PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD JUNE 15, 2011

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Applied Minerals, Inc. (the "Company," "Applied," "we," "us" or "our") of proxies to be used at the Annual Meeting of Shareholders to be held on June 15, 2011. This Proxy Statement and accompanying forms of proxy, together with the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010, which serves as our Annual Report to Shareholders is first being sent or given to shareholders on April 30, 2011.

Important Notice Regarding the Availability of Proxy Materials

This year we are using the "Notice and Access" system recently adopted by the Securities and Exchange Commission relating to the delivery of proxy materials over the Internet. As a result, we mailed you a notice about the Internet availability of the proxy materials instead of paper copies. Shareholders will have the ability to access the proxy materials over the Internet and to request a paper copy of the materials by mail or by e-mail. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. We believe that the notice and access rules will allow us to use Internet technology that many shareholders prefer, assure more prompt delivery of the proxy materials, lower our cost of printing and delivering the proxy materials, and minimize the environmental impact of printing paper copies.

The Proxy Statement and our Annual Report to Shareholders are available at www.proxyvote.com.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why did I receive these proxy materials?

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Applied Minerals, Inc., a Delaware corporation, of proxies to be voted at our 2011 Annual Meeting of Shareholders and at any adjournment or postponement.

You are invited to attend the Annual Meeting of Shareholders. It takes place on June 15, 2011, beginning at 3:00 p.m., Eastern Time Zone, at Grand Hyatt New York, 109 East 42nd Street, New York, NY, 10017. You may also attend the meeting by visiting www.virtualshareholdermeeting.com/AMNL.

This Notice of Annual Meeting and Proxy Statement and form of proxy and voting instructions are being sent or delivered to shareholders starting April 29, 2011.

Will the Annual Meeting be webcast?

Our Annual Meeting also will be webcast on June 15, 2011. You are invited to visit www.virtualshareholdermeeting.com/AMNL2011 at 3:00 p.m., Eastern Time Zone, on June 15, 2011 to access the webcast of the Meeting.

Who is entitled to vote at the Annual Meeting?

Holders of Applied Common Stock at the close of business on April 29, 2011 are entitled to receive notice of the meeting and to vote such shareholder's shares at the Annual Meeting. As of that date, there were 72,715,929 shares of common stock outstanding and entitled to vote. Each share of common stock is entitled to one vote on each matter properly brought before the Meeting.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with Applied's transfer agent, Standard Registrar & Transfer (Draper, UT), you are the "shareholder of record" of those shares. This Notice of Annual Meeting and Proxy Statement and accompanying documents have been provided directly to you by Applied.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the "beneficial owner" of those shares. This Notice of Meeting and Proxy Statement and the accompanying documents have been forwarded to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following such shareholder's instructions for voting by the Internet.

How do I vote?

You may vote using any of the following methods:

- By Mail:

If you are a shareholder of record, be sure to complete, sign and date the proxy card or voting instruction card and return it to:

Applied Minerals, Inc.

Attn: Chris Carney
110 Greene Street
Suite 1101
New York, NY 10012

If you are a shareholder of record and you return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by that proxy as recommended by the Board of Directors.

- Via The Internet:

The Internet voting procedures established by Applied for shareholders of record are designed to authenticate your identity, to allow you to give your voting instructions and to confirm that those instructions have been properly recorded.

Before the Meeting – Go to www.proxyvote.com

Use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 P.M. Eastern Time on June 14, 2011. Please have your proxy card handy when you visit www.proxyvote.com. You will be able to confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials.

During the Meeting – Go to www.virtualshareholdermeeting.com/AMNL2011

You may vote during the meeting via the Internet by visiting www.virtualshareholdermeeting.com/AMNL2011. The availability of Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, if you are a beneficial owner, we recommend that you follow the voting instructions in the materials you receive.

If you vote on the Internet, you do not have to return your proxy card or voting instruction card.

- At The Annual Meeting:

All shareholders may vote in person at the Annual Meeting or at www.virtualshareholdermeeting.com/AMNL2011. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial and not a record owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Meeting.

Your vote is important. You can save us the expense of a second mailing by voting promptly.

What can I do if I change my mind after I vote my shares?

If you are a shareholder of record, you can revoke your proxy before it is exercised by:

- written notice to the President of the Company;
- timely delivery of a valid, later dated proxy or a later dated vote via the Internet; or
- voting by ballot at the Annual Meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other holder of record. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described in the answer to the previous question.

All proxies that have been properly completed and delivered and not revoked will be voted at the Annual Meeting.

Is there a list of shareholders entitled to vote at the Annual Meeting?

The names of shareholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Meeting for any purpose germane to the meeting by contacting the President of the Company between the hours of 9:00 a.m. and 4:30 p.m., Eastern Time Zone, at our principal executive offices located at 110 Greene Street, Suite 1101, New York, New York 10012.

What are the voting requirements to elect the Directors and to approve each of the proposals discussed in this Proxy Statement?

Proposal	Vote Required	Discretionary Voting Allowed?
Election of Directors	Plurality	No
Ratification of PMB Helin Donovan LLP as our independent registered public accounting firm	Majority of votes cast*	Yes

* the term “votes cast” include votes “for” and “against,” but does not include ballots marked “abstain” and does not include broker non-votes

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and “broker non votes” are counted as present and entitled to vote for purposes of determining a quorum. A “broker non vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power under New York Stock Exchange (“NYSE”) rules governing discretionary voting by NYSE members for that particular item and has not received instructions from the beneficial owner.

If you are a beneficial owner, your bank, broker or other holder of record is permitted under NYSE rules to vote your shares on the ratification of the auditors, even if the record holder does not receive voting instructions from you. The record holder may not vote on the other matters being submitted for a shareholder vote without instructions from you. Without your voting instructions on these matters, a broker non-vote will occur.

- Election of Directors

The election is for directors of the Company. Directors are elected under a plurality voting standard, so that the candidates receiving a plurality of votes cast (the most “for” votes) are elected. Abstentions and “against” votes are not counted under a plurality voting standard.

Because your bank, broker or other holder of record does not have discretionary voting authority to vote your shares the election of directors absent specific instructions from you, it is therefore important that you vote, or direct the holder of record to vote, on the election of directors.

Could other matters be decided at the Annual Meeting?

At the date this Proxy Statement went to press, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement.

If you voted via the Internet, or by mail, or presented a completed and signed proxy card at the Annual Meeting and other matters are properly presented at the Annual Meeting for consideration, the proxies appointed by the Board of Directors (the persons named in your proxy card if you are a shareholder of record) will have the discretion to vote on those matters for you.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, electronic transmission and facsimile transmission.

Who will count the votes?

A Company employee will tabulate the votes and act as inspector of election.

BOARD OF DIRECTOR ISSUES

The Nomination Process

The Board of Directors has not created a separate Nomination Committee or a Charter for such a committee. Rather, the Board as a whole performs such functions and each director is eligible to participate and has participated in the nomination process.

The general criteria that our Board uses to select nominees include the following: individuals reputation for integrity, honesty and adherence to high ethical standards; such person’s demonstrated business acumen, experience and ability to exercise sound judgment in matters that relate to the current and long-term objectives of the Company; such shareholder’s willingness and ability to contribute positively to the decision making process of the Company; such person’s commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board and its committees; such person’s interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include stockholders, employees, customers, creditors and the general

public; such person's ability to act in the interests of all stakeholders; and no nominee should have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all of the Company's stockholders and to fulfill the responsibilities of a director. There are, however, no specific minimum qualifications that nominees must have in order to be selected.

The Board will consider director candidates recommended by our stockholders. In evaluating candidates recommended by our stockholders, the Board of Directors applies the same criteria discussed above. Any stockholder recommendations for director nominees proposed for consideration by the Board should include the nominees' name and qualifications for Board membership and should be addressed in writing to the President, Applied Minerals, Inc., 110 Greene St., Suite 1101, New York, New York 10012. There have been no changes in the procedures by which shareholders may recommend candidates for director.

The Board has no set process for identifying and evaluating nominees for director, including shareholder nominees.

Mr. Levy was originally recommended for election as directors by Mr. Taft, a beneficial shareholder. Mr. Taft was recommended by Mr. Levy and another, now former, director. Mr. Stone was recommended by Mr. Zeitoun, a director and President and CEO. Mr. Zeitoun was elected a director pursuant to the terms of the Management Agreement with Material Advisors LLC ("Material Advisors").

Meetings and Meeting Attendance

During the year ended December 31, 2010, there were 9 meetings of the Board of Directors. Each of the incumbent directors who were on the Board of Directors during 2010 attended at least 75% of the total number of meetings of the Board of Directors.

Members of the Board are expected to attend annual shareholder meetings, including the upcoming shareholder meeting.

Committees

We do not have nominating, auditing or compensation committees and there are no procedures by which shareholders might recommend nominees to the Board of Directors. Rather, the Board of Directors, as a whole, performs the functions which would otherwise be performed by the audit, compensation and nominating committees. Our board views the addition of standing audit, compensation and nominating committees as an unnecessary additional expense and process to the Company given its stage of development.

Director Independence

The only directors deemed to be independent under the independence standards of Nasdaq are Messrs. Levy and Stone. They are also independent under the enhanced independence standards of Section 10A-3 of the Securities Exchange Act. Messrs. Zeitoun and Taft are not independent under the Nasdaq standards of independence. Mr. Zeitoun is an employee. Mr. Taft is not independent because of the size of his security holdings.

Audit Committee Financial Expert

The Board of Directors has determined that Mr. Levy is an audit committee financial expert as this term is defined in the rules of the Securities and Exchange Commission and is independent under the independence standards of Nasdaq and the enhanced independence standards of Section 10A-3 of the Securities Exchange Act.

Audit Committee Report

The Board of Directors has not created a separate audit committee or a charter for such a committee. The Board of Directors acts as an audit committee. The Board believes that a separate audit committee is not needed in light of the size of the Company and the involvement of the Board of Directors in Company operations.

In the discharge of its responsibilities, the Board of Directors has reviewed and discussed with management and the independent auditors the Company's audited financial statements for fiscal year 2010. In addition,

- A. The audit committee has reviewed and discussed the audited financial statements with management;
- B. The audit committee has discussed with the independent auditors the matters required to be discussed by the statement on Auditing Standards No. 141, as amended;
- C. The audit committee has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent accountant the independent accountant's independence; and
- D. Based on the review and discussions referred to in paragraphs (A) through (C) above, the audit committee recommended to the Board of Directors that the audited financial statements be included in the company's annual report on Form 10-K for the last fiscal year for filing with the Commission.

Directors performing the function of the Audit Committee:

John Levy
Evan Stone
David Taft
Andre Zeitoun

Policy on Board of Directors' Pre-Approval of Audit and Non-Audit Services of Independent Auditors

The Board of Directors is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The Board of Directors has established a policy regarding pre-approval of all audit and non-audit services provided by the independent auditors. On an ongoing basis, management communicates specific projects and categories of services for which advance approval of the Board of Directors is requested. The Board of Directors reviews these requests and advises management if the Board of Directors approves the engagement of the independent auditors for specific projects. On a periodic basis, management reports to the Board of Directors regarding the actual spending for such projects and services compared to the approved amounts.

Management is responsible for the preparation and integrity of the Company's financial statements. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Board of Directors has independently met and held discussions with management and the independent registered public accounting firm.

PIK Note Transactions

Beginning on December 30, 2008, the Company has sold \$10,600,000 of 10% PIK Election Convertible Notes due December 15, 2018 (“PIK Notes”) in seven tranches. The notes varied only as to the conversion price, which in each case was at or above the market price on the date of sale. The conversion prices range from \$0.35 to \$1.00. Such note is convertible into shares of Company common stock at the conversion price per share at any time after the Company has authorized sufficient shares to convert all such amounts outstanding under the notes into common stock. The amount outstanding may be converted into common stock at discretion of the company the conversion price per share when (i) the average market price for the common stock is in excess of the conversion price and (ii) either (a) the Company has filed and caused to become effective a registration statement for the resale of the number of shares of common stock into which the outstanding amount of the note is convertible, or (b) such shares are resalable under Rule 144. Interest on notes of such series may be paid by issuance of additional notes, by increasing the principal amounts under such notes, or in cash. Interest payable on such note through December 15, 2010 has been paid by the issuance of additional PIK Notes.

The principal under the notes is due December 15, 2018 subject to earlier acceleration or conversion of the notes as described below. The notes bear interest at the rate of 10% per annum payable (including by issuance of additional in-kind notes) semi-annually in arrears on June 15 and December 15 of each year. The number of shares issued on conversion of a note will be derived by dividing the principal and accrued interest on the note by the conversion price (the “Strike Price”). The Strike Price will be subject to adjustment in the event of a dividend or distribution on Company’ common stock in shares of common stock, subdivision or combination of Company outstanding common stock, or reclassification of Company’s outstanding common stock.

Set forth below is information about purchases of 10% PIK Election Notes by The IBS Turnaround Fund (QP) (A Limited Partnership) The IBS Turnaround Fund (A Limited Partnership) since Ja.

Management Agreement With Material Advisors

Messrs. Zeitoun and Carney were appointed to positions with the Company pursuant to an agreement with Material Advisors, of which they are members and owners.

On December 30, 2008, the Company entered into a Management Agreement with Material Advisors, a management services company (“Manager”). The Management Agreement, commencing on January 1, 2009, had a term ending on December 31, 2010 with automatic renewal for successive one-year periods unless either Manager or Company provided 90 days prior notice of cancellation to the other party or pursuant to the termination provisions of the Management Agreement. Under the Management Agreement, Manager is to perform or engage others, including Mr. Zeitoun, a principal of Manager, Christopher Carney and Eric Basroon (“Management Personnel”) to perform senior management services including such services as are customarily provided by a chief executive officer but not (unless otherwise agreed) services customarily provided by a chief financial officer (it was subsequently agreed to have Mr. Carney perform as Interim Chief Financial Officer). Pursuant to the Management Agreement, Andre Zeitoun is serving as the Company’s Chief Executive Officer and as a member of the Company’s Board of Directors.

The services provided by Manager include, without limitation, consulting with the Board of Directors of the Company and the Company’s management on business and financial matters, including matters related to (i) new business development, creating and implementing the Company’s business plan and overseeing and supervising the Company’s operations, (ii) preparation of operating budgets and business plans, (iii) Company’s corporate and financial structure, (iv) formulation of long term business strategies, (v) recruiting senior management, (vi) financing, (vii) transactions with third parties, including mergers and acquisitions, (viii) evaluating potential sale or exit opportunities, structuring and negotiating a sale of the Company, or leveraged recapitalization, and (ix) resolving investigations and litigation involving the Company. Manager is paid an annual fee of \$1,000,000 per year for the three-year term of the Management Agreement, payable in equal monthly installments of \$83,333. Manager will be solely responsible for the compensation of the Management Personnel and the Management Personnel will not be entitled to any direct compensation or benefits from the Company (including in the case of Mr. Zeitoun, for service on the Board). The Management Agreement does not specify the levels of compensation to Messrs. Zeitoun or Carney. Additionally, the Company granted Manager non-qualified stock options to purchase, for \$0.70 per share (the “\$0.70 Option”) a number of shares of the Company equal to 10% of the outstanding common stock of the Company on a fully diluted basis (which shall vest in equal monthly installments over three years). On December 31, 2008, the closing stock price of the Company’s Common Stock was \$0.15.

The following sets forth the treatment of the \$0.70 Option in the event of a “going private transaction.” Upon the consummation of a transaction resulting in (i) the Company ceasing to be a SEC reporting company, or having less than 300 shareholders of record and (ii) David A. Taft, IBS Capital LLC, The IBS Turnaround Fund L.P., The IBS Turnaround Fund (QP), The IBS Opportunity Fund (BVI) Ltd., or any of their affiliates or related entities own in the aggregate more than 50% of the outstanding equity capital of the Company immediately following such transaction (a “Going Private Transaction”), the \$0.70 option will be cancelled and replaced by a non-qualified option (the “Going Private Option”), accompanied by a tandem stock appreciation right (the “SAR”). The Going Private Option will provide Manager the right to purchase the same percentage of Company’s (or its successor’s) outstanding shares of common stock after giving effect to the going private transaction that were subject to the \$0.70 Option. The SAR will entitle Manager to receive either shares of common stock or cash equal in value to the excess of the fair market value of a share of common stock on the date of exercise over the base price per share under the SAR. The exercise price of the Going Private Option and the base price under the SAR will be the fair market value per share to be paid in the Going Private Transaction to shareholders who are not investing in the going private vehicle. The term of the \$0.70 Option, the Going Private Option and the SAR will be 10 years. During such periods, the Going Private Option and the SAR will be fully exercisable.

On February 8, 2011, the Board of Directors extended the Management Agreement through December 31, 2012. As part of the extension, the Managers were granted options to purchase 2,904,653 shares of common stock of the Company at \$0.83 per share with a 10-year term, vesting equally over twelve months beginning January 1, 2012.

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors, and any person who beneficially owns more than 10% of our common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors, and more than 10% shareholders are required by regulation to furnish us with copies of all Section 16(a) forms which they file. During 2010, certain of our directors and executive officers who own our stock filed Forms 3 or Forms 4 with the Securities and Exchange Commission.
