PROXY STATEMENT  
-----

ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD FEBRUARY 25, 2004

The Board of Directors of The InterGroup Corporation ("InterGroup" or the "Company") is soliciting proxies in the form enclosed with this statement in connection with its fiscal 2003 Annual Meeting of Shareholders to be held on February 25, 2004 or at any adjournments thereof. Only shareholders of record at the close of business on January 9, 2004 are entitled to notice of, and to vote at, the Annual Meeting.

Each shareholder is entitled to cast, in person or by proxy, one vote for each share held of record at the close of business on January 9, 2004. As of January 9, 2004 there were outstanding 2,530,384 shares of common stock, par value \$.01 per share (the "Common Stock"), the only outstanding voting security of the Company. Of the total 2,530,384 shares outstanding, a majority, or 1,265,193 voting shares will constitute a quorum for the transaction of business at the meeting. The affirmative vote of the holders of the majority of the shares of the Common Stock present and represented at the meeting and entitled to vote is required to elect directors and ratify the selection of the Company's independent auditors.

The proxies named in the accompanying Form of Proxy will vote the shares represented thereby if the proxy appears to be valid on its face, and where specification is indicated as provided in such proxy, the shares represented will be voted in accordance with such specification. If no specification is made, the shares represented by the proxies will be voted (1) to elect two Board nominees for Class A Directors for a three-year term expiring at the fiscal 2006 Annual Meeting of Shareholders; and (2) for the ratification of the retention of PricewaterhouseCoopers LLP as the Company's independent auditors for the fiscal year ending June 30, 2004.

If you give us a proxy, you can revoke it at any time before it is used. To revoke it, you may file a written notice revoking it with the Secretary of the Company, execute a proxy with a later date or attend the meeting and vote in person.

This Proxy Statement and the accompanying Form of Proxy are first being sent to shareholders on or about January 27, 2004. In addition to mailing this material to shareholders, the Company has asked banks and brokers to forward copies to persons for whom they hold stock of the Company and to request authority for the execution of proxies. The Company will reimburse banks and brokers for their reasonable out-of-pocket expenses in doing so. Officers of the Company may, without being additionally compensated, solicit proxies by mail, telephone, telegram or personal contact. All proxy soliciting expenses will be paid by the Company. The Company does not expect to employ anyone else to assist in the solicitation of proxies.

PROPOSAL I  
Election of Class A Directors

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of Directors, presently six, is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered

## Edgar Filing: INTERGROUP CORP - Form DEF 14A

classes, each class having not less than one nor more than three members. Each Director is elected to serve for a three-year term, and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the Directors then in office may continue to exercise the powers of the Directors and a majority of such directors may select a new Director to fill the vacancy. Any Director may resign at any time. Any Director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the Directors that such Director be removed.

The term of the Class A Directors expires at the fiscal 2003 Annual Meeting to be held on February 25, 2004. The Board proposes John V. Winfield and Josef A. Grunwald as Class A Directors to serve until the fiscal 2006 Annual Meeting and until the election and qualification of their successors. The Board of Directors has been informed that the nominees have consented to being named as nominees and are willing to serve as Directors if elected. However, if any nominee should be unable, or declines to serve, it is intended that the proxies will be voted for such other person as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying Proxy, the person's name therein will vote FOR the election of this nominee. Election requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

### BOARD AND COMMITTEE INFORMATION

The Board of Directors of InterGroup is comprised of six members. With the exception of Mr. Winfield, all of the directors meet the standards for "independence" set forth in the applicable rules of the Securities and Exchange Commission ("SEC") and The Nasdaq Stock Market, Inc. ("Nasdaq"). The Board of Directors held six meetings during the 2003 Fiscal Year (in person, telephonically or by written consent). No Director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he or she served as Director during the 2003 Fiscal Year.

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Committee. Mr. Winfield is Chairman of the Executive Committee. The Committee held three meetings (in person, telephonically or by written consent) during the 2003 Fiscal Year.

The Company's Administrative and Compensation Committee is comprised of "independent" members of the Board of Directors as independence is defined by the applicable rules of the SEC and Nasdaq. The Committee reviews and recommends executive salaries and any stock based compensation plans. Mr. Nance is Chairman of the Administrative and Compensation Committee. This

## Edgar Filing: INTERGROUP CORP - Form DEF 14A

committee held two meetings during the 2003 Fiscal Year. This Committee also oversees the Company's two Stock Option Plans.

The Company has a Real Estate Investment Committee, which is chaired by Mr. Nance. This committee held three meetings (in person, telephonically or by written consent) during the 2003 Fiscal Year. The Real Estate Investment Committee reviews and considers potential acquisitions and dispositions of property.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by the applicable rules of the SEC and Nasdaq. The Company has not established a charter for the Nominating Committee and the Committee has no policy with regard to consideration of any director candidates recommended by security holders. As a small business issuer whose directors own in excess of fifty percent of the voting shares of the Company, InterGroup has not deemed it appropriate to institute such a policy. Mr. Love is the Chairman of the Nominating Committee. The Committee held one meeting during the 2003 Fiscal Year.

The Company's Securities Investment Committee oversees and establishes certain investment procedures and reports to the Board of Directors. The Committee's Chairman is Mr. Winfield. This committee held five meetings (in person, telephonically or by written consent) during the 2003 Fiscal Year.

The Company's Special Strategic Options Committee is chaired by Mr. Winfield. This committee held no formal meetings during the 2003 Fiscal Year, but its members consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

4

The Company is a small business issuer under SEC rules. The Company's Audit Committee is currently comprised of Messrs. Nance (Chairperson) and Love, each of who meet the independence requirements of the SEC and Nasdaq as modified or supplemented from time to time. Each of those directors also meets the Audit Committee Financial Expert requirement as defined by the SEC and Nasdaq. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the financial reporting process, the annual independent audit of the Company's financial statements, reviewing the financial reports provided by the Company to any governmental body or the public; the Company's system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting and financial processes generally. The Audit Committee is also responsible for the selection and retention of the Company's independent auditors. The Audit Committee held five meetings during the 2003 Fiscal Year. On June 8, 2000, the Company's Board of Directors adopted a written charter for the Audit Committee, which was subsequently amended in January 2003 and December 2003. A copy of that written charter, as amended, is attached as Appendix A to this proxy statement.

(6) On January 31, 2001, Mr. Gonzalez was granted options to purchase up to 15,000 shares (adjusted for stock split) of the Common Stock of the Company at an exercise price of \$13.17 per share, which was the closing price of the Common Stock on the date of grant. The term of the options is for the period beginning January 31, 2002 and ending on January 30, 2011. No options may be exercised prior to January 31, 2003 and vest at a rate of 1,500 shares per year between January 31, 2003 and January 31, 2006, and at a rate of 2,250 shares per year between January 31, 2007 and January 31, 2010.

On July 18, 2003, the independent and disinterested members of the respective Boards of Directors of the Company's subsidiary, Santa Fe and Santa Fe's subsidiary, Portsmouth, established a performance compensation program for the Company's CEO, John V. Winfield, to keep and retain his services as a direct and active manager of the securities portfolios of those companies. The Company's previous experience and results with outside money managers was not acceptable. Pursuant to the criteria established by those Boards of Directors, Mr. Winfield will be entitled to performance compensation for his management of the securities portfolios of those companies equal to 20% of all net investment gains generated in excess of the performance of the S&P 500 Index. Compensation amounts will be calculated and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the companies have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. The compensation program shall be administered in a manner to limit the impact of the Internal Revenue Code provisions discussed below. This performance compensation program may be modified or terminated at the discretion of the respective Boards of Directors. It is expected that the Compensation Committee and the disinterested members of the Board of Directors of InterGroup will also consider the adoption of an appropriate performance based compensation arrangement for the CEO's management of its securities portfolio.

### Internal Revenue Code Limitations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year. Certain remuneration, however, is not subject to disallowance, including compensation paid on a commission basis and, if certain requirements prescribed by the Code are satisfied, other performance based compensation. Since InterGroup, Santa Fe and Portsmouth are each public companies, the \$1,000,000 limitation applies separately to the compensation paid by each entity. For fiscal 2003, 2002 and 2001 no compensation paid by the Company to its CEO or other executive officers was subject the deduction disallowance prescribed by Section 162(m) of the Code.

### OPTIONS/SAR GRANTS IN LAST FISCAL YEAR

Subject to certain adjustments upon changes in capitalization, the aggregate number of shares to be delivered upon exercise of all options granted under the Key Employee Plan shall not exceed 300,000 shares (adjusted for stock split). The Key Employee Plan shall terminate on the earliest to occur of (i) the dates when all of the Common Stock available under the Key Employee Plan shall have been acquired through the exercise of options granted under the Key Employee Plan; (ii) 10 years after the date of adoption of the Key Employee Plan by the Board; or (iii) such other date that the Board may determine.

The Key Employee Plan is administered by the Administrative and Compensation Committee appointed by the Board of Directors, which consists of two or more disinterested persons within the meaning of Rule 16b-3 promulgated pursuant to the Securities Exchange Act of 1934 (the "Exchange Act"). Persons eligible to receive options under the Key Employee Plan shall be employees who are selected by the Committee. In determining the Employees to whom options shall be granted and the number of shares to be covered by each option, the Committee shall take into account the duties of the respective employee, their present and potential contribution to the success of the Company, their anticipated number of years of active service remaining and other factors as it deems relevant in connection with accomplishing the purposes of the Key Employee Plan. An employee who has been granted an option may be granted an additional option or options as the Committee shall so determine.

The exercise price of the option shall be determined at the time of grant and shall not be less than 100% of the fair market value of the Common Stock at the time of the grant of the option. The term of the option shall not exceed 10 years from the date on which the option is granted. The vesting schedule for the options and the method or time when the option may be exercised in whole or

in part shall be determined by the Committee. However, in no event shall an option be exercisable within six months of the date of grant in the case of an optionee subject to Section 16(b) of the Exchange Act. Subject to certain exceptions, the option shall terminate six months after the optionee's employment with the Company terminates. No options to purchase shares were granted pursuant to the Key Employee Plan during fiscal 2003.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 4, 1998, the Administrative and Compensation Committee authorized the Company to obtain whole life and split dollar insurance policies covering the Company's President and Chief Executive Officer, Mr. Winfield. During fiscal 2003 and 2002, the Company paid annual premiums in the amount of approximately \$42,500 for the split dollar insurance policy owned by, and the beneficiary of which is, a trust for the benefit of Mr. Winfield's family. The Company has a secured right to receive, from any proceeds of the policy, reimbursement of all premiums paid prior to any payments to the beneficiary.

On June 30, 1998, the Company's Chairman and President entered into a voting trust agreement with the Company giving the Company the power to vote his 4.0% interest in the outstanding shares of the Santa Fe common stock.

In May 1996, the Company's Chairman and President exercised options to purchase 187,500 shares of Common Stock at a price of \$7.67 per share through a full recourse note in the principal amount of \$1,437,500 due to the Company on demand with an original due date of May 16, 2001. Interest on the note was at floating rate at the lower of 10% or the prime rate with interest payable quarterly. On May 2, 2001, the Company extended the due date to May 16, 2003. On May 16, 2003, the Chairman settled his related party promissory note by making a cash payment to the Company in the amount of \$722,683.50, which was equal to one half of the principal and accrued interest due on the note. The balance of the obligation was satisfied through the forgiveness of debt. The transaction was approved by the disinterested members of the Company's Board of Directors and by its Audit Committee. The amounts due on the note had been reflected as a reduction in shareholders' equity on the Company's balance sheet. During the fiscal years ended June 30, 2003 and 2002, the Chairman of the Company made interest payments of approximately \$55,500 and \$76,650 respectively on the note.

Chief Executive officer, John V. Winfield, oversees the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of Santa Fe and Portsmouth and oversees the investment activity of those companies. Depending on certain market conditions and various risk factors, the Chief Executive Officer, his family, Santa Fe and Portsmouth may, at times, invest in the same companies in which the Company invests. The Company encourages such investments because it places personal resources of the Chief Executive Officer and his family members, and the resources of Santa Fe and Portsmouth, at risk in connection with investment decisions made on behalf of the Company.

For fiscal 2003, the Company's subsidiary Santa Fe and Santa Fe's subsidiary, Portsmouth paid the Company's CEO \$653,533 in performance bonuses based on the results of Mr. Winfield's management of the securities portfolios of those companies for the fiscal year ended June 30, 2003. The bonuses were approved by the independent and disinterested members of the Boards of Directors of Santa Fe and Portsmouth.

During the years ended June 30, 2003 and 2002, the Company made payments of approximately \$689,000 and \$484,000, respectively, to Christensen, Miller, Fink, Jacobs, Glaser, Weil & Shapiro, LLP.

### PROPOSAL II

#### Ratification of Appointment of Independent Auditors

The Audit Committee of the Board of Directors has selected the firm of PricewaterhouseCoopers LLP, certified public accountants, to continue as the Company's independent auditors for the fiscal year ending June 30, 2004 and recommends to the shareholders that they vote for the ratification of this selection. Ratification requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting. The Board expects that representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting to respond to appropriate questions from Shareholders, and the Board will provide these representatives with an opportunity to make a statement if they desire to do so.

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SEC UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

#### AUDIT COMMITTEE REPORT

The Audit Committee's responsibilities are described in a written charter adopted by the Board of Directors, which is attached as Appendix A to this Proxy Statement. The Audit Committee primary duties and responsibilities are to: serve as an independent and objective party to monitor the Company's financial reporting process and internal control system; appoint and approve the compensation of the Company's independent accountants; review and appraise the audit efforts of the Company's independent accountants; and provide an open

avenue of communications among the independent accountants, financial and senior management, and the Board of Directors. During fiscal year ended June 30, 2002, the Company retained its independent accountants, PricewaterhouseCoopers LLP, to provide audit and audit related services. There were no fees paid for non-audit services.

The Audit Committee reviewed and discussed the audited financial statements with management and PricewaterhouseCoopers LLP and management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principals. The discussions with PricewaterhouseCoopers LLP also included the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by SAS No. 90 with respect to quarterly financial statements. The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), which was discussed with PricewaterhouseCoopers LLP.

Based on the Audit Committee's review of the audited financial statements, and the review and discussions with management and PricewaterhouseCoopers LLP referred to above, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended June 30, 2003 for filing with the Securities and Exchange Commission.

THE AUDIT COMMITTEE:  
WILLIAM J. NANCE, CHAIRPERSON  
JOHN C. LOVE

### Principal Accountant Fees and Services.

Audit Fees - The aggregate fees billed for each of the last two fiscal years ended June 30, 2003 and 2002 for professional services rendered by PricewaterhouseCoopers LLP, the principal accountant for the audit of the Company's annual financial statements and review of financial statements included in the Company's Form 10-QSB or services normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years, were as follows: Fiscal 2003 - \$115,000; Fiscal 2002 - \$95,740.

12

There were no fees paid to PricewaterhouseCoopers LLP for "Audit Related Fees", "Tax Fees" or for "Other Fees" as defined in Item 9(e) of Schedule 14A.

All of the services and fees described above were approved by the Company's Audit Committee. It is the Audit Committee's policy to approve all services to be performed by the Company's principal accountant prior to the rendering of those services.

All hours expended on the principal accountant's engagement to audit the Company's financial statements for the most recent fiscal year were attributed to work performed by persons that were the full time, permanent employees of PricewaterhouseCoopers LLP.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT AUDITORS FOR THE COMPANY.

Purpose:  
-----

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the Company's financial reporting process, the Company's systems of internal

## Edgar Filing: INTERGROUP CORP - Form DEF 14A

accounting and financial controls, and the annual independent audit of the Company's financial statements.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention and shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Committee are in place to represent the Company's shareholders, and the outside auditor is ultimately accountable to the Board and the Committee as such representatives of shareholders. It is the responsibility of the Committee to maintain free and open means of communication between the Board, the outside auditor and the financial management and internal auditors of the Company.

The Committee shall review the adequacy of this Charter on an annual basis.

### Membership:

-----

The Committee shall be comprised of "independent" directors that meet the composition requirements as defined by the rules of the Securities and Exchange Commission ("SEC") and The Nasdaq Stock Market ("Nasdaq") as may be modified and supplemented from time to time. Accordingly, all of the members of the Committee will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company;
2. Are not affiliates of the Company;
3. Do not receive any compensation from the Company other than in the capacity as director; and
4. Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee.

In addition, at least one member of the Committee will qualify as an audit committee financial expert as defined by the Securities and Exchange Commission.

The members of the Committee shall be elected by the Board at the annual meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a Chairman of the Committee is elected by the full Board, the members of the Committee may designate a Chairman of the Committee by majority vote of the full Committee Membership.

### Meetings:

-----

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. Minutes of each meeting of the Committee should be recorded by the Secretary to the Committee. Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Committee may also act by unanimous written consent without a meeting. As part of its job to foster open

communication, the Committee should meet at least annually with management and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed

## Edgar Filing: INTERGROUP CORP - Form DEF 14A

privately. In addition, the Committee or at least its Chairman should meet with the independent accountants and management quarterly to review the Company's financials consistent with #2 below. The Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

### Key Responsibilities:

-----

The Committee's job is one of oversight, and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the outside auditor is responsible for auditing those financial statements pursuant to professional standards. Additionally, the Committee recognizes that financial management has more time, knowledge and detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances.

1. The Committee shall review with management and the outside auditor the audited financial statements to be included in the Company's Annual Report on Form 10-KSB (or the Annual Report to Shareholders if distributed prior to the filing of the Form 10-KSB) prior to the filing of the Form 10-KSB or, if deemed appropriate, prior to any year-end earnings release. The Committee shall review and consider with the outside auditors all matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, as amended by SAS No. 90, by auditors with audit committees.

2. As a whole, or through the Committee chair, the Committee shall review with the outside auditor the Company's interim financial results to be included in the Company's quarterly reports to be filed with Securities and Exchange Commission and the matters required to be discussed by SAS No. 61, as amended by SAS No. 90 with respect to quarterly financial statements. Such review will occur prior to the Company's filing of the Form 10-QSB or, if deemed appropriate, prior to any quarterly earnings releases.

3. Review disclosures made to the Committee by the Company's CEO and CFO during their certification process for the Form 10-KSB and Form 10-QSB about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

4. The Committee shall:

(a) request from the outside auditor annually a formal written statement delineating all relationships between the auditor and the Company consistent with Independence Standards Board Standard No. 1;

(b) discuss with the outside auditor any disclosed relationships or services which may impact the outside auditor's objectivity or independence; and

(c) recommend that the Board take appropriate action in response to the outside auditor's report to satisfy itself of the auditor's independence.

## Edgar Filing: INTERGROUP CORP - Form DEF 14A

5. The Committee shall have the sole authority to appoint or replace the independent auditor (subject, if applicable, to shareholder ratification). The Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Committee.

15

6. The Committee shall preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the company by its independent auditor, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted nonaudit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full Committee at its next scheduled meeting.

7. Review and discuss quarterly reports from the independent auditors on:

(a) All critical accounting policies and practices to be used.

(b) All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor.

(c) Other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.

8. Periodically consult with the independent accountants, out of the presence of management, about internal controls and the fullness and accuracy of the organization's financial statements.

9. Recommend to the Board policies for the Company's hiring of employees or former employees of the independent auditor who participated in any capacity in the audit of the Company.

10. Discuss with management the Company's use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussing the types of information to be disclosed and the types of presentations to be made).

11. Establish regular and separate systems of reporting to the Committee by each of management, the independent accountants, and the internal accountants regarding any significant judgments made in management's preparation of the financial statements, and the view of each as to appropriateness of such judgments.

12. Following completion of the annual audit, review separately with each of management and the independent accountants any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information.

13. Review any significant disagreement among management and the

## Edgar Filing: INTERGROUP CORP - Form DEF 14A

independent accountants in connection with the preparation of the financial statements.

14. Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

16

15. Establish, review, and update periodically a Code of Ethical Conduct, and ensure that management has established a system to enforce this Code.

16. Review and approve any transactions between the Company and its officers, directors or 5% shareholders.

17. The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

### Reporting Responsibilities:

The Committee shall prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement.

The Committee shall prepare such other reports for the full Board of Directors and others as it shall deem necessary to discharge its responsibilities under this Charter.
