Compensation Arrangements

## Edgar Filing: INNOVO GROUP INC - Form 8-K

On May 12, 2006, Innovo Group Inc., or the Company, conducted an annual meeting of its Board of Directors, or the Board. At such annual meeting, the Board approved certain resolutions relating to compensation for itself and its named executive officers. First, the Compensation Committee of the Board approved an stock option grant pursuant to the Company's 2004 Stock Incentive Plan for services as a member of the Board to each of its non-employee directors in the amount of a nonqualified option to purchase up to 75,000 shares of the Company's common stock at \$1.02, which was the closing price of the Company's common stock on May 12, 2006. Each option will have a term of ten (10) years from the date of grant and will be exercisable in full immediately. The Board does not receive any cash compensation other than reimbursement for ordinary and customary business expenses incurred in connection with travel and attendance at meetings.

In addition, the Compensation Committee of the Board authorized a direct amendment in accordance with the 2004 Stock Incentive Plan to certain of the options previously granted to Marc Crossman and Richard Quiroga, the Company's Named Executive Officers, to reduce the exercise price to \$1.02, which was the closing price of the Company's common stock on May 12, 2006. Mr. Crossman also forfeited a previous option grant to purchase 1,000,000 shares of the Company's common stock pursuant to the Company's 2000 Employee Stock Incentive Plan in exchange for a new option to purchase 1,000,000 shares of the Company's common stock at \$1.02 pursuant to the 2004 Stock Incentive Plan. This option will have a term of ten (10) years from the date of grant and be exercisable in full immediately.

The Compensation Committee also evaluated Mr. Crossman's annual salary and made no changes to it.

### ITEM 2.01 Completion of Acquisition or Disposition of Assets

As previously disclosed in our Quarterly Report on Form 10-Q for the period ended February 25, 2006 filed with the Securities and Exchange Commission on April 6, 2006, the Company announced that on March 31, 2006, the Company entered into an Asset Purchase Agreement, or APA, with Cygne Designs, Inc., or Cygne. Cygne is a designer, merchandiser and manufacturer of branded and private label women's denim, casual and career apparel with its principal executive offices in New York, NY.

Pursuant to the APA, the Company agreed to sell to Cygne certain assets related to its private label apparel division. These assets included the private label division's customer list, the assumption of current workforce related to the private label division, the assumption of all existing purchase orders and inventory related to the private label division, and the assumption of the benefit of a non-compete clause in favor of Azteca. In exchange for the purchased assets, Cygne assumed certain liabilities associated with the Company's private label division, including, the remaining obligation under the original promissory note executed in favor of Azteca Production International, Inc. under the original asset purchase agreement pursuant to which it purchased the private label division assets, or the Blue Concept APA, all other liabilities, excluding the original promissory note, owed in connection with our operation

of the private label division to Azteca in excess of \$1,500,000, all liabilities associated with our outstanding purchase orders and inventory schedules listed in the APA, and the obligation to continue to pay the earn out under the Blue Concept APA. The aggregate value of the assumed liabilities, which will represent the purchase price for the transaction, is approximately \$10,437,000, and may be subject to certain post closing permitted adjustments related to the payment of certain audit related fees.

On May 12, 2006, the Company completed the disposition of these assets after obtaining stockholder approval to approve the sale of certain of the assets of the private label division pursuant to the APA. The aggregate value of the assumed liabilities remained at \$10,437,000 as of the closing date.
