Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On October 4, 2011, the Company received written notification (the “Determination Letter”) from the Listing Qualifications Department of The NASDAQ Stock Market LLC stating that the Company’s Common Stock is subject to delisting from The NASDAQ Capital Market, pending the Company’s opportunity to request a hearing before a NASDAQ Listing Qualifications Panel (the “Panel”).

As previously disclosed, on April 13, 2011, the Company received a staff deficiency letter from the NASDAQ Stock Market notifying the Company that it did not meet the requirement to maintain a minimum of \$2,500,000 in stockholders’ equity set forth in NASDAQ Listing Rule 5550(b)(1).

The Company intends to request a hearing before the Panel to review the Determination Letter, which will stay any action with respect to the Determination Letter and allow the continued listing of the Company’s common stock on The NASDAQ Capital Market until the Panel renders a decision subsequent to the hearing. At the hearing, the Company intends to present a plan to regain compliance and to request that the Panel allow the Company additional time within which to regain compliance. If the Panel or the Staff of NASDAQ accepts our plan, NASDAQ can grant the Company a period of up to 180 calendar days from the date of the October 4, 2011 Determination Letter to regain compliance with the Listing Rule. There can be no assurance that the Panel will grant the Company’s request for continued listing on The NASDAQ Capital Market.
