**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
May 26, 2005**

The accompanying proxy is solicited by the Board of Directors to be voted at the Annual Meeting of Stockholders to be held at the Holiday Inn Select, Baltimore-North, 2004 Greenspring Drive, Timonium, Maryland at 10:00 A.M. EDT on Thursday, May 26, 2005, and any adjournments of the meeting. It is anticipated that this proxy material will be mailed on or about April 27, 2005, to our common stockholders of record on April 22, 2005.

A copy of our Annual Report for the year ended December 31, 2004, including financial statements, is enclosed.

A stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked by filing with our Secretary (i) a signed instrument revoking the proxy or (ii) a duly executed proxy bearing a later date. A proxy also may be revoked if the person executing the proxy is present at the meeting and elects to vote in person. If the proxy is not revoked, it will be voted by those named in the proxy.

VOTING SECURITIES

As of April 22, 2005, the record date, there were 50,966,655 of outstanding shares of common stock, par value \$.10 per share. Each holder of shares of common stock is entitled to one vote per share on all matters properly brought before the Annual Meeting.

VOTING

The presence at the Annual Meeting of shares representing a majority of the voting power associated with our issued and outstanding common stock will be necessary to establish a quorum for the conduct of business at the Annual Meeting. Under our Bylaws, directors are elected by a plurality of the votes cast at the Annual Meeting. The affirmative vote of a majority of the shares of common stock in person or by proxy at the Annual Meeting will be necessary to approve the proposal to ratify our independent auditors.

Brokers holding shares in "street name" may vote the shares only if the beneficial owner provides instructions on how to vote. Brokers will provide beneficial owners instructions on how to direct the brokers to vote the shares. The New York Stock Exchange treats "for" votes, "against" votes and abstentions as votes cast, but does not treat "broker non-votes" as votes cast. A so-called "broker non-vote" occurs when a broker, holding stock as nominee, does not receive voting instructions from the beneficial owner. With respect to all of the matters to be voted upon at the Annual Meeting, broker non-votes and the decision to withhold authority to vote for any, or all, of the director nominees named above or for the proposal to ratify our independent auditors will have no impact on the outcome of the voting.

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

As of the record date, our directors and executive officers beneficially owned 1,742,715 shares of our common stock (representing 3.4% of the votes entitled to be cast at the meeting).

There are no rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon pursuant to this proxy statement.

We urge stockholders to vote promptly either by signing, dating and returning the enclosed proxy card in the enclosed envelope, or for stockholders who own their shares in street name through a broker, in accordance with the telephone or internet voting instructions your broker may include with this mailing.

Chairman of the Board
Chairman of the Committee
Member

The Board of Directors held 14 meetings during 2004. All members of the Board of Directors attended more than 75% of the Board of Directors or Committee meetings held during 2004. Mr. Korman, as Chairman of the Board, presides over any meeting, including regularly scheduled executive sessions of the non-management directors. If Mr. Korman is not present at such a session, the presiding director is chosen by a vote of those present at the session. Except for Mr. Pickett, all of the members of the Board of Directors meet the New York Stock Exchange listing standards for independence. While the Board of Directors has not adopted any categorical standards of independence, in making these independence determinations, the Board of Directors noted that no director other than Mr. Pickett(a) received direct compensation from our company other than director annual retainers and meeting fees, (b) had any relationship with our company or a third party that would preclude independence, or (c) had any other material relationship with our company and its management. Each of the members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee meets the New York Stock Exchange listing standards for independence. While we encourage our directors to attend our Annual Meeting of Stockholders, we currently do not have a formal policy regarding director attendance. None of our directors attended the 2004 Annual Meeting of Stockholders.

Audit Committee

The Audit Committee met nine times in 2004. Its primary function is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to: (i) the financial information to be provided to stockholders and the Securities and Exchange Commission (“SEC”); (ii) the system of internal controls that management has established; and (iii) the external independent audit process. In addition, the Audit Committee selects our company’s independent auditors and provides an avenue for communication between the independent auditors, financial management and the Board of Directors. On April 20, 2004, the Board of Directors adopted a revised Audit Committee Charter, a copy of which is attached to this proxy statement as *Appendix A* and is also available on our website at www.omegahealthcare.com. On April 19, 2005, the Board of Directors reviewed and ratified the Audit Committee Charter.

Each of the members of the Audit Committee is financially literate, as required of audit committee members by the New York Stock Exchange. The Board has determined that Mr. Plavin is qualified to serve as an “audit committee financial expert” as such term is defined in Item 401 (h) of Regulation S-K promulgated by the SEC. The Board made a qualitative assessment of Mr. Plavin’s level of knowledge and experience based on a number of factors, including his formal education and his experience as Chief Operating Officer of Capital Trust, Inc., a New York City-based mortgage REIT and investment management company, where he is responsible for all lending and portfolio management activities. Mr. Plavin holds an M.B.A. from J.L. Kellogg Graduate School of Management at Northwestern University.

Compensation Committee

The Compensation Committee met six times during 2004 and has responsibility for the compensation of our key management personnel and administration of our 2004 Stock Incentive Plan our 2000 Stock Incentive Plan and our 1993 Deferred Compensation Plan. The responsibilities of the Compensation Committee are more fully described in its charter, which is available on our website.

Investment Committee

The Investment Committee met one time during 2004 and has responsibility for developing strategies in growing our portfolio.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee met one time during 2004 and has responsibility for identifying potential nominees to the Board of Directors and reviewing their qualifications and experience. The process for identifying and evaluating nominees to the Board is initiated by identifying candidates who meet the criteria for selection as a nominee and have the specific qualities or skills being sought based on input from members of the Board and, if the Nominating and Corporate Governance Committee deems appropriate, a third-party search firm. Nominees for director are selected based on their depth and breadth of experience, industry experience, financial background, integrity, ability to make independent analytical inquiries and willingness to devote adequate time to director duties, among other criteria. The Committee also develops and implements policies and practices relating to corporate governance.

The Nominating and Corporate Governance Committee will consider written proposals from stockholders for nominees as director. Any such nomination should be submitted to the Nominating and Corporate Governance Committee through our Secretary in accordance with the procedures and time frame described in our Bylaws and as set forth under "Stockholder Proposals" below.

Communicating with the Board of Directors and the Audit Committee

The Board of Directors and our Audit Committee have established procedures to enable anyone who has a concern about Omega's conduct, or any employee who has a concern about Omega's accounting, internal controls or auditing matters, to communicate that concern directly to the non-management members of the Board of Directors or the Audit Committee, as applicable. These communications may be confidential or anonymous, and may be submitted in writing or through the Internet. The employees have been provided with direct and anonymous access to each of the members of the Audit Committee. The Code of Business Conduct prohibits any employee of our company from retaliating or taking adverse action against anyone raising or helping resolve a concern about our company.

Interested stockholders may contact our non-management directors by writing to them at our headquarters: Omega Healthcare Investors, Inc., 9690 Deereco Road, Suite 100, Timonium, Maryland 21093, or by contacting them through our website at www.omegahealthcare.com. Communications addressed to the non-management members of the Board of Directors will be reviewed by our corporate communications liaison, which is our outside legal counsel, and will be directed to the appropriate director or directors for their consideration. The corporate communications liaison may not "filter out" any direct communications from being presented to the non-management members of the Board of Directors and Audit Committee members without instruction from the directors or committee members. The corporate communications liaison is required to maintain a record of all communications received that were addressed to one or more directors, including those determined to be inappropriate communications. Such record will include the name of the addressee, the disposition by the corporate communications liaison and, in the case of communications determined to be inappropriate, a brief description of the nature of the communication. The corporate communications liaison is required to provide a copy of any additions to the record upon request of any member of the Board of Directors.

Corporate Governance Materials

The Corporate Governance Guidelines, Code of Business Conduct and the charters of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are available free of charge through our website at www.omegahealthcare.com and are available in print to any shareholder who requests them.

Compensation of Directors

For the year ended December 31, 2004, each non-employee director received a cash payment equal to \$20,000 per year, payable in quarterly installments of \$5,000. Each non-employee director also received a quarterly grant of shares of common stock equal to the number of shares determined by dividing the sum of \$5,000 by the fair market value of the common stock on the date of each quarterly grant, currently set at February 15, May 15, August 15, and November 15. At the director's option, the quarterly cash payment of director's fees may be payable in shares of common stock. In addition, each non-employee director was entitled to receive fees equal to \$1,500 per meeting for attendance at each regularly scheduled meeting of the Board of Directors. For each teleconference or called special meeting of the Board of Directors, each non-employee director received \$1,500 for meeting. The Chairman of the Board received an annual payment of \$25,000 for being Chairman and each Committee Chair received an annual payment of \$5,000. In addition, we reimbursed the directors for travel expenses incurred in connection with their duties as directors. Employee directors received no compensation for service as directors.

Each non-employee director was awarded options with respect to 10,000 shares at the date the plan was adopted or upon their initial election as a director. Prior to January 1, 2005, each non-employee director was awarded an additional option grant with respect to 1,000 shares on January 1 of each year they served as a director. Effective January 1, 2005, each non-employee director will be awarded restricted stock with respect to 1,000 shares on January 1 of each year they serve as a director. Effective January 1, 2005, the Chairman of the Board will be awarded an additional 2,000 restricted shares on January 1 of each year he serves as Chairman. All grants have been and will be at an exercise price equal to 100% of the fair market value of our common stock on the date of the grant. Non-employee director options and restricted stock vest ratably over a three year period beginning the date of grant.

EXECUTIVE COMPENSATION

Compensation Committee Report

The Compensation Committee (the “Committee”) administers our 2004 Stock Incentive Plan, our 2000 Stock Incentive Plan and 1993 Deferred Compensation Plan, and has responsibility for other incentive and benefit plans. The Committee determines the compensation of our executive officers and reviews with the Board of Directors all aspects of compensation for our executive officers. The Committee’s function is more fully described in its charter, which the Board of Directors has adopted and a copy of which is available at our website.

Historically, our policy and the guidelines followed by the Committee have been directed toward providing compensation to our executive officers in order to achieve the following objectives:

- 1) Assist in attracting and retaining talented and well-qualified executives;
- 2) Reward performance and initiative;
- 3) Be competitive with other healthcare real estate investment trusts;
- 4) Be significantly related to accomplishments and our short-term and long-term successes, particularly measured in terms of growth in funds from operations on a per share basis; and
- 5) Encourage executives to achieve meaningful levels of ownership of our stock.

The following is a discussion of each element of our executive compensation:

Annual Base Salary

Our approach to base compensation levels has been to offer competitive salaries in comparison with prevailing market practices. The Committee examined market compensation levels and trends in connection with the issuance of the executive employment contracts during 2004. Additionally, the Committee hired a consulting firm which provided the Committee with executive base salaries of individuals who currently are employed in similar positions in public companies, with emphasis on salaries paid by healthcare real estate investment trusts.

The Committee has evaluated executive officer salary decisions in connection with an annual review and based on input from our Chairman of the Board of Directors and our Chief Executive Officer. In undertaking the annual review, the Committee considered the decision-making responsibilities of each position and the experience, work performance and team-building skills of each incumbent officer. The Committee has viewed work performance as the single most important measurement factor, followed by team-building skills and decision-making responsibilities.

Annual Cash Bonus

Our historical compensation practices have embodied the principle that annual cash bonuses should be based primarily on achieving objectives that enhance long-term stockholder value, and that meaningful stock ownership by management, including the grant of stock options or restricted stock in connection with their hiring or contract renewals, is desirable in aligning stockholder and management interests.

The Committee has considered overall company performance and the performance of the specific areas of our company under each incumbent officer's direct control. It was the Committee's view that this balance supported the accomplishment of overall objectives and rewarded individual contributions by executive officers. Individual annual bonuses for each named executive have been consistent with market practices for positions with comparable decision-making responsibilities.

In 2004, Mr. Pickett was eligible for an annual cash bonus of up to 100% of his annual base salary and the other executive officers were eligible for a cash bonus of up to 50% of their annual base salaries. The annual contractual bonus excludes any special bonus that may be paid at the discretion of the Board. In determining the amount of the annual cash bonuses, the Committee considered a variety of factors, including sustained levels of recurring Funds from Operations, the successful implementation of asset management initiatives, control of expenses and satisfaction of Omega's strategic objectives. Considering these factors, the Committee paid each of the senior executives, including Mr. Pickett, an annual cash bonus equal to 100.0% of such employee's maximum potential contractual bonus as well as a special bonus.

Restricted Stock Incentives

In 2004, we entered into restricted stock agreements with four executive officers under the Omega Healthcare Investors, Inc. 2004 Stock Incentive Plan. A total of 317,500 shares of restricted stock were granted, which equated to approximately \$3.3 million of deferred compensation. The shares vest thirty-three and one-third percent (33 ⅓%) on each of January 1, 2005, January 1, 2006 and January 1, 2007 so long as the executive officer remains employed on the vesting date, with vesting accelerating upon a qualifying termination of employment, upon the occurrence of a change of control (as defined in the Restricted Stock Agreements), death or disability. In addition, we also entered into performance restricted stock unit agreements with our four executive officers. A total of 317,500 performance restricted stock units were granted under the Omega Healthcare Investors, Inc. 2004 Stock Incentive Plan. The performance restricted stock units vest upon our attaining \$0.30 per share of common stock per fiscal quarter in "Adjusted Funds from Operations" (as defined in the agreement) for two (2) consecutive quarters. Dividend equivalents (plus an interest factor based on our company's cost of borrowing) accrue on unvested shares and are paid if the performance restricted stock units vest. Dividend equivalents on vested performance restricted stock units are paid currently. Performance restricted stock units which have not become vested as of December 31, 2007 are forfeited.

In 2004, the Committee did not make any grants under its 2000 Stock Incentive Plan or its 1993 Deferred Compensation Plan.

2004 Chief Executive Officer Compensation

In connection with retaining the services of Mr. Pickett to act as our Chief Executive Officer, we entered into an Employment Agreement dated September 1, 2004 with Mr. Pickett. The Committee believes that the terms of the Employment Agreement are consistent with the duties and scope of responsibilities assigned to Mr. Pickett as Chief Executive Officer. In order to align Mr. Pickett's interests with the long-term interests of Omega, Mr. Pickett's compensation package includes significant equity-based compensation, including stock options and restricted stock. For a detailed description of the terms of the Employment Agreement, see "Compensation and Severance Agreements -

C. Taylor Pickett Employment Agreement” below.

For the fiscal year ended December 31, 2004, the Committee awarded Mr. Pickett an annual cash bonus of \$600,000. This bonus was determined by the Committee substantially in accordance with the policies described above relating to all of our executive officers.

Tax Deductibility of Executive Compensation

The SEC requires that this report comment upon our policy with respect to Section 162(m) of the Internal Revenue Code. Section 162(m) disallows a federal income tax deduction for compensation over \$1.0 million to any of the named executive officers unless the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by our stockholders. We did not pay any compensation during 2004 that would be subject to Section 162(m). We believe that, because we qualify as a REIT under the Internal Revenue Code and therefore are not subject to federal income taxes on our income to the extent distributed, the payment of compensation that does not satisfy the requirements of Section 162(m) will not generally affect our net income, although to the extent that compensation does not qualify for deduction under Section 162(m), a larger portion of stockholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that Section 162(m) will materially affect the taxability of stockholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each stockholder. For these reasons, Section 162(m) does not directly govern the Compensation Committee's compensation policy and practices.

AUDIT COMMITTEE MATTERS

The Audit Committee's purpose is to oversee the accounting and financial reporting processes of Omega, the audits of our financial statements, the qualifications of the public accounting firm engaged as Omega's independent auditor to prepare and issue an audit report on our financial statements and the related internal control over financial reporting, and the performance of our independent auditors. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace our company's independent auditors. The Audit Committee's function is more fully described in its revised charter, which the Board of Directors adopted on April 20, 2004, and reviewed and ratified on April 20, 2005, a copy of which is attached to this proxy statement as *Appendix A* and is also available on our website. The Board of Directors reviews the Audit Committee Charter annually.

The Audit Committee has three independent directors, and the Board of Directors has determined that each Audit Committee member is independent under the standards of director independence established under our corporate governance policies and the New York Stock Exchange listing requirements and is also "independent" for purposes of Section 10A(m)(3) of the Securities Exchange Act of 1934.. In addition, the Board of Directors has determined that Steven Plavin is an "audit committee financial expert," as defined by SEC rules.

Management is responsible for the preparation, presentation, and integrity of Omega's financial statements, accounting and financial reporting principles, internal control over financial reporting, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. Our company's independent auditor, Ernst & Young LLP, is responsible for auditing and expressing opinions on the conformity of our company's consolidated financial statements to accounting principles generally accepted in the United States, management's assessment of our company's internal control over financial reporting, and the effectiveness of our company's internal control over financial reporting.

Audit Committee Report

The Audit Committee, with respect to the audit of Omega's 2004 audited consolidated financial statements, reports as follows:

- 1) The Audit Committee has reviewed and discussed Omega's 2004 audited consolidated financial statements with Omega's management;
- 2) The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and SEC Regulation S-X, Rule 2-07, which include, among other items, matters related to the conduct of the audit of Omega's consolidated financial statements, and the PCAOB Auditing Standard No. 2, ("An Audit of Internal Control Over Financial Reporting Performed in Conjunction with an Audit of Financial Statements");

It is also expected that they will be available to respond to appropriate questions from stockholders at the Annual Meeting. Approval of our independent auditors is not a matter required to be submitted to stockholders; however, the Board considers the selection of the independent auditor to be an important matter of stockholder concern and is submitting the selection of Ernst & Young LLP for ratification by stockholders as a matter of good corporate practice.

For fiscal year 2004, audit fees include \$104,000 of fees for the audit of the effectiveness of our company's internal control over financial reporting related to Section 404 of the Sarbanes-Oxley Act of 2002.

Audit Related Fees

Ernst & Young LLP was not engaged to perform services to our company relating to employee benefit audits, due diligence related to mergers and acquisitions, accounting consultations and audits in connection with acquisitions, internal control reviews, attest services that are not required by statute or regulation, or consultation concerning financial accounting and reporting standards for fiscal years 2003 and 2004.

Determination of Auditor Independence

The Audit Committee has considered the provision of non-audit services by our principal accountants and has determined that the provision of such services was consistent with maintaining the independence of Ernst & Young LLP.

Audit Committee's Pre-Approval Policies

The Audit Committee's current practice is to pre-approve all audit services and all permitted non-audit services to be provided to our Company by our independent auditor; provided, however pre-approval requirements for non-audit services are not required if all such services: (1) do not aggregate to more than five percent of total revenues paid by us to our accountant in the fiscal year when services are provided; (2) were not recognized as non-audit services at the time of the engagement; and (3) are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee.

PROPOSAL 2 — PROPOSAL TO RATIFY THE SELECTION OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITOR FOR THE FISCAL YEAR 2005

The Audit Committee has selected Ernst & Young LLP as our company's independent auditor for the current fiscal year, and the Board is asking stockholders to ratify that selection. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require our company's independent auditor to be engaged, retained, and supervised by the Audit Committee, the Board considers the selection of the independent auditor to be an important matter of stockholder concern and is submitting the selection of Ernst & Young LLP for ratification by stockholders as a matter of good corporate practice. However, if the stockholders do not ratify the selection, the Board of Directors and the Audit Committee will reconsider whether or not to retain Ernst & Young, LLP but may retain such independent auditors. Even if the selection is ratified, the Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such a change would be in the best interest of Omega and its stockholders.

Information concerning Ernst & Young's services for Omega can be found beginning on page 19. The affirmative vote of holders of a majority of the shares of common stock represented at the meeting is required to approve the ratification of the selection of Ernst & Young LLP as our company's independent auditor for the current fiscal year. The Board of Directors and the members of the Audit Committee recommend a vote **FOR** this proposal.

STOCKHOLDER PROPOSALS

December 28, 2005 is the date by which proposals of stockholders intended to be presented at the 2006 Annual Meeting of Stockholders must be received by us for inclusion in our proxy statement and form of proxy relating to that meeting.

20

In addition, our Bylaws provide that in order for business to be brought before the Annual Meeting, a stockholder must deliver or mail written notice to our Secretary at our principal executive office not less than 60 days nor more than 90 days prior to the first anniversary of the preceding year's Annual Meeting, provided, however, that if the date of the Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, notice must be delivered not more than 90 days prior to such Annual Meeting nor less than 60 days prior to such Annual Meeting or if later, not later than the close of business on the tenth day following the day on which the date of such meeting is publicly announced. The notice must state the stockholder's name, address, class and number of shares of our stock and briefly describe the business to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of the stockholder and of the beneficial owner, if any, on whose behalf the proposal is made. If the stockholder intends to nominate a candidate for election as a director, in addition to the requirements set forth above, the notice should include the name of the nominee for election as a director, the age of the nominee, the nominee's business address and experience during the past five years, the number of shares of our stock beneficially held by the nominee, and such other information concerning the nominee as would be required to be included in a proxy statement soliciting proxies for the election of the nominee. The notice must also include a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person pursuant to which the nominations are to be made by such stockholder, a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the person named in the notice, and the consent of the nominee to serve as a director.

ANNUAL REPORT

A copy of our annual report for the year ended December 31, 2004 accompanies this proxy statement and is incorporated herein by reference. Additional copies may be obtained by writing to Robert O. Stephenson at our principal executive offices, at the address set forth below.

A copy of our annual report on Form 10-K will be provided, without charge, upon written request addressed to Mr. Stephenson at our principal executive offices at 9690 Deereco Road, Suite 100, Timonium, Maryland 21093.

Our annual report to stockholders and Form 10-K are also available on our website at www.omegahealthcare.com.

EXPENSES OF SOLICITATION

The total cost of this solicitation will be borne by us. In addition to use of the mails, proxies may be solicited by our directors, officers and regular employees of Omega personally and by telephone, telex or facsimile. We may reimburse persons holding shares in their own names or in the names of the nominees for expenses such persons incur in obtaining instructions from beneficial owners of such shares.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers, directors and persons who beneficially own more than 10% of our company common stock to file initial reports of ownership and reports of changes in ownership with the SEC. SEC regulations require these individuals to give us copies of all Section 16(a) forms they file.

Based solely on our review of forms that were furnished to us and written representations from reporting persons, we believe that the executive officers, directors and more than 10% stockholders complied with all filing requirements related to Section 16(a), except for the following:

On January 1, 2004, we issued each of our non-employee directors a stock option for 1,000 shares of our common stock as part of the annual compensation payments to directors. On May 17, 2004, we issued Mr. Kloosterman 422 shares of our common stock as part of his quarterly compensation payment. The Forms 4 for these stock options and Mr. Kloosterman's stock compensation were filed with the SEC on March 8, 2005, outside the two-day reporting requirement enacted under the Sarbanes-Oxley Act of 2002. In making these statements, we have relied on the representations of the persons involved and on copies of their reports filed with the SEC.

OTHER MATTERS

The Board of Directors knows of no other business that may be validly presented at the Annual Meeting, but if other matters do properly come before the Annual Meeting, it is intended that the persons named in the proxy will vote on said matters in accordance with their best judgment.

Audit Committee Charter Omega Healthcare Investors, Inc. April 20, 2004

I. Purpose

The Board of Directors (the “Board”) of Omega Healthcare Investors, Inc. (the “Company”) has established the Audit Committee (the “Committee”) to assist the Board in fulfilling its oversight responsibilities of (1) the integrity of the Company’s financial statements, (2) the Company’s compliance with legal and regulatory requirements, (3) the independent auditor’s qualifications and independence, and (4) the performance of the Company’s internal audit function and independent auditors.

II. Composition

The Committee will be comprised of at least three members of the Board. Each member will be both independent and financially literate. The Board must determine that at least one member has the level of accounting and financial expertise as required by the applicable rules and regulations of the principal trading market for the Company’s common stock. Each member will be free of any relationship that, in the opinion of the Board, would interfere with his or her individual exercise of independent judgment. Applicable laws and regulations will be followed in evaluating a member’s independence.

No committee member will simultaneously serve on the audit committees of more than three public companies unless the Board affirmatively determines that such simultaneous service would not impair the ability of such member to serve on the Committee. The members of the Committee will be elected annually at the organizational meeting of the full Board and will be listed in the annual report to stockholders.

III. Responsibilities

A. **Scope of Responsibility and Authority.** The primary responsibility of the Committee is to oversee the Company’s financial reporting process on behalf of the Board and report the results of its activities to the Board. The Committee will be directly responsible for the appointment and dismissal, compensation and oversight of the Company’s independent auditors and may not delegate such responsibilities to others. The Committee does not prepare financial statements on behalf of the Company or perform the Company’s audits, and its members are not the Company’s auditors and do not certify the Company’s financial statements. These functions are performed by the Company’s management and independent auditors.

The Committee may retain (and determine and receive from the Company the appropriate funding for) experts to advise or assist it, including outside counsel, accountants, financial analysts or others.

In addition to the matters set forth herein, the Committee will perform such other functions as required by law, the Company’s Articles of Incorporation or Bylaws, or the Board.

B. *Responsibilities and Duties.* The Committee will meet at least four times a year, with authority to convene additional meetings as circumstances require.

In carrying out its oversight responsibilities, the Committee will:

1. Meet at the request of the Chief Financial Officer or the independent auditors and will meet at least once every quarter or more frequently as circumstances dictate.
2. Meet separately, periodically with (a) management, (b) the Company's internal auditors (whether in-house or out-sourced), and (c) the Company's independent auditors to discuss issues and concerns warranting Committee attention.

3. Recommend to the Board whether the Company's financial statements should be included in the Company's annual report on Form 10-K.
4. Prepare the Committee report to be included in the Company's annual proxy statement.
5. Review and discuss with management the policies and guidelines for earnings press releases and financial information and earnings guidance provided to analysts and ratings agencies.
6. Review and discuss with management the policies and guidelines for risk assessment and management.
7. Report its actions to the Board.

C. *Relationships with Independent Auditors.* In order to retain independent auditors to review the records and accounts of the Company, the Committee will:

1. Have the sole authority to appoint, retain, compensate, evaluate and terminate the independent auditors to conduct Company audits or to perform permissible non-audit services, with the independent auditors ultimately accountable to the Committee with respect to audit and related work.
2. Review the independent auditors' scope and audit plan prior to the commencement of the audit.
3. Pre-approve any services to be performed by the independent auditors, or establish policies pursuant to which services to be performed by the independent auditor will be pre-approved.
4. Determine the scope of the audit and the associated fees to be paid to the independent auditors (for both audit and permissible non-audit work).
5. Discuss with the independent auditors any relationships that may affect the auditors' independence and confirm and oversee the independence of the auditors.
6. Pre-approve the Company's hiring of any employees or former employees of the independent auditors or establish policies with respect to any such hiring.
7. Obtain and review annually a report by the independent auditors describing (a) the auditing firm's internal quality control procedures, (b) any material issues raised by its most recent quality control review, or peer review, or any inquiry or investigation within the preceding five years and steps taken to resolve those issues, and (c) all relationships between the independent auditors and the Company.

In its review of the independent auditors, the Committee will direct the independent auditors to provide the Committee with timely reports of:

- (a) all critical accounting policies and practices,
- (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, effects of using such alternatives, and the treatment preferred by the independent auditing firm, and
- (c) other material written communications between the independent auditors and management.

D. *Company Financial Statements.* Prior to the release or filing of the Company's financial statements, the Committee will review with management and the independent auditors the Company's annual and quarterly financial statements

and related footnotes as well as disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” The Committee will also review at least annually:

1. With the independent auditors and management, their processes for assessment of material misstatements, identification of the notable risk areas, and their response to those risks.
2. The independent auditors’ qualitative judgment about the quality, not just the acceptability, of accounting principles, use of estimates, bases for determining the amounts of estimates, and financial disclosures.

4. With the independent auditors the management letter provided by the independent auditors and the Company's response.
5. Any financial or non-financial arrangements of the Company that do not appear on the financial statements of the Company and their related risks.
6. With management and the independent auditors the effect of regulatory and accounting initiatives as well as accounting principles and their alternatives that have a significant effect on the Company's financial statements.

7. Any transactions or courses of dealing with parties related to the Company.

8. Any other matters related to the annual Company audit, including those matters that are required to be communicated to the Committee under applicable law and generally accepted auditing standards.

3. Discuss with the independent auditors whether they believe or have any reason to believe that an illegal act has occurred, regardless of whether they believe it will materially affect the Company's financial statements.

4. Review any transactions with related parties and the procedures used to identify related parties.

5. Perform an evaluation of its performance at least annually to determine whether it is functioning effectively.

F. ***Audit Committee Formalities and Charter.*** The Committee will:

1. Review and reassess annually the adequacy of this Charter and recommend any changes to the Board.
2. Report periodically to the Board on the Committee's activities and findings, including any issues regarding the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditors or the performance of the internal auditors.
