Proposal No. 1

ELECTION OF CLASS B DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of Directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one or more than three members. Each Director is elected to serve for a three-year term, and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the Directors then in office may continue to exercise the powers of the Directors and a majority of such directors may select a new Director to fill the vacancy. Any Director may resign at any time. Any Director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the Directors that such Director be removed.

The term of the Class B Directors expire at the fiscal 2010 Annual Meeting to be held on February 23, 2011. The Board has proposed Gary N. Jacobs and William J. Nance as Class B Directors to serve until the fiscal 2013 Annual Meeting and until the election and qualification of their successors. The Board of Directors has been informed that the nominees have consented to being named as nominees and are willing to serve as directors if elected. However, if the nominees should be unable, or decline to serve, it is intended that the proxies will be voted for such other persons as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying Proxy, the persons named therein will vote FOR the election of these nominees. Election requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

BOARD AND COMMITTEE INFORMATION

InterGroup is a Smaller Reporting Company under the rules and regulations of the Securities and Exchange Commission ("SEC"). The Company's common stock is listed on the Capital Market tier of the NASDAQ Stock Market LLC ("NASDAQ").

The Board of Directors of InterGroup currently consists of five members. With the exception of the Company's President and CEO, John V. Winfield, all of InterGroup's Board of Directors consists of "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Board of Directors held four meetings during the 2010 Fiscal Year (in person, telephonically or by written consent). No Director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he served as Director during the 2010 Fiscal Year. The independent directors also meet in executive session at least two times per year.

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders are administrative in nature and are not directed to the Board of Directors. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

The Company does not have any formal policy with regard to board members attendance at annual meetings of shareholders but encourages each director to attend said meetings. All of the Company's directors, with the exception of Director Jacobs, attended the fiscal 2009 annual meeting of shareholders.

4

Committees:

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Committee. Mr. Winfield is Chairman of the Executive Committee. The Committee held two meetings (in person, telephonically or by written consent) during the 2010 Fiscal Year.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. As a Smaller Reporting Company whose directors own in excess of sixty eight percent of the voting shares of the Company, InterGroup has not deemed it appropriate to institute such a policy. This committee held no formal meetings during the 2010 Fiscal Year, but its members consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

The Company is a Smaller Reporting Company under SEC rules. The Company's Audit Committee is currently comprised of three members: Directors Nance (Chairperson), Grunwald and Love, each of who meet the independence requirements of the SEC and NASDAQ as modified or supplemented from time to time. (1) Mr. Winfield also serves as President and Chairman of the Board of the Company's subsidiary, Santa Fe, and Santa Fe's subsidiary, Portsmouth. Mr. Winfield received a salary from Santa Fe and Portsmouth in the aggregate amount of \$255,000 from those entities for each of fiscal years 2010 and 2009, as well as director's fees totaling \$12,000 for each year. Those amounts are included in this item.

(2) Dollar amount reflects the fair market value of 54,628 shares of common stock issued to Mr. Winfield upon the vesting of 54,628 Restricted Stock Units ("RSUs") on September 10, 2009 as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on the vesting date. The RSUs were issued pursuant to the Company's 2008 RSU Plan. On December 21, 2008, Mr. Winfield surrendered to the Company 225,000 fully vested stock options in exchange for 84,628 RSUs pursuant to an exchange offer made by the Compensation Committee as authorized by 2008 RSU Plan. Each RSU represents a promise to deliver, in the future, one share of Common Stock, subject to

Edgar Filing: INTERGROUP CORP - Form DEF 14A

certain vesting requirements and other restrictions. The number of RSUs to be issued under the exchange offer was determined by multiplying the number of options that were surrendered by the difference between the exercise price of the options surrendered (\$7.917) and the closing price of the Company's common stock on December 19, 2008 of \$12.69, with that product divided by the closing price of the common stock on December 19, 2008. Since the value of the RSUs issued equaled the value of the options surrendered, no dollar compensation amount was recognized for fiscal 2009. The RSUs are taxable as ordinary income to Mr. Winfield upon vesting and issuance of the shares of Common Stock. Mr. Winfield's remaining RSUs vest, and the shares of common stock are issuable, as follow: September 10, 2010 - 15,000; and September 10, 2011 - 15,000 shares.

6

(3) Dollar amount reflects aggregate grant date fair value, computed in accordance with FASB ASC Topic 718, of 100,000 stock options granted to Mr. Winfield on March 16, 2010 pursuant to the Company's 2010 Incentive Plan. The options expire 10 years from the date of grant and have an exercise price of \$10.30 per share, which was 100% of the fair market value of the Company's common stock as determined by reference to the closing price as reported on the NASDAQ Capital Market on March 16, 2010, the date of grant. The options are subject to both time and performance based vesting requirements, each of which must be satisfied before the options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 20,000 options vesting upon each one year anniversary of the date of grant. Pursuant to the performance vesting requirements, the options vest in increments of 20,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$10.30) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter.

(4) Amounts include an auto allowance and compensation for a portion of the salary of an assistant. The auto allowance was \$30,000 and \$29,000 during fiscal years 2010 and 2009, respectively. The amount of compensation related to the assistant was approximately \$57,000 and \$52,000 for fiscal years 2010 and 2009, respectively. During fiscal 2010 and 2009, the Company and its subsidiaries also paid annual premiums in the total amount of \$85,000 for split dollar whole life insurance policies owned by, and the beneficiary of which are, a trust for the benefit of Mr. Winfield's family. Of the \$85,000 in premiums paid each year, Santa Fe and Portsmouth paid \$43,000 of that amount. The Company has a secured right to receive, from any proceeds of the policies, reimbursement of all premiums paid prior to any payment to the beneficiary.

(5) Dollar amount reflects aggregate grant date fair value computed in accordance with FASB ASC Topic 718 of 5,000 stock options granted to Mr. Gonzalez on March 16, 2010 pursuant to the Company's 2010 Incentive Plan. The options expire 10 years from the date of grant and have an exercise price of \$10.30 per share. The options vest as follow: 2,500 options vest on March 16, 2011; and 2,500 options vest on March 16, 2012.

(6) Mr. Nguyen's salary is allocated approximately 50% to the Company and 50% to Santa Fe and Portsmouth.

(7) For fiscal 2010 and 2009, respectively, these amounts include \$105,000 and \$94,800 in salary allocated to and paid by Portsmouth and \$18,750 and \$16,200 in salary allocated to Santa Fe.

Compensation Committee and Executive Compensation

Edgar Filing: INTERGROUP CORP - Form DEF 14A

The Company's Administrative and Compensation Committee (the "Compensation Committee") is comprised of three "independent" members of the Board of Directors as independence is defined by the applicable rules of the SEC and NASDAQ. Mr. Nance serves as Chairman of the Compensation Committee. The Company has not established a charter for the Compensation Committee. The Compensation Committee reviews and recommends to the Board of Directors the compensation for the Company's Chief Executive Officer and other executive officers, including equity or performance based compensation and plans. The Compensation Committee seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. The Compensation Committee may delegate to the Company's Chief Executive Officer the authority to determine the compensation of certain executive officers. The Compensation Committee also oversees the Company's 2007 Stock Plan, the 2008 RSU Plan and the 2010 Incentive Plan.

On July 18, 2003, the disinterested members of the respective Boards of Directors of the Company's subsidiary, Santa Fe and Santa Fe's subsidiary, Portsmouth, established a performance based compensation program for the Company's CEO, John V. Winfield, to keep and retain his services as a direct and active manager of the securities portfolios of those companies. On January 12, 2004, the disinterested members of the Securities Investment Committee of InterGroup also established a performance based compensation program for Mr. Winfield, which was ratified by the Board of Directors. The Company's previous experience and results with outside money managers was not acceptable. Pursuant to the criteria established the Board of Directors, Mr. Winfield is

7

entitled to performance compensation for his management of the securities portfolios of the Company and its subsidiaries equal to 20% of all net investment gains generated in excess of an annual return equal to the Prime Rate of Interest (as published by the Wall Street Journal) plus 2%. Compensation amounts are earned, calculated and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the companies have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. This performance based compensation program may be modified or terminated at the discretion of the respective Boards of Directors. No performance based compensation was earned or paid for fiscal years ended June 30, 2010 or 2009.

Internal Revenue Code Limitations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year. Certain remuneration, however, is not subject to disallowance, including compensation paid on a commission basis and, if certain requirements prescribed by the Code are satisfied, other performance based compensation. Since InterGroup, Santa Fe and Portsmouth are each public companies, the \$1,000,000 limitation applies separately to the compensation paid by each entity. Stock option expenses are also amortized over a several years. For fiscal years 2010 and 2009, no compensation paid by the Company to its CEO or other executive officers was subject the deduction disallowance prescribed by Section 162(m) of the Code.

EQUITY COMPENSATION PLANS

The Company currently has three equity compensation plans, each of which has

Edgar Filing: INTERGROUP CORP - Form DEF 14A

been approved by the Company's stockholders. The Company's 1998 Stock Option Plan for Selected Key Officers, Employees and Consultants (the "Key Employee Plan") expired on December 8, 2008 and no options under the Key Employee Plan were granted in fiscal 2009. The Key Employee Plan was replaced by The InterGroup Corporation 2008 Restricted Stock Unit Plan (the "2008 RSU Plan"), described below. The Company's 1998 Stock Option Plan for Non-Employee Directors (the "Non-Employee Director Plan") was terminated upon shareholder approval, and Board adoption, of The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan"), described below, since all options authorized to be issued under the Non-Employee Director Plan were exhausted in fiscal 2006. Any outstanding options issued under the Key Employee Plan or the Non-Employee Director Plan remain effective in accordance with their terms.

The purpose of the Company's equity compensation plans is to provide a means whereby officers, directors and key employees of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of these plans is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to provide a means for such individuals to acquire and maintain stock ownership in the Company, thereby strengthening their concern for the welfare of the Company.

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan") was approved by the shareholders of the Company on February 21, 2007, and was thereafter adopted by the Board of Directors. The 2007 Plan will terminate upon the earlier of the date all shares reserved for issuance have been awarded or February 21, 2017, if not sooner terminated by the Board upon recommendation by the Compensation Committee. The stock to be available for issuance under the 2007 Stock Plan shall be unrestricted shares of the Company's Common Stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, a maximum of 60,000 shares of the Common Stock will be available for issuance to participants under the 2007 Stock Plan.

All non-employee directors are eligible to participate in the 2007 Stock Plan. Each non-employee director as of the adoption date of the 2007 Stock Plan was granted an award of 600 unrestricted shares of the Company's Common Stock. On each July 1 following the adoption date of the 2007 Stock Plan, each non-employee director shall receive an automatic grant of a number of shares of Company's Common Stock equal in value to \$18,000 based on 100% of the fair market value (as defined) of the Common Stock on the date of grant, provided he or she holds such position on that date and the number of shares of Common Stock available for grant under the 2007 Stock Plan is sufficient to permit such automatic grant. Any fractional shares resulting from such grant will be rounded up to next highest whole share. All stock awards to non-employee directors will be fully vested on the date of grant. The dollar amount of the annual grant is subject to further adjustment by the Board of Directors upon recommendation by the Compensation Committee.

The stock awards granted under the 2007 Stock Plan are shares of unrestricted Common Stock and are fully vested on the date of grant. The right of the non-

Edgar Filing: INTERGROUP CORP - Form DEF 14A

employee director to receive his or her annual grant of Common is personal to the director and is not transferable. Once received, shares of Common Stock awarded to the non-employee director are freely transferable subject to any requirements of Section 16(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). On June 28, 2007, Company filed a registration statement on Form S-8 to register the shares subject to the 2007 Stock Plan and the Company's two prior stock option plans under the Securities Act of 1933, as amended (the "Securities Act").

Upon recommendation of the Compensation Committee, the Board may, at any time and from time to time and in any respect, amend or modify the 2007 Stock Plan. The Board must obtain stockholder approval of any material amendment to the 2007 Stock Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the 2007 Stock Plan or any award agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the 2007 Stock Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

For the fiscal year ended June 30, 2010, the four non-employee directors of the Company, Josef A. Grunwald, Gary N. Jacobs, John C. Love and William J. Nance, each received a grant of 1,501 shares of Common Stock pursuant to the 2007 Stock Plan.

The InterGroup Corporation 2008 Restricted Stock Unit Plan

On December 3, 2008, the Board of Directors adopted, subject to shareholder approval, a new equity compensation plan for its officers, directors and key employees entitled, The InterGroup Corporation 2008 Restricted Stock Unit Plan (the "2008 RSU Plan"). The 2008 RSU Plan was approved and ratified by the shareholders on February 18, 2009.

The 2008 RSU Plan authorizes the Company to issue restricted stock units ("RSUs") as equity compensation to officers, directors and key employees of the Company on such terms and conditions established by the Compensation Committee of the Company. RSUs are not actual shares of the Company's common stock, but rather promises to deliver common stock in the future, subject to certain vesting requirements and other restrictions as may be determined by the Committee. Holders of RSUs have no voting rights with respect to the underlying shares of common stock and holders are not entitled to receive any dividends until the RSUs vest and the shares are delivered. No awards of RSUs shall vest until at least six months after shareholder approval of the Plan. Subject to certain adjustments upon changes in capitalization, a maximum of 200,000 shares of the common stock are available for issuance to participants under the 2008 RSU Plan. The 2008 RSU Plan will terminate ten (10) years from December 3, 2008, unless terminated sooner by the Board of Directors. After the 2008 RSU Plan is terminated, no awards may be granted but awards previously granted shall remain outstanding in accordance with the Plan and their applicable terms and conditions.

The shares of common stock to be delivered upon the vesting of an award of RSUs have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. The grant of RSUs is personal to the recipient and is not transferable. Once received, shares of common stock issuable upon the vesting of the RSUs are freely transferable subject to any requirements of Section 16(b) of the Exchange Act. Under the 2008 RSU Plan, the Compensation Committee also has the power and authority to establish and implement an exchange program that would permit the Company to offer holders of awards issued under prior shareholder approved compensation plans to exchange certain options for new RSUs on terms and conditions to be

Edgar Filing: INTERGROUP CORP - Form DEF 14A

set by the Committee. The exchange program is designed to increase the retention and motivational value of awards granted under prior plans. In addition, by exchanging options for RSUs, the Company will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to stockholders in the event of significant increases in the value of its common stock.

Pursuant to an exchange offer authorized by the Compensation Committee, a total of 2,564 RSUs were issued to four holders of Non-Employee Director stock options in exchange for a total of 12,000 stock options which were surrendered to the Company on June 30, 2010. The number of RSUs issued was determined by

10

multiplying the number of options that were surrendered by the difference between the exercise price of the options surrendered (\$12.00) and the closing price of the Company's common stock on June 30, 2010 of \$15.26, with that product divided by the closing price of the common stock on June 30, 2010. The 2,564 RSUs issued pursuant to that exchange offer vest on October 1, 2010.

The InterGroup Corporation 2010 Omnibus Employee Incentive Plan

On February 24, 2010, the shareholders of the Company approved The InterGroup Corporation 2010 Omnibus Employee Incentive Plan (the "2010 Incentive Plan"), which was formally adopted by the Board of Directors following the annual meeting of shareholders. The 2010 Incentive Plan authorizes a total of up to 200,000 shares of common stock to be issued as equity compensation to officers and employees of the Company in an amount and in a manner to be determined by the Compensation Committee in accordance with the terms of the Plan. The 2010 Incentive Plan authorizes the awards of several types of equity compensation including stock options, stock appreciation rights, performance awards and other stock based compensation. The 2010 Incentive Plan will expire on February 23, 2020, if not terminated sooner by the Board of Directors upon recommendation of the Compensation Committee. Any awards issued under the Plan will expire under the terms of the grant agreement.

The shares of common stock to be issued under the 2010 Incentive Plan have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. Once received, shares of common stock issued under the Plan will be freely transferable subject to any requirements of Section 16(b) of the Exchange Act.

On March 16, 2010, the Compensation Committee authorized the grant of 100,000 stock options to the Company's Chairman, President and Chief Executive, John V. Winfield to purchase up to 100,000 shares of the Company's common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$10.30, which equals 100% of the fair market value of the Company's Common Stock as determined by reference to the closing price of the Company's Common Stock as reported on the NASDAQ Capital Market on March 16, 2010, the date of grant. The options expire ten years from the date of grant, unless earlier terminated in accordance with the terms of the 2010 Plan. The options shall be subject to both time and performance based vesting requirements, each of which must be satisfied before options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 20,000 options vesting upon each one year anniversary of the date of grant. Pursuant to the performance vesting requirements, the options vest in increments of 20,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$10.30) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one

Edgar Filing: INTERGROUP CORP - Form DEF 14A

quarter.

On March 16, 2010, the Compensation Committee also authorized a grant of 5,000 stock options to the Company's Vice President Real Estate, David C. Gonzalez, to purchase up to 5,000 shares of the Company's common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$10.30 and the options expire ten years from the date of grant, unless earlier terminated in accordance with the terms of the 2010 Plan. The options vest as follows: March 16, 2011 - 2,500 shares; and March 16, 2012 - 2,500 shares.

Change in Controls Provisions in Equity Compensation Plans.

Under the Company's 2008 RSU Plan and its 2010 Incentive Plan, RSUs, stock options and other incentive awards may vest upon a change in control of the Company in accordance with their respective grant agreements. Outstanding unvested RSUs issued to the Company's CEO and to its Directors will immediately vest upon a change in control. Outstanding stock options issued to the Company's CEO and to its Vice President of Real Estate will also immediately vest and become exercisable upon a change in control. Except for the foregoing, there are no employment contracts between the Company and its Officers or Directors or any change in control arrangements.

Each non-employee director receives an annual cash retainer in the amount of \$16,000, to be paid in equal quarterly payments. With the exception of members of the Audit Committee, non-employee directors will not receive any additional fees for attending Board or Committee meetings, but will be entitled to reimbursement of their reasonable expenses to attend such meetings. Members of the Audit Committee are paid a fee of \$1,000 per quarter, with the Chair of that Committee to receive \$1,500 per quarter. Non-employee directors are also eligible for grants of equity compensation under the Company's 2007 Stock Plan and 2008 RSU Plan. The Audit Committee reviewed and discussed the audited financial statements with management and BPM, and management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The discussions with BPM also included the matters required by Statement on Auditing Standards No. 114 (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board (United States) in Rule 3200T regarding "Communication with Audit Committees."

The Audit Committee has also received the written disclosures and the letter from BPM required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, which was also discussed with BPM.

Based on the Audit Committee's review of the audited financial statements, and the review and discussions with management and BPM referred to above, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2010 for filing with the Securities and Exchange Commission.

PROPOSAL NO. 3

NON-BINDING VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which was added by the Dodd-Frank Wall Street and Consumer Protection Act (the "Dodd Frank Act") and the related rules of the SEC, we are including in these proxy materials a separate resolution subject to shareholder vote to approve, in a non-binding vote, the compensation of our named executive officers as disclosed on pages 6 to 11. The text of the resolution in respect of Proposal No. 3 is as follows:

Edgar Filing: INTERGROUP CORP - Form DEF 14A

"Resolved, that the shareholders approve, in a non-binding vote, the compensation of the Company's named executive officers as disclosed on Pages 6 to 11 in the Proxy Statement relating to the Company's Fiscal 2010 Annual Meeting to be held on February 23, 2011."

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR"
THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL NO. 4

NON-BINDING VOTE ON THE FREQUENCY OF SHAREHOLDER VOTES ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which was added by the Dodd-Frank Wall Street and Consumer Protection Act (the "Dodd Frank Act") and the related rules of the SEC, we are including in these proxy materials a separate resolution subject to shareholder vote to recommend, in a non-binding vote, whether a non-binding shareholder vote to approve the compensation of our named executive officers (that is similar to the non-binding vote in Proposal 3) should occur every one, two or three years. The text of the resolution with respect of Proposal 4 is as follows:

"Resolved, that the shareholders recommend, in a non-binding vote, whether a non-binding shareholder vote to approve the compensation of the Company's named executive officers should occur every one, two or three years"

In considering their vote, shareholders may wish to review the information presented in connection with Proposal 3 and the information on the Company's compensation policies and decisions regarding named executive officers as disclosed on pages 6 to 11. In addition, shareholders should note the following:

- * A triennial policy would permit shareholders and directors to evaluate the effects of our compensation program on long-term performance and would help align "say on pay" with the goal of avoiding short-term focus in corporate governance and executive pay arrangements.
- * In addition, the triennial approach would allow shareholders to engage in a more thoughtful analysis and voting by providing more time between votes to gage executive officer performance.

For these reasons, we believe that a three-year time horizon is appropriate in order to provide shareholders with a more comprehensive view of whether or named executive officer compensation programs are achieving their objectives.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "THREE YEARS"
WITH RESPECT TO HOW FREQUENTLY A NON-BINDING SHAREHOLDER VOTE TO
APPROVE THE COMPENSATION OF OUR EXECUTIVE OFFICERS SHOULD OCCUR.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the

Edgar Filing: INTERGROUP CORP - Form DEF 14A

Company's financial reporting process, the Company's systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention and shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Committee are in place to represent the Company's shareholders, and the Company's independent registered public accounting firm is ultimately accountable to the Board and the Committee as such representatives of shareholders. It is the responsibility of the Committee to maintain free and open means of communication between the Board, the independent registered public accounting firm and the financial management and internal auditors of the Company.

The Committee shall review the adequacy of this Charter on an annual basis.

Membership:

The Committee shall be comprised of at least three (3) "independent" directors that meet the composition requirements as defined by the rules of the Securities and Exchange Commission ("SEC") and The NASDAQ Stock Market LLC ("NASDAQ") as may be modified and supplemented from time to time. Accordingly, all of the members of the Committee will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company;
2. Are not affiliates of the Company;
3. Do not receive any compensation from the Company other than in the capacity as director; and
4. Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee.

In addition, at least one member of the Committee will qualify as an audit committee financial expert as defined by the Securities and Exchange Commission.

The members of the Committee shall be elected by the Board at the annual meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a Chairman of the Committee is elected by the full Board, the members of the Committee may designate a Chairman of the Committee by majority vote of the full Committee Membership.

Meetings:

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. Minutes of each meeting of the Committee should be recorded by the Secretary to the Committee. Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Committee may also act by

unanimous written consent without a meeting. As part of its job to foster open

communication, the Committee should meet at least annually with management and the Company's independent registered public accounting firm in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chairman should meet with the Company's independent registered public accounting firm and management quarterly to review the Company's financials consistent with #2 below. The Committee may request any officer or employee of the Company or the Company's outside counsel or the Company's independent registered public accounting firm to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Key Responsibilities:

The Committee's job is one of oversight, and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the Company's independent registered public accounting firm is responsible for auditing those financial statements pursuant to professional standards. Additionally, the Committee recognizes that financial management has more time, knowledge and detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances.

(c) Other material written communications between the independent registered public accounting firm and management, such as any management letter or schedule of unadjusted differences.

8. Periodically consult with the Company's independent registered public accounting firm, out of the presence of management, about internal controls and the fullness and accuracy of the organization's financial statements.

15. Establish, review, and update periodically a Code of Ethical Conduct, and ensure that management has established a system to enforce this Code.

16. Review and approve any transactions between the Company and its officers, directors or 5% shareholders.

17. The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors.
