Item 1.01. Entry into a Material Definitive Agreement.

General

Edgar Filing: Alternative Asset Management Acquisition Corp. - Form 8-K

On March 12, 2008, Alternative Asset Management Acquisition Corp. ("AAMAC") entered into a purchase agreement pursuant to which it has agreed to acquire (the "Acquisition") a majority interest in a newly formed entity which will own all of the management and fee generating entities affiliated with Halcyon Asset Management, LLC (the "Halcyon Entities"). The combined company will be renamed Halcyon Management Inc.

The Purchase Agreement

The following is a summary of the material terms of the purchase agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

The parties to the purchase agreement are:

- o AAMAC, a Delaware corporation;
- o Halcyon Management Group LLC ("Halcyon")
- o Halcyon Partners LP (the "Partner Vehicle"); and
- o Halcyon Asset Management LLC, Halcyon Offshore Asset Management LLC, Halcyon Structured Asset Management LP, Halcyon Asset-Backed Advisors LP and Halcyon Loan Investors LP (together with Halcyon and the Partner Vehicle the "Halcyon Parties").

At the closing of the Acquisition, AAMAC, as the buyer, will acquire 49,170,000 Class A Units of Halcyon, and Halcyon will continue as an operating company.

Purchase Price, Recapitalization of Halcyon

At the closing and subject to certain adjustments as described below, AAMAC will pay the Partner Vehicle for 49,170,000 Class A Units of Halcyon:

- o \$390 million cash; and
- o 46,924,648 shares of Series A Voting Preferred Stock of AAMAC, \$0.0001 par value per share ("Preferred Shares").

In addition, pursuant to an Exchange and Support Agreement (as discussed below) to be prepared by the parties prior to closing, the 46,924,648 Class B Units of Halcyon held by the Partner Vehicle will become exchangeable for an equal number of AAMAC Common Stock, subject to certain vesting and transfer restrictions.

3

Prior to the closing, Halcyon will be recapitalized to own all the interests in its affiliates (subject to certain exceptions) and in connection therewith Halcyon will issue to the Partner Vehicle a note with a principal amount of \$115,000,000, payable in five equal annual installments, beginning on the first anniversary of the closing of the Acquisition, and accruing interest at 9.0% per year, calculated on the basis of a 365-day year, and payable at the end of each calendar quarter (the "Halcyon Note").

The purchase price paid to the Partner Vehicle will be subject to possible closing and post-closing adjustments, including the issuance of additional Preferred Shares and Class B Units of Halcyon to the Partner Vehicle upon the achievement of certain price per share targets within five years of closing. In

Edgar Filing: Alternative Asset Management Acquisition Corp. - Form 8-K

addition, in the event of a shortfall in the amount of cash available to AAMAC at the time of the closing, the Partner Vehicle has the option to either increase the amount of the Halcyon Note to up to \$150,000,000 or receive additional Preferred Shares and Class B Units of Halcyon.

Closing

The closing of the Acquisition will take place no later than the third business day following the satisfaction or waiver of all closing conditions, or such other date as the Partner Vehicle and AAMAC may agree. It is expected that the closing will take place late in the third calendar quarter of 2008.

Representations and Warranties

The purchase agreement contains customary representations and warranties of each of AAMAC and the Halcyon Parties relating to, among other things: (a) proper organization and similar corporate matters; (b) the authorization, performance and enforceability of the purchase agreement and related transactions; (c) absence of any conflicts relating to purchase agreement and the related transactions; (d) brokers; (e) governmental approvals; (f) capital structure of each related entity; (g) absence of certain events; (h) financial information and absence of undisclosed liabilities; (i) taxes; (j) title to assets and properties; (k) contracts and commitments; (l) litigation; (m) environmental matters; (n) compliance with laws; (o) employee matters; (p) insurance; (q) proprietary matters; (r) compliance with applicable securities laws and (s) affiliate transactions.

Covenants

Each party to the purchase agreement has agreed to perform customary covenants in the purchase agreement. The principal covenants are as follows:

Conduct of Business. For the period prior to completion of the Acquisition or termination of the purchase agreement and except as expressly permitted by the purchase agreement, (1) the Halcyon Entities will conduct their business in the ordinary course and (2) the Halcyon Entities and AAMAC will not undertake certain kinds of transactions.

AAMAC Proxy Statement and Stockholders' Meeting. AAMAC has agreed to recommend the Acquisition to its stockholders, to prepare and file a proxy statement with the U.S. Securities and Exchange Commission and any other filing required under the securities laws or any other federal, foreign or blue sky laws, and to call and hold a meeting of its stockholders

4

for the purpose of seeking the approval of the Acquisition by its stockholders. The Halcyon Representative (as defined in the purchase agreement) has agreed to provide information with respect to the Halcyon Parties in the proxy statement.

Directors and Officers of AAMAC After Closing. AAMAC and the Halcyon Representative will take all necessary actions to appoint and elect certain officers and directors, including those designated by the Halcyon Representative and those proposed by the Halcyon Representative subject to AAMAC's consent, of AAMAC to serve in such positions immediately after the closing.

Confidentiality. Each party shall protect confidential information and maintain the confidentiality of the other's proprietary information.

Trust Waiver. The Halcyon Parties and any affiliated entities have agreed

Edgar Filing: Alternative Asset Management Acquisition Corp. - Form 8-K

to waive any rights to make claims against the trust account established for the benefit of AAMAC, certain of its stockholders and the underwriters of the initial public offering for any monies in the trust account as a result of any claims against AAMAC or otherwise arising from the purchase agreement or otherwise.

No-Shop. Neither party may solicit alternative acquisition proposals or enter into any negotiation or agreement with respect to alternative proposals.

Conditions to the Completion of the Acquisition

The obligations of the Halcyon Parties and AAMAC to complete the Acquisition are subject to the satisfaction or waiver by the other party at or prior to the closing date of various customary conditions, including the (i) receipt of all required regulatory approvals and consents (ii) the approval of the Acquisition by AAMAC's stockholders, (iii) subject to certain exceptions and materiality thresholds, the accuracy of the representations and warranties of the other party and (iv) compliance of the other party with its covenants, subject to specified materiality thresholds.

Termination

The purchase agreement may be terminated and the Acquisition abandoned at any time prior to the closing of the Acquisition:

- o by mutual written agreement of both parties;
- o by either party, if the closing has not occurred before the termination date of March 12, 2009, unless the failure to close the Acquisition is due to the requesting party's breach or violation of any representation, warranty or covenant contained in the purchase agreement;
- o by either party, if there is any law or court or governmental order, which is not subject to appeal or has become final, that makes consummation of the Acquisition illegal or otherwise prohibited;

5

- o by either party, if there has been a breach of any representation, warranty, covenant or agreement by the other party that would cause (1) a representation or warranty to not be true and correct as of the closing, subject to certain materiality standards or (2) a required covenant or agreement not to be performed, unless such breach is curable and the party continues to exercise reasonable best efforts to cure it;
- o by the Halcyon Representative if AAMAC's board of directors changes its recommendation to its stockholders regarding the Acquisition; or
- o by either party, if the required approvals of AAMAC's stockholders related to the Acquisition are not obtained.

In the event of termination of the purchase agreement, the purchase agreement will become void and have no effect, without any liability on the part of either party or its affiliates or representatives, except that each party will still be liable for any willful and material breach of the purchase agreement. If the agreement shall terminate in certain circumstances as a result of a willful breach by AAMAC, then the AAMAC Founders (as defined in the purchase agreement) shall transfer 50% of the shares of AAMAC common stock they

Edgar Filing: Alternative Asset Management Acquisition Corp. - Form 8-K

acquired prior to AAMAC's initial public offering to the Partner Vehicle, effective when and to the extent such shares are released from escrow to the AAMAC Founders.

Survival

All representations, warranties, covenants and obligations in the purchase agreement or the transaction documents will terminate at the closing, except that any covenant that requires performance at or after the closing will survive the closing.

The purchase agreement and related term sheets describing the transaction have been included to provide investors and security holders with information regarding their terms. They are not intended to provide any factual information about AAMAC or the Halcyon Entities. The representations, warranties and covenants contained in the purchase agreement and the transaction documents were made only for purposes of such agreements and as of the specific dates set forth therein, were solely for the benefit of the parties to the purchase agreement and the transaction documents, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the purchase agreement and transaction documents, instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors and security holders are not third party beneficiaries under the purchase agreement and transaction documents, and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of AAMAC or the Halcyon Entities. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the purchase agreement and transaction documents, which subsequent information may or may not be fully reflected in AAMAC's public disclosure.

designed to preserve the economic interests of the holders of the Class B Units of Halcyon. A copy of the term sheet for the Exchange and Support Agreement is attached as Exhibit 99.3 to this Current Report on Form 8-K and incorporated herein by reference.
