PART III

Item 10. Directors and Executive Officers of the Registrant

Information regarding executive officers and directors of the company is furnished in Part I of this Annual Report on Form 10-K under the heading "Executive Officers of the Registrant."

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities. Officers, directors and greater than ten percent beneficial owners are required to furnish us with copies of all Section 16(a) forms that they file.

Based solely on our review of the copies of such reports received or written representations that no other reports were required, we believe that during the fiscal year ended December 31, 2002, our officers, directors and ten-percent stockholders complied with all Section 16(a) filing requirements applicable to such individuals.

Director Compensation

Dr. Horovitz receives \$2,000 plus expenses per board meeting he attends plus an additional \$4,000 annually for his work as a Director and Chairman of the Audit Committee. No other directors receive any cash compensation for services on the board of directors.

On June 17, 2002, all non-employee directors were granted an option to purchase 10,000 shares of common stock under our 1997 Stock Option Plan at an exercise price of \$1.62 per share. The options may be exercised on a cumulative basis as to 25% of the shares on the first anniversary of the date of grant and an additional 25% at the end of each one-year period thereafter.

Employment Agreements

We entered into a letter agreement with Dr. Fraser dated February 6, 1990, providing for an annual salary plus bonus as determined by our board of directors. We have agreed with Dr. Fraser to continue to pay his then current salary for a period of six months if we terminate his employment without cause. Dr. Fraser has also agreed not to compete with us for one year following termination of his employment. At our election, this non-competition provision can be extended for an additional two-year period upon the payment of additional consideration.

Compensation Committee Interlocks and Insider Participation

Henri Termeer served on our Board of Directors until November 2002. Mr. Termeer resigned from our Board because certain programs at Diacrin are potentially competitive with programs at Genzyme. While a member of our Board of Directors, Mr. Termeer also served on our Compensation Committee. In September 1996, we formed a joint venture with Genzyme Corporation to develop and commercialize two product candidates. Under the terms of the joint venture agreement which became effective on October 1, 1996, Genzyme agreed to provide 100% of the first \$10 million in funding and 75% of the following \$40 million in funding for the development and commercialization of the two products. All costs incurred in excess of \$50 million are to be shared equally between us and Genzyme in accordance with the terms of the agreement. Any profits of

the joint venture will be shared equally by the two parties. Mr. Termeer is President, Chief Executive Officer and Chairman of the Board of Genzyme. We have recorded approximately \$15.3 million in revenue from the joint venture since it commenced, approximately \$101,000 of which the Company recognized during 2002.

On February 20, 2003, Diacrin entered into an engagement letter with SG Cowen Securities Corporation pursuant to which SG Cowen agreed to serve as Diacrin's financial advisor in connection with the merger. Pursuant to the engagement letter, we have agreed to pay SG Cowen \$900,000. In addition, we have agreed to reimburse SG Cowen for all expenses incurred in connection with the services it provides to us in connection with the merger. Dr. Stelios Papadopoulos, a member of our Board of Directors and a member of our Compensation Committee, is a managing director of SG Cowen Securities Corporation.
