Item 1.01. Entry into a Material Definitive Agreement.

On April 26, 2006, Stratus Properties Inc.'s (Stratus) wholly owned subsidiary, Stratus Properties Operating Co., L.P., completed the sale of approximately 58 acres at its Lantana property in Travis County, Texas to Advanced Micro Devices, Inc. ("Purchaser") for total consideration of approximately \$21.25 million. In addition to the sale of the 58-acre

tract, Stratus granted to the Purchaser three independent options to purchase any or all of three additional tracts at Lantana (approximately 100 acres in the aggregate). Each of the three options will be granted for initial terms ranging from two to four years. Prior to the expiration of each option, the Purchaser will have successive annual options to extend each option for periods ranging from one to three years. All options will expire no later than five years after the sale of the 58-acre tract. The Purchaser had previously deposited \$4 million in an escrow account, which was credited to the purchase price payable at closing. Stratus intends to use the net proceeds from the sale to reduce its outstanding debt.

Item 8.01. Other Events.

Stratus issued a press release, dated April 26, 2006, announcing the completion of the sale of 58 acres at its Lantana property (see exhibit 99.1).
