005. If a proxy in the accompanying form is properly executed and returned, then the shares represented by the proxy will be voted as instructed on the proxy. Any shareholder giving a proxy may revoke it at any time before it is voted by providing written notice of revocation to the company's Secretary or by a shareholder voting in person at the annual meeting.

All properly executed proxies received prior to the annual meeting will be voted at the annual meeting in accordance with the instructions marked on the proxy or as otherwise stated in the proxy. Unless instructions to the contrary are indicated, proxies will be voted

- FOR the election of the eleven (11) directors referred to in this proxy statement.

In addition, the persons holding the proxies will consider and vote upon such other business as may properly come before the annual meeting or any adjournments of the annual meeting.

A copy of the company's annual report for fiscal year ended December 31, 2004, which contains financial statements audited by the company's independent registered public accounting firms, is being mailed to the company's shareholders along with this proxy statement.

We will bear the cost of preparing, assembling and mailing this notice of meeting, proxy statement, proxy and the enclosed annual report. In addition to solicitation of the proxies by use of the mails, some of our officers and regular employees, without extra remuneration, may solicit proxies personally or by telephone, telecopier or e-mail. We may also request brokerage houses, nominees, custodians and fiduciaries to forward soliciting material to the beneficial owners of our common stock. We will reimburse these persons for their expenses in forwarding soliciting material.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Our board of directors fixed the close of business on June 15, 2005 as the record date for the determination of shareholders entitled to notice of, and to vote at, the annual meeting. Only holders of our common stock on the record date will be able to vote at the annual meeting.

As of May 18, 2005, there were 20,179,160 shares of the our common stock were outstanding. Each share of the our common stock will entitle the holder of such share to one vote. None of the company's shareholders have cumulative voting rights. Holders of shares of our common stock are entitled to vote on all matters. We also have 1,000,000 authorized shares of preferred stock, \$.001 par value per share, none of which are outstanding.

The holders of a majority of the total number of outstanding shares of our common stock entitled to vote must be present in person or by proxy to constitute the necessary quorum for any business to be transacted at the annual meeting. Properly executed proxies marked "abstain," as well as proxies held in street name by brokers that are not voted on all proposals to come before the annual meeting ("broker non-votes"), will be considered "present" for purposes of determining whether a quorum has been achieved at the annual meeting.

The eleven (11) nominees to our board of directors receiving the greatest number of votes cast at the annual meeting in person or by proxy shall be elected. Consequently, any shares of our common stock present in person or by proxy at the annual meeting, but not voted for any reason will have no impact in the election of our board of directors. Other matters that may submitted to our shareholders for a vote at the annual meeting, if any, will require the favorable vote of a majority of the shares of our common stock present or represented at the annual meeting for approval, unless we advise you otherwise. If any matter proposed at the annual meeting must receive a specific percentage of favorable votes for approval, abstentions in respect of such proposal are treated as present and entitled to vote under Delaware law and therefore such abstentions have the effect of a vote against such proposal. Broker non-votes in respect of any proposal are not counted for purposes of determining whether such proposal has received

the requisite approval.

Our directors will serve until the next annual meeting of stockholders and thereafter until their successors shall have been elected and qualified. LV Capital USA, Inc. and Messrs. Jean Madar and Philippe Benacin have entered into a Shareholders' Agreement relating to certain corporate governance issues, including granting two seats on the Board of directors to designees of LV Capital USA, Inc. Messrs. Jean Madar and Philippe Benacin and LV Capital USA, Inc. have each agreed to vote for each others nominees for directors. As Messrs. Madar and Benacin and LV Capital USA, Inc. beneficially own more than 50% of the outstanding shares of the Inter Parfums' common stock, Inter Parfums is considered a "controlled company" under the applicable rules of The Nasdaq Stock Market.

With the exception of Mr. Benacin, the officers are elected annually by the directors and serve at the discretion of the board of directors. There are no family relationships between executive officers or directors of our company.

Members of our management have been informed that our controlling shareholders intend to vote in favor of all of the nominees for directors and therefore, they are all likely to be elected. We know of no business other than the election of directors that will be presented for consideration at the annual meeting. If any other matter is properly presented, then it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

The following table sets forth information about each person known by us to be the beneficial owner of more than five percent (5%) of our outstanding common stock. As of May 18, 2005, there were 20,179,160 shares of common stock outstanding. Unless otherwise noted, each shareholder listed below has sole voting power and sole investment power with respect to the securities shown opposite their names in the table below as of May 18, 2005.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

General

The members of our board of directors are each elected with a plurality of votes cast in favor of their election for a one-year term or until their successors are elected and qualify. During fiscal year ended December 31, 2004, our board of directors consisted of eleven (11) persons, Messrs. Jean Madar, Philippe Benacin, Russell Greenberg, Francois Heilbronn, Joseph A. Caccamo, Jean Levy, Robert Bensoussan-Torres, Daniel Piette, Jean Cailliau, Philippe Santi and Serge Rosinoer, who were elected by the shareholders at the company's last annual meeting of shareholders held in August 2004. All eleven (11) current board members are nominees for re-election to the board at the 2005 annual meeting.

Unless authority is withheld, the proxies in the accompanying form will be voted in favor of the election of the nominees named above as directors. Although all of the nominees have indicated their willingness to serve if elected, if at the time of the meeting any nominee is unable to or unwilling to serve, then the shares represented by properly executed proxies will be voted at the discretion of the person named in the proxies for another person designated by our board of directors.

Board of Directors

Our board of directors has the responsibility for establishing broad corporate policies and for the overall performance of our company. Although certain directors are not involved in day-to-day operating details, members of the board are kept informed of our business by various reports and documents made available to them. Our board of directors held nineteen (19) meetings (or executed consents in lieu thereof), including meetings of committees of the board during 2004, and all of the directors, except Serge Rosinoer, attended at least 75% of the meetings of the board and committee meetings of which they were a member.

We have adopted a Code of Business Conduct, which is filed with the Securities and Exchange Commission, and we agree to provide to any person without charge, upon request, a copy of our Code of Business Conduct. Any person who requests a copy of our Code of Business Conduct should provide their name and address in writing to: Inter Parfums, Inc., 551 Fifth Avenue, New York, NY 10176, Att.: Shareholder Relations.

During 2004, our board of directors had the following standing committees:

- Audit Committee - The Audit Committee has the sole authority and is directly responsible for, the appointment, compensation and oversight of the work of the independent registered public accounting firm

Edgar Filing: INTER PARFUMS INC - Form DEF 14A

employed by the Company which prepare or issue an audit report for the Company. During 2004, the Audit Committee consisted of Messrs. Heilbronn, Levy and Bensoussan-Torres.

The Audit Committee does not have a member who is an "Audit Committee Financial Expert" as such term is defined under the applicable rules and regulations. However, as the result of the background, education and experience of the members of the Audit Committee, the Board of Directors believes that such committee members are fully qualified to fulfill their obligations as members of the Audit Committee.

- Executive Compensation and Stock Option Committee - The Executive Compensation Committee oversees the compensation of the Company's executives and administers the Company's stock option plans. The members of such committee are Messrs. Heilbronn, Levy and Piette.

Our Board of Directors does not maintain a standing nominating committee or a committee performing similar functions. In view of the existing shareholders' agreement relating to certain corporate governance issues, including the election of directors, among LV Capital USA, Inc. and Messrs. Jean Madar and Philippe Benacin who beneficially own more than 50% of the outstanding shares of the Inter Parfums' common stock, our Board of Directors does not believe it necessary for the Company to have such a committee. Also as a "controlled company" under the applicable rules of The Nasdaq Stock Market, we are exempt from the nominating committee requirements. Our Board of Directors as a group agreed to nominate the same members of the board who had served last year.

Our policy with respect to receipt of communications from our shareholders is as follows. All shareholder communications for the entire board or for individual directors are to be sent to Mr. Russell Greenberg, Executive Vice President, and Chief Financial Officer, at our offices in New York City. The communications can be sent through our website, in writing, or by telephone. Mr. Greenberg will then provide such communication to the intended recipient and our full board of directors.

We do not have a standing policy requiring our directors to be present at our annual shareholder meetings. Three of our directors, Messrs. Jean Madar and Russell Greenberg and Joseph A. Caccamo, attended our last annual shareholder meeting held in August 2004.

The following table sets forth information, as of May 18, 2005 with respect to the beneficial ownership of our common stock by (a) each person we know to be the beneficial owner of more than five percent of our outstanding common stock, (b) our executive officers and directors and (c) all of our directors and officers as a group. As of May 18, 2005, we had 20,179,160 shares of common stock outstanding.

1 Total value of unexercised options is based upon the fair market value of the common stock as reported by the Nasdaq Stock Market of \$15.90 on December 31, 2004.

2 Value realized in dollars is based upon the difference between the fair market value of the common stock on the date of exercise, and the exercise price of the option, or the fair market value of the net amount of shares received upon exercise of options.

3 In October 2004, both the Chief Executive Officer and the President exercised an aggregate of 65,400 and 97,600 outstanding stock options, respectively, of the Company's common stock. The exercise prices of \$167,000 for the Chief Executive Officer and \$249,000 for the President were paid by each of them tendering to the Company 13,055 and 19,482 shares, respectively, of the Company's common stock, previously owned by them, valued at \$12.805 per share, the fair market value on the date of exercise. All shares issued pursuant to these option exercises were issued from our treasury stock. In addition, the Chief Executive Officer tendered an additional 14,395 shares for payment of withholding taxes resulting from his option exercise. As a result of this transaction, the Company expects to receive a tax benefit of approximately \$600,000, which will be reflected as an increase to additional paid in capital in the Company's consolidated financial statements for the year ended December 31, 2004.

Employment Agreements

As part of our acquisition in 1991 of the controlling interest in Inter Parfums, S.A., now a subsidiary, we entered into an employment agreement with Philippe Benacin. The agreement provides that Mr. Benacin will be employed as Vice Chairman of the Board and President and Chief Executive Officer of Inter Parfums Holdings and its subsidiary, Inter Parfums. The initial term expired on September 2, 1992, and has subsequently been automatically renewed for additional annual periods. The agreement provides for automatic annual renewal terms, unless either party terminates the agreement upon 120 days notice. Mr. Benacin presently receives an annual salary of 135,000 Euros, which is approximately US\$170,000, together with annual lodging expenses of approximately \$35,000 and automobile expenses of approximately \$15,000, which are subject to increase in the discretion of the Board of Directors. The agreement also provides for indemnification and a covenant not to compete for one year after termination of employment.

In February 2005 we entered into an employment agreement with Marcella Cacci to act as the President of Burberry Fragrances, a division of Inter Parfums, S.A. for a three-year period. Her salary is \$400,000, which is subject to adjustment for currency fluctuations under certain circumstances. She is also entitled to annual bonuses of \$125,000 if Burberry Fragrances reaches certain sales targets, and another \$125,000 if Burberry Fragrances achieves a specified target based upon earnings of Burberry Fragrances before interest and taxes.

Ms. Cacci is also to receive the following benefits:

- Stock Options: Options to purchase 20,000 ordinary shares of Inter Parfums S.A.'s common stock at a purchase price equal to the fair market value of the shares at the time of the grant, vesting 1/3 each year for three years.
- One Time Issuance of Restricted Shares: Issuance of 5,000 ordinary shares of Inter Parfums S.A. vesting 1/3 each year for three years. Generally, upon termination of the employment agreement by us without cause, we are obligated to pay Ms. Cacci 0.75 times her annual salary and benefits, and if an annual bonus was earned for the prior calendar year, then we are obligated to make a lump sum payment equal to 0.75 times such annual bonus. In addition, all vesting restrictions on the option grant and restricted shares shall lapse. If Ms. Cacci terminates the employment agreement without cause, then we are obligated to pay her salary and benefits equal to the lesser of a 9 month period, or the number of months she worked, together with a pro-rated annual bonus, if earned, for the calendar year in which the date of termination occurs based on the number of days she was employed during such calendar year. However, upon such termination, all unvested options, except to the extent previously exercised, are terminated and all restricted shares to the extent not vested are canceled.

Compensation of Directors

All nonemployee directors receive \$1,000 for each board meeting at which they participate. Mr. Caccamo's board fees are paid to his law firm. In addition, all members of the Audit Committee receive an additional \$2,000 on January 1 of each year in which they serve on the Audit Committee.

In March 1997 our Board of Directors adopted our 1997 Nonemployee Stock Option Plan. This plan was approved by our stockholders at the annual meeting of shareholders held in July 1997. The purpose of this plan is to assist us in attracting and retaining key directors who are responsible for continuing the growth and success of our Company.

Our 1997 Nonemployee Stock Option Plan provides for the grant of nonqualified stock options to nonemployee directors to purchase an aggregate of 25,000 shares of common stock. Options to purchase 1,000 shares are granted on each February 1st to all nonemployee directors for as long as each is a nonemployee director on such date except for Joseph A. Caccamo, who is granted options to purchase 4,000 shares annually. Options to purchase 2,000 shares are granted to each nonemployee director upon his initial election or appointment to our board. In December 2000 our Board of Directors adopted our 2000 Nonemployee Stock Option Plan, as substantially all of the shares reserved under our 1997 Nonemployee Stock Option Plan had been allocated to outstanding options. This plan was approved by our stockholders at the annual meeting of shareholders held in July 2001. The purpose of this plan is to assist us in attracting and retaining key directors who are responsible for continuing the growth and success of our Company.

Our 2000 Nonemployee Stock Option Plan provides for the grant of nonqualified stock options to nonemployee directors to purchase an aggregate of 30,000 shares of common stock. Options to purchase 1,000 shares are granted on each February 1st to all nonemployee directors for as long as each is a nonemployee director on such date except for Joseph A. Caccamo, who is granted options to purchase 4,000 shares annually. Options to purchase 2,000 shares are granted to each nonemployee director upon his initial election or appointment to our board.

On 1 February 2005, options to purchase 1,000 shares were granted to each of Francois Heilbronn, Jean Levy, Robert Bensoussan-Torres, Daniel Piette, Jean Cailliau and Serge Rosinoer and an option to purchase 4,000 shares was granted to Joseph A. Caccamo at the exercise price of \$15.20 per share under the 2000 plan. The options held by Mr. Caccamo are held as nominee for his present law firm.

Compensation Committee Interlocks and Insider Participation

The Executive Compensation Committee oversees the compensation of the Company's executives and administers the Company's stock option plans. The members of such committee are Messrs. Heilbronn, Levy and Piette.

During 2004, the Executive Compensation and Stock Option Committee took action four times by the execution of written consents in lieu of meetings.

The following persons participated in discussions concerning executive compensation during 2004, with generally the Chairman of the Board taking the initiative and recommending executive compensation levels for executives in the United States, and Mr. Benacin for executive compensation levels for executives in Paris: Jean Madar, the Chairman of our board of directors and Chief Executive Officer; Philippe Benacin, a Director, President, and President of Inter Parfums, S.A., a subsidiary of the company; Russell Greenberg, an Executive Vice President, Chief Financial Officer and a Director; and Jean Levy, Francois Heilbronn and Daniel Piette, the present members of the Executive Compensation Committee.

Report on Executive Compensation

General

The following sets forth information regarding compensation and benefits provided to our Chief Executive Officer and to each of the four most highly compensated executive officers, other than the chief executive officer, whose annual base salary and bonus compensation was in excess of \$100,000. The executive officers being discussed for 2004 are: Jean Madar (the Chief Executive Officer), Philippe Benacin, Russell Greenberg, Wayne C. Hamerling and Frédéric Garcia-Pelayo.

Executive compensation packages generally include a base salary, annual incentives tied to individual performance and long-term incentives tied to our operating performance. In addition, we provide a comprehensive medical insurance plan. Generally, our executive officers have their compensation reviewed annually.

Base Salary

Base salaries for executive officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive market place for executive talent. Base salaries for executive officers are reviewed on an annual basis, and adjustments are determined by evaluating our operating performance, the performance of each executive officer, as well as whether the nature of the responsibilities of the executive has changed.

For 2004, upon recommendation of our Chief Executive Officer, the Executive Compensation and Stock Option Committee determined that the following executives were to receive increases in their base salaries: Mr. Greenberg's base salary was increased by \$20,000 from \$295,000 to \$315,000, and Mr. Hamerling's base salary was increased by \$15,000 from \$228,120 to \$243,120.

Upon the recommendation of Mr. Benacin, the base salary of Mr. Frédéric Garcia-Pelayo was increased from 96,600 Euros in 2003 to 120,000 Euros in 2004, a 24% increase, in recognition of his work with Burberry Fragrances. Mr. Garcia-Pelayo's base compensation is paid to him in Euros by our French operating subsidiary.

Mr. Benacin, the President of Inter Parfums Holding S.A., the company's direct French subsidiary, and President of Inter Parfums, S.A., the company's indirect, operating French subsidiary, is also the President of the company. Mr. Benacin's base compensation is paid to him in Euros by the company's French operating subsidiary, and his base salary was increased to 156,000 Euros in 2004 from 141,000 Euros in 2003.

Mr. Madar, the Chief Executive Officer, did not have his base salary increased for 2004.

After a thorough review, the Chairman of the Board determined that the base salaries paid to such executives were fair in the view of their responsibilities, length of service with us, performance and compensation levels to peers, as to

which the Executive Compensation and Stock Option Committee concurs.

Bonus Compensation

As the result of their efforts in increasing the profitability of our company, bonuses were awarded as follows. For Paris operations, Mr. Benacin received a cash bonus of \$111,250 and Mr. Garcia-Pelayo received a cash bonus of \$136,000. For United States operations, Mr. Greenberg received a cash bonus of \$30,000, and Mr. Hamerling received a cash bonus of \$15,000. Mr. Madar (our Chief Executive Officer) did not receive any cash bonus.

Annual Incentives

As stated above, for 2004, Mr. Madar (our Chief Executive Officer) did not receive a cash bonus due to the decline in after tax profit of our United States operations. However, the Executive Compensation Committee has determined to use the same after tax profit target for our company's United States operations that will be used to calculate Mr. Madar's bonus for 2005.

Mr. Hamerling has his annual incentives tied to sales, which is directly related to the efficacy and productivity of his area of responsibility, United States based wholesale sales for Mr. Hamerling. The predicate for the determination and payment of selling commissions to Mr. Hamerling was determined in accordance with internal sales and budget projections. In 2004, Mr. Hamerling received \$75,956 in sales commissions.

Long Term Incentives

The long-term incentives are geared towards linking benefits to corporate performance through the grant of stock options. All options are granted with an exercise price equal to the fair market value of the underlying shares of our common stock on the date of grant, and terminate on or shortly after severance of the executive's relationship with us. Unless the market price of our common stock increases, corporate executives will have no tangible benefit. Thus, they are provided with the extra incentive to increase individual performance with the ultimate goal of increased our overall performance. We believe that enhanced executive incentives which result in increased corporate performance tend to build company loyalty.

During 2004, upon the recommendation of the company's Chief Executive Officer, the Executive Compensation and Stock Option Committee granted options to purchase 50,000 to each of Jean Madar and Philippe Benacin, 25,000 shares to Mr. Greenberg and 18,000 shares to Hamerling, at the fair market value on the date of grant. The grants to Messrs. Madar, Benacin and Hamerling were commensurate with the option grants made for 2003, 2002 and 2001, while the option grant to Mr. Greenberg was increased from his 2003 option grant of 18,000 shares.

The aggregate "potential unrealized value" of such options for each of Messrs. Madar and Benacin ranges from \$212,599 to \$467,787, for Mr. Greenberg from \$106,629 to \$253,301 and Hamerling from \$76,536 to \$169,123, calculated in accordance with the rules of the Securities and Exchange Commission. In addition, during 2004 Mr. Madar realized \$670,285 upon the exercise of outstanding stock options of our company, as well as \$620,745 realized on the exercise of outstanding stock options of Inter Parfums, S.A. Likewise, Mr. Benacin realized \$1,000,302 upon the exercise of outstanding stock options of our company, as well as \$632,860 realized on the exercise of outstanding stock options of Inter Parfums, S.A. Mr. Garcia-Pelayo realized \$600,755 upon the exercise of outstanding stock options of Inter Parfums, S.A., and Mr. Greenberg realized \$183,935 upon the exercise of outstanding stock options of our company, as well as \$35,906 realized on the exercise of outstanding stock options of Inter Parfums, S.A. The actual compensation realized as the result of the exercise of prior outstanding options, as well as the future potential of such rewards, are powerful incentives for increased individual performance, and ultimately increased company performance. In view of the fact that these executive officers contribute significantly to our profitable operations, the Executive Compensation and Stock Option Committee believes these incentives to be fair to these executive officers and to our shareholders.

Conclusion

The Executive Compensation and Stock Option Committee believes that its present policies to date, with its emphasis on rewarding performance, has served to focus the efforts of our executives to achieve a high rate of growth and profitability, which management believes will result in a substantial increase in value to our shareholders.

Transactions with LVMH Moët Hennessy Louis Vuitton S.A.

Acquisition of Common Stock and Shareholders' Agreement

In November 1999, LV Capital, USA Inc. ("LV Capital"), a wholly-owned subsidiary of LVMH Moët Hennessy Louis Vuitton S.A., purchased shares of our common stock from management and employees. As of the date of this report, it beneficially owns approximately 18% of our outstanding common stock. Further, in return for LV Capital becoming our strategic partner, LV Capital was granted the right to buy additional shares in order to maintain its percentage ownership upon issuance of shares to third parties, subject to certain exceptions, and was granted demand registrations rights for all of its shares. In addition, LV Capital has agreed to a standstill agreement, which limits the amount of shares of common stock that LV Capital can hold to twenty-five percent (25%) of our outstanding shares.

Céline

In May 2000 we entered into an exclusive worldwide license agreement with Céline, S.A., a division of LVMH Moët Hennessy Louis Vuitton S.A., for the development, manufacturing and distribution of prestige fragrance lines under the Céline brand name. The term of the License Agreement is for eleven (11) years, beginning as of 1 January 2001, with an optional five (5) year renewal term, which is subject to certain minimum sales requirements, advertising expenditures and royalty payments as are customary in our industry.

Christian Lacroix

In March 1999, we entered into an exclusive license agreement with the Christian Lacroix Company, formerly a division of LVMH Moët Hennessy Louis Vuitton S.A., for the worldwide development, manufacture and distribution of perfumes. The license agreement has an 11 year term, and is subject to certain minimum sales requirements, advertising expenditures and royalty payments as are customary in our industry.

AUDIT COMMITTEE REPORT

Our Audit Committee has the sole authority and is directly responsible for, the appointment, compensation and oversight of the work of the independent registered public accounting firm that we employ, which prepare or issue an audit report for us. During 2004, the Audit Committee consisted of Messrs. Heilbronn, Levy and Bensoussan-Torres, and all of the members of the Audit Committee are independent in accordance with the existing Nasdaq listing standards.

The Audit Committee does not have a member who is an "Audit Committee Financial Expert" as such term is defined under the applicable rules and regulations. However, as the result of the background, education and experience of the members of the Audit Committee, our board of directors believes that such committee members are fully qualified to fulfill their obligations as members of the Audit Committee.

Management is responsible for our company's internal controls and our financial reporting process. The independent registered public accounting firm we employ, Mazars, LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon, as well as, issuing its report on its audit of our management's assessment of our internal control over financial reporting.. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and our independent registered public accounting firm. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. In addition, Mazars LLP discussed with the Audit Committee the results of its audit on management's assessment of internal controls over financial reporting. The Audit Committee also discussed with Mazars LLP matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees)

Mazars LLP also provided to the Audit Committee the written disclosures required by Independence Standards board Standard No. 1 (Independence Discussions with Audit Committees) and the Audit Committee discussed with Mazars LLP that firm's independence.

Based upon the Audit Committee's discussions with management and Mazars LLP and the Audit Committee's review of the representations of management and the report of Mazars LLP to the Audit Committee, the Audit Committee recommended that our board of directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange

Commission.

In late November 2004, the Securities and Exchange Commission issued an exemptive order for certain eligible companies, which provided for a 45 day extension for the filing of management's annual report on internal control over financial reporting and the independent registered public accountants' attestations. We elected to utilize this extension period, and prepared our amended Annual Report on Form 10-K/A to comply with such reporting requirements. Further, in our amended Annual Report on Form 10-K/A our company reclassified investments in auction rate securities that were previously classified as cash and cash equivalents in the consolidated balance sheets as of December 31, 2004 and 2003 to short-term investments. The consolidated statements of cash flows for the years ended December 31, 2004, 2003 and 2002 were adjusted to reflect the impact of the reclassification. In addition, our company also made conforming changes in the notes to the consolidated financial statements and Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations, to take into account such reclassification, and have corrected some other non-material items.

Based upon the Audit Committee's discussions with management and Mazars LLP and the Audit Committee's review of the representations of management and the report of Mazars LLP to the Audit Committee, the Audit Committee recommended that our board of directors include management's report on internal control over financial reporting and the attestation report of Mazars LLP in our amended Annual Report on Form 10-K/A, as well as the reclassification, conforming changes and other non-material corrections as stated above.

A representative of Mazars LLP is expected to be present at the annual meeting with the opportunity to make a statement if he desires to do so, and is expected to be available to respond to appropriate questions.

Change of Accountants

Eisner LLP was previously our principal accountants. On January 7, 2004, that firm was dismissed as our principal accountants and KPMG LLP was engaged as principal accountants. The decision to change accountants was approved by our audit committee.

In connection with the audits of each of the two fiscal years ended December 31, 2001 and December 31, 2002, and the interim period through January 7, 2004, the date of dismissal, there were no disagreements with Eisner LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement.

The audit reports of Eisner LLP on the consolidated financial statements of Inter Parfums, Inc. and subsidiaries as of and for the years ended December 31, 2001 and 2002, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. Eisner LLP did make reference in their reports to other auditors who audited the financial statements of our consolidated foreign

subsidiaries. During the two fiscal years ended December 31, 2002, and the interim period through January 7, 2004, the date of engagement, we did not consult with or engage KPMG LLP regarding the application of generally accepted accounting principles to a specific transaction or the type of audit opinion that might be rendered on our consolidated financial statements. KPMG SA, an affiliate of KPMG LLP, has been engaged as the audit firm for our French subsidiaries for each of the three fiscal years ended December 31, 2001, 2002 and 2003. On September 13, 2004 KPMG LLP, which was previously the principal accountants for Inter Parfums, Inc., resigned as the principal accountants. This decision to change accountants was communicated to the audit committee of Inter Parfums, Inc. In connection with the audit of fiscal year ended December 31, 2003, and the subsequent interim period through September 13, 2004, there were no reportable events and there were no disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. The audit report of KPMG LLP on the consolidated financial statements of Inter Parfums, Inc. and subsidiaries as of and for the year ended December 31, 2003 did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles. On October 15, 2004 Mazars LLP was engaged as the principal accountants to audit the financial statements of Inter Parfums, Inc. The decision to engage Mazars LLP was approved by our audit committee. During the two fiscal years ended December 31, 2003 and the subsequent interim period through the date of engagement, we did not consult with or engage Mazars LLP regarding the application of generally accepted accounting principles to a specific transaction or the type of audit opinion that might be rendered on our consolidated financial statements.
