their accounts for inquiry purposes from 1 p.m. Pacific time on Wednesday, September 15, 2004 until 11:59 p.m. Pacific time on Monday, September 20, 2004 (the "Suspension Period"), in order to accommodate an administrative system for the plan. The suspension affects transactions related to investments in common stock through the Edison International Stock Fund of the plan. Other affected transactions include elections to join the plan, changes to contribution rates, loan requests, form requests, and distribution requests. Because, as currently scheduled, the Suspension Period will not be more than five consecutive business days, this information is being disclosed under Item 5 of this Form 8-K, rather than Item 11, which is required to be filed in connection with a blackout period (as defined in Rule 100(b) of the Securities Exchange Act of 1934). If there is a change in the scheduled beginning or ending date of the Suspension Period that causes it to become a blackout period (as so defined), the Company will file as soon as reasonably practicable an additional Form 8-K containing under Item 11 the updated beginning or ending date and explaining the reasons for the change in the date or dates and identifying all material changes in the information contained in this Form 8-K.

Persons with questions about the Suspension Period should call the Retirement Savings Center at (877) 432-7283. Savings Center representatives are available Monday through Friday, 7:30 a.m. to 5:00 p.m. Pacific time.
