ITEM 5. OTHER EVENTS.

On May 28, 2002, ClearOne Communications, Inc. (the "Company") confirmed that E.mergent, Inc. ("E.mergent") revised its employment agreement with Robin Sheeley, its Chief Technology Officer, effective May 22, 2002. In August 1999, E.mergent entered into a three-year employment agreement with Mr. Sheeley as its Chief Technology Officer. The original employment agreement provided that Mr. Sheeley could terminate his employment as a result of a change in control. The primary areas of revision include an expansion of the noncompete provisions from twelve months to thirty-six months; and a new consulting provision, that allows E.mergent, at its option, to retain Mr. Sheeley as a consultant for up to two years from the date of termination of Mr. Sheeley's employment following any change of control. In addition, the revised employment agreement expressly permits the assignment of the agreement to the Company. These changes resulted from discussions between the Company and Mr. Sheeley regarding his future role with the Company. As a result, the Company currently intends to retain the services of Mr. Sheeley as a consultant with respect to technology development and marketing following its acquisition of E.mergent.
