**Item 8.01 OTHER EVENTS**

On July 19, 2005, the Board of Directors of Commercial Bank & Trust of PA (the "Bank") entered into a Memorandum of Understanding with the Commonwealth of Pennsylvania, Department of Banking (the

"Department") and the Federal Deposit Insurance Corporation (the "FDIC"). -

The Bank is a wholly owned subsidiary of Commercial National Financial Corporation (NASDAQ:CNAF) The Bank is subject to supervision by the FDIC and the Department.

This accord sets forth an informal understanding among the Bank, the FDIC and the Department, that the Bank will enhance its operating plans, modify its board oversight functions and update its interest rate risk policies.

The Board of Directors believes that the accord will have no material impact on the Company's operating results or financial condition and that it will not constrain the Company's business.

In a related matter, the Board of Directors voted to notify the Federal Reserve Board of the Company's desire to terminate its discretionary election to be classified as a financial holding company. In addressing certain items leading to the accord, management determined that the continuation of such status was not warranted. The Company will return to its prior status as a bank holding company and continue to be under the supervision of the Federal Reserve Board.

The Board of Directors believes that the Company's return to bank holding company status will also have no material impact on the Company's operating results or financial condition. The Company does not currently engage in any activities permissible only for a financial holding company. This change in status is in keeping with the Board of Directors' business strategy of concentrating on the efficient operation of the core bank subsidiary.

In addition to Latrobe where it is headquartered, the company operates community banking facilities in Greensburg, Hempfield Township, Ligonier, North Huntingdon, Unity Township and West Newton, Pennsylvania and also maintains a commercial business development sales force throughout its entire market area. Commercial Bank & Trust of PA also serves its customer base from an Internet banking site ([www.cbthebank.com](http://www.cbthebank.com)) and an automated TouchTone Teller banking system. The company operates an asset management & trust division headquartered in Greensburg, Pennsylvania.
