Item 1.01. Entry into a Material Definitive Agreement.

The stockholders of Denny's Corporation (the "Company") approved the Denny's Corporation 2004 Omnibus Incentive Plan (the "Plan") at a special meeting of stockholders held on August 25, 2004. The purpose of the Plan is to promote the Company's success by linking the personal interests of its employees, officers, directors and consultants to those of its stockholders, and by providing participants with an incentive for performance. The Plan is administered by the Compensation Committee of the Board of Directors or the Board of Directors as a whole. Ten million shares of the common stock of the Company are reserved for

issuance upon the grant or exercise of awards pursuant to the Plan.

The Plan authorizes the granting of incentive awards from time to time to selected employees, officers directors and consultants of the Company and its affiliates. Awards may be in any of the following forms: (i) options to purchase shares of common stock, which may be non-qualified stock options or incentive stock options under the U.S. tax code (the "Code"); (ii) stock appreciation rights; (iii) performance awards; (iv) restricted stock; (v) restricted stock units; (vi) deferred stock units; (vii) dividend equivalents; (viii) other stock-based awards in the discretion of the Compensation Committee, including unrestricted stock grants; and purely cash-based awards. The Compensation Committee may designate any award other than a market-priced option or stock appreciation right as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m), in accordance with the Plan.

Pursuant to the Plan, on November 10, 2004, the Company granted awards of stock options ("Options") and restricted stock units ("RSUs") to its executive officers in amounts set forth in the table below. The Options are exercisable for \$2.42 per share, and vest in 33 1/3% increments on December 29, 2004, 2005 and 2006, contingent upon the achievement of an increase in same store sales for the fourth quarter of 2004 and certain individual employee performance goals. The RSUs vest after five years of continued employment with the Company, subject to accelerated performance-based vesting as follows: up to one-third of the RSUs may be earned and will vest on each of June 30, 2005, 2006 and 2007, based on the Company's total shareholder return compared with a peer group over the 12-month period preceding the applicable vesting date. Vested RSUs will be settled 50% on the one-year anniversary of the vesting date and 50% on the two-year anniversary of the vesting date, and will be paid one-half in cash and one-half in stock, based on a 1-for-1 conversion with the fair market value of the Company's common stock on the date of settlement.
