Item 5. Other Events and Required FD Disclosure

Cathay General Bancorp (the "Bancorp") is the holding company for Cathay Bank (the "Bank"). The Bank is subject to regulation, supervision, and regular examination by the Federal Deposit Insurance Corporation ("FDIC") and other regulators.

Following a regular examination by the FDIC, the Bank's Board of Directors, on June 17, 2004, approved and signed a memorandum of understanding ("MOU") with the FDIC in connection with certain deficiencies identified by the FDIC relating to the Bank's compliance with certain provisions of the Bank Secrecy Act (the "BSA"). Under the terms of the MOU, the Bank must comply in all material respects with the BSA within 90 days from the MOU's effective date. The MOU requires in part that the Bank perform an analysis of its BSA risk profile and implement a written action plan designed to ensure compliance with the BSA. Such plan will include revisions of the Bank's policies and procedures, enhancements of the Bank's internal controls for BSA compliance, independent compliance testing, dedicated compliance staff, and regular employee training.

The MOU is expected to result in additional BSA compliance expenses for the Bank, although these expenses are not anticipated to have a material financial impact on the Bancorp. It may also have the effect of limiting or delaying the Bank's and the Bancorp's ability to obtain regulatory approval for certain expansionary activities.
